DEAN OF HARVARD—Professor William Scott Ferguson, a native of P. E. I., and affiliated with Harvard University for about 30 years, has been appointed dean of the University's faculty of arts and sciences for two years. He now is the McLean professor of ancient and modern history. The new dean was born in Marshfield, P. E. I. He received an A. B. degree at McGill University, and a M. A. degree from Cornell in 1897, in 1899. He later studied at the University of Berlin and at Athens, Greece. He holds honorary degrees from McGill, University of Toronto and University of Louvain, Belgium. Dr. Ferguson has taught at Harvard since 1908, except for the academic year 1913-14, when he was professor in the American School of Classical Studies at Athens. He was assistant professor at Harvard 1908-12, professor of ancient history 1912-29, and has been McLean professor of ancient and modern history since 1929. He is a fellow of the American Academy of Arts and Sciences and a member of the American Philological Association, Archeological Institute of America, American Philosophical Society, Massachusetts Historical Society, American Historical Society, the Society of Hellenic Studies of London, and Phi Beta Kappa. He is a member of the Harvard Faculty Club and the Harvard Club of Boston. He lives at 8 Scott street, Cambridge, Mass., and has one daughter. His wife is the former Mary Aleba White of Charlottetown, Prince Edward Island. Prof. Ferguson was a member of the committee of eight Harvard professors who recommended retention on the faculty of Dr. J. Raymond Walsh, and Dr. Alan Richardson Swezey, liberal economics instructors who were given concluding appointments in 1937.—(Boston Canadian News).

CONSERVATIVE PLATFORM

1. An immediate and complete investigation in order to ascertain and reveal the true condition of the finances of the Province.
2. An immediate halt to the reckless debt increases of the last four years.
3. Abolition of the present pernicious system of appointing members of the Legislature to salaried Public Offices, in order to return to sound principles of responsible Government and to effect major economies.
4. Restoration to the citizens of their right of resort to the Courts of Justice of which they have been deprived by the Campbell Government.
5. The adaptation of our Educational System to the present actual needs of our Province including Youth Training; Encouragement of Credit Unions, co-operative Associations and other forms of Adult Education and investigation into the high price of school books with the view of lessening the cost and adoption of a plan to prevent the frequent changes in text books.
6. A Policy of farm rehabilitation aimed primarily at placing practical young farmers upon farms at the lowest possible rate of interest.
7. Support of the dairying, hog raising and other branches of mixed farming and a Practical Policy of soil analysis in co-operation with the Federal Department of Agriculture, with a view of determining the fertilizer requirements of the land.
8. Continuation of the fight for lower freight rates on farm products and the extension of the policy of freight rates assistance on ground lime throughout the entire year and also assistance to farmers in the purchase of lime.
9. A New Road Act will be introduced using the school district as a unit; greater attention to the repair and upkeep of the ordinary roads of the Province and a return to our policy of using local pit and shore gravel; a proper system of maintenance, conservation and drainage of hard surfaced roads; further extension of hard surfaced roads and gravelled roads as the finances of the Province warrant.
10. Continued Public Health Activity and assistance in establishing young physicians in country districts where there is no resident physician.
11. Fishermen's Relief will be given where necessary under proper supervision; Fishermen's Loans will be put on a proper business basis. A real effort will be made to secure better markets for fish. Investigation into the possibility of establishing plants for the manufacture of fish meal and other fish products.
12. Having in 1935 established our claims against the Dominion Government to the extent of three million dollars, giving this Province an increased subsidy of \$150,000 annually, we will continue to press for a full realization of our claims on the basis of the minority report of the White Commission.
