HERE'S RELIEF FROM INDIGESTION

When Constipation Is The Cause
When you have the kind of indigestion that makes you feel miserable from head to toe—try the Carter way to get relief.
Take Carter's Pills tonight. You see, Carter's Pills remove the cause of indigestion without upsetting your stomach or preventing you from getting the good out of the food you eat.
For Carter's job is not to just sweeten your stomach or counteract acidity. You see, Carter's Pills go to work when constipation is causing your indigestion. They get at this cause of the trouble. And that's the sensible way to get the relief you're after.
Next time indigestion strikes—get Carter's Pills at any drugstore—only 25 cents. Take them as directed. You'll get the kind of relief from sluggish indigestion that will make you feel good again all over!
