### BROKERS LEAVE TO START JAIL SENTENCES

(Canadian Press)  
CALGARY, Alta., Nov. 11—Isaac W. Solloway and Harvey Mills, nationally known brokers who were fined \$225,000 and \$25,000 and sentenced to four months and one month in jail respectively, today withdrew their appeal, which had been pending since June, and left for Lethbridge, site of the provincial jail to serve the sentences. The brokers, who were heads of the former brokerage firm of Solloway-Mills and Company, left for Lethbridge this afternoon. Surrounded by friends and counsel at the station, the brokers refused a statement to the press. Just the bare announcement that they had withdrawn their appeal and would start for Lethbridge jail immediately, was made by Counsel for the two men.

Arrested during the Dominion wide brokerage house probe in January, Solloway and Mills came to trial in Calgary last June and were convicted on a charge of bucketing and attempting to affect the market value of stocks. At the time sentence was pronounced, June 3 by Mr. Justice Ives, the sentences were appealed by the Attorney General on the ground that they were inadequate and the brokers were remanded on bail. A counter appeal to have the sentences quashed was made by the brokers' counsel and it was this that was scheduled today. What action the Crown will take in view of today's decision of the brokers in withdrawing their appeal could not be immediately learned.

On October 29, Solloway and his partner pleaded guilty to charges of "gaming in stocks" at Toronto and were fined \$200,000 and \$50,000 respectively by Mr. Justice Jeffrey of the Ontario Criminal Assizes Court.

### Eight Others To Be Sentenced

Eight Toronto brokers recently convicted on charges arising from the investigation conducted by the Ontario Attorney General's Department, will be sentenced tomorrow noon by Mr. Justice Jeffrey. The charges all involved counts of conspiracy to defraud the public and conspiracy to affect the market price of stocks.

er and George Draper Jr., included a modern barn containing 1,000 bushels of grain and fifty tons of hay; cow barn equipped with steel stanchions, five horses including a very valuable team and a colt, 21 head of Holstein cattle, some of which was registered stock. The loss is only partly covered by insurance.
