Governor Dalton and the late Hon. J. D. Stewart, both of whom were interested in the education of Island boys and girls and did much to bring within the reach of all the higher branches of learning. The editorial column expresses the appreciation of the scholars to the Board of Education and the School Trustees for having made possible the 11th and 12th grades. Gazed her eyes with the utmost care,
Then murmured very sleepily
"Dear Marjorie said she'd just love me."

A pony set on wheels quite high
Said: "A naughty boy nearly made me cry
When he pinched my leg—it did hurt so!
I hope it isn't to him I go."

"If Santa takes me to Mary Lou,
Called 'A' handsome book bound
in gold and blue
I know I'll be happy as happy can be
For she handled me most tenderly."

So when you into a toy shop go
Be very careful. You never know
What the toys are thinking of
What they'll say
"But coming to you on Christmas Day."
