

DEPARTMENT OF THE NAVAL SERVICE
Notice of Sale
C. G. S. "OSTREA"

SEALED TENDERS address the undersigned and endorsed for "OSTREA" will be received on Monday the 15th day of 1917, for the purchase of the vessel "OSTREA."
This vessel is of wood construction. It is 53 feet long overall, 13 feet 6 inches in breadth, and 4 feet 6 inches in depth. She is equipped for sailing and with a vertical boiler and a steam engine, and is capable of a speed of approximately 7 miles per hour on steam. She carries a boat, 2 anchors and cable, side and riding lights, compass and binnacle, a 400-gallon tank, etc.

This vessel will be sold as she lies without guarantee of any kind and may be inspected at any time upon application to Mr. J. A. Matheson, Inspector of Fisheries, Charlottetown, P. E. I., from whom further particulars may be obtained on request.
Each tender must be accompanied by a certified cheque made payable to the Department of the Naval Service at Ottawa, for a sum equivalent to ten per cent. (10 per cent.) of the amount of the tender. In case of failure to complete the purchase within the time specified the cheque of successful tenderer becomes void and all others will be returned pro rata.
The right is reserved to reject or accept all tenders.
The terms of sale are cash within fifteen (15) days of the acceptance.

MONDAY

HORSE NOTE.—Mr. A. G. Mac Kay, of Founde Mills, has sold his valuable driving horse, Medium Happy, to Mr. Thompson, of Halifax. Medium Happy will be missed in the New London races next winter, where he took a prominent part. Mr. Thompson is to be congratulated in procuring such a fine driving horse.

Captain E. D. Delorie, Georgetown, has received the following telegram: Sincerely regret to inform you that Private Simon Arthur Young, Infantry, officially reported wounded March 16, 1917. Will scan further particulars when received. O.I.C. Records.
Private Simon Young left with the 16th Battalion, and is a set-son of Captain Delorie. His many friends hope that his injuries are not serious.

NO. 8 SIEGE LEAVES FOR FRANCE.—Dr. Barnall received a cable Saturday from his son, Captain J. Stanley Bagnall, of No. 8 Canadian Siege Battery, better known as the Happy Fifth, dated Friday at Woolwich and consisting of the one word "leaving." This is taken to indicate that the Battery was then leaving for France and would cross the channel Friday night.

ISLANDER IN HOSPITAL.—Mrs. Alexander McRae of Mt. Vernon has received the following letter from London. Dear Madam:—I beg to inform you that Pte. J. A. McRae, No. 713408 13th Canadians, who is now at Royal Infirmary Leicester, England, has been seen by our authorized representatives who reports that he was admitted into hospital about a week ago, wounded in the right knee. He was very cheerful and would not admit very much pain in his knee, but the wound is actually in the joint, so will probably be a long time getting right. While Pte. McRae is in hospital he will frequently be visited by our representatives and reports sent to you after each visit. Anything he requires in the way of comforts, such as writing materials, shaving materials, cigarettes, Canadian newspapers, etc., will be sent to him from the Parcels Department of this office. Yours truly Constance Scott.

The residents of Kensington received a sad shock on Tuesday, March 20th when a telegram announced the death of Mrs. Hall Trowsdale, formerly Miss Rachel Stavert. Mrs. Trowsdale who was only nineteen years of age, was a general favorite and held in high esteem by her friends in Kensington where she lived until less than a year ago, when she went to Boston where she was married to Mr. Trowsdale formerly of Summerside. The funeral which took place on Saturday from the home of her step-father Mr. Wm. Orr, was very largely attended. She is survived by her husband who leaves this morning on return to his home in Dedham, Mass., having accompanied the remains home, also by her mother, two sisters, Miss Addie, at home, and Vera, in Somerville, Mass., and two brothers, Albert at home, and Edwin, who enlisted in the 104th Battalion and is now in France. To these The Guardian extends sincere sympathy.

A PATRIOTIC FAMILY.—It is with pride that his friends note the enlistment at Winnipeg, of Graham Robertson, who held a responsible position with the Canadian Northern Railway there. Graham is the fifth son of Mr. Peter McVain Robertson, of Marshfield, who has responded cheerfully to the call of duty in serving his king and country, and entered immediately on the Construction Corps.

MISS GORMAN IN HALIFAX.—Miss Bertha F. M. Gorman, of Charlottetown is now located in Halifax, where her class of pupils last week gave a very successful entertainment. The Recorder says: "Those present at the Schools for the Blind Wednesday evening enjoyed a most pleasant time, the occasion being the repeating of the performance by Miss Bertha F. M. Gorman's pupils. The acting under the direction of Miss Gorman was very creditably executed and reflected much credit on her ability."

RETURNS TO FRONT.—Gunner Manning Bagnall, son of Dr. Bagnall of this City, who has been in England for some time undergoing medical treatment has returned to the firing line. This is the second time Gunner Bagnall has gone to the front. He first went with the eleventh Field Battery. After three or four months in the firing line he developed ear trouble and was returned to England for treatment. Previous to going to the front he had served over a year at Fort Ives, Halifax. This speaks volumes for the pluck of this young man who is not yet eighteen years of age.

LOST TWO HORSES.—Mr. Wm. McFarlane, formerly of Beque, but now living in Tyne Valley, had the misfortune of losing two valuable young horses, and also a sleigh harness, etc., on Thursday afternoon. Mr. McFarlane's young son, Howard, who with his mother and young sister, was driving from Summerside to Beque on the ice, turned off the road toward Cole's wharf. The young man did not know the ice very well, and unfortunately he turned off at a most dangerous place, with the result that the team went through the ice. The occupants of the sleigh were able to get out safely but nothing could be done to save the horses.

UNFAILING FIRE ALARM.—Some excitement was created in Summerside recently by the simultaneous sounding of alarm from Holman's fire gong and the town fire bell. It appears that a defective pipe in Holman's Automatic Pressure System in a warehouse broke, with the result that the system automatically and instantaneously sounded alarms on Holman's fire gong and also rang in an alarm to the town fire department as well as to the residence of the managers of the above firm. While in this case the assistance of the firemen was not required, it demonstrated the excellence of this modern system and the protection it affords against fire and accidents.

BOON APPRECIATION.—Mr. Roderick A. Campbell of De Gros Marsh was in Charlottetown on Friday of last week for the purpose of interviewing Premier Mathieson with regard to having musgel mud carried free by the ferry steamer "Newport" across Cardigan, a ferry during the coming season. As this mud has to be purchased at St. Peter's and then brought by train to Georgetown where it is unloaded from the cars and hauled by teams to its destination, it can be easily seen that if the usual rates of transportation were charged in crossing the ferry the cost would be very materially increased. After due consideration, Hon. Mr. Mathieson gave orders that musgel mud be carried free of charge on the Cardigan Ferry. This is a boon which is highly appreciated by the progressive farmers of Newport, Launching, De Gros Marsh and other districts on the north side of the Cardigan River and shows that Premier Mathieson is always ready and willing to further the interests of the farmers no matter what the opposition in the Legislature may say to the contrary.—"A."

ACTIVE SERVICE.—Chapter I. O. D. E., located at Alberton, at its annual meeting on Feb. 22nd heard an encouraging year's work—reviewed in the excellent report presented by the Secretary, Miss Marcia Forsythe. The membership has been increased and well attended meetings were held regularly. Efforts for raising money included a sale of roses, two musicales, one kindly given by Miss Keir and her young pupils, a lawn party, and a Valentine Tea. A year's support of a Canadian Prisoner of War and an extra sum of ten dollars were sent to Rev. Canon Simpson, and contributions made to the Red Cross Society, Belgian Relief Fund, and British Sailor's Relief Fund. A parcel of hand knitted socks was given to the local Red Cross. In time for the Christmas season each member wrote to the adopted prisoner, Mr. Percy W. Ogilvy, and sent him a Christmas parcel for which grateful acknowledgements have been received. In November the Chapter announced through the press and from the pulpits of the various Churches that parcels would be received, packed and forwarded to soldiers from Alberton and vicinity in England and at the front. Many parents and friends of men overseas took advantage of this offer, and eighteen boxes of carefully packed and addressed parcels were sent in care of Miss Plummer and duly received by the boys. The thanks of the Chapter are due one of the members, Mrs. J. Gordon Baker, to whose home the parcels were sent, also to Mr. J. Gordon Baker, Rev. G. W. Dawson and Mr. A. E. Forsythe, who packed and dispatched them. Active Service Chapter is still in its infancy and its field of work is not large but the members are enthusiastic in their patriotic work. Many of them have one and two sons at the front, or in training and the desire of all is to live up to its motto, "Worthy the name we bear." The Officers for the year are as follows: Regent—Mrs. B. Rogers; Vice Regent—Mrs. F. L. Rogers and Mrs. A. E. Forsythe; Secretary—Miss Marcia Forsythe; Treasurer—Miss Frances Rogers; Echoes Secretary—Mrs. Wm. McLean; Standard Bearer—Mrs. A. L. Purdy; Mrs. McCready of Royal Edward Chapter, Charlottetown, was nominated for a Councillor of the National Executive.

For Bilious Troubles

That heavy headache, torpid liver, sick stomach, bitter taste in mouth, furred tongue, dull eyes and muddy skin, all come from a poor supply of bile. These unhealthy conditions are promptly corrected by

BEECHAM'S PILLS

which stimulate the liver, regulate the flow of bile, sweeten the stomach, and renew healthy bowel action. A household remedy approved by sixty years of public service. For every-day illnesses, Beecham's Pills

are a tested Remedy

TUESDAY
BANK MANAGER ILL.—His many friends will be sorry to learn that Mr. A. W. Hyndman, Manager of the Royal Bank of Canada in this City is ill with an attack of pneumonia.

REMAINS SENT HOME.—The remains of the late Miss Florence Sutherland of Morell, whose death occurred in the P. E. Island Hospital on Sunday following an operation, were forwarded to her late home by train yesterday.

CHESS TOURNAMENT.—The last games of the fifth annual Chess Tournament of the Charlottetown Chess Club, take place Wednesday evening at 7.30 p. m. Any citizens or visitors who enjoy the Royal Game, will be made welcome.

SOLOIST AT ST. PAUL'S.—Mr. Charles H. Earle has been engaged by the vestry of St. Paul's Church as soloist in the choir of that church. As all are aware, Mr. Earle is the possessor of an exceptionally powerful and clear-toned baritone voice and without doubt his presence in St. Paul's choir will prove a great source of strength and help in the singing generally.

THE ICE UNSAFE.—The ice on the river is no longer safe for crossing by team or on foot and traffic upon it has about ceased. All along the shores the ice is broken for quite a distance in places. One team crossed from Rocky Point to West Street landing on Saturday and broke through near the shore. A man who ventured out to render assistance also received a cold bath. It is a safe policy to keep off the ice from this out.

NORTH RIVER.—THE regular monthly meeting of the Harmony Women's Institute was held at the home of Mrs. Spurgeon Warren, North River on March 14th. There was a good attendance of the members and several matters of business were discussed. It was unanimously who visited Warren Grove and East who visited Warren Grove and East

Wiltshire Schools brought in their reports. After the business matters were disposed of an enjoyable program was rendered. Later on Mrs. Warren served a dainty luncheon to the members and visitors. After a vote of thanks was presented to the hostess, one of the most enjoyable meetings of the Institute closed by singing God Save Our Splendid Men.

IN METHODIST CIRCLES.—Rev. T. J. Dienstadt has been supplying the Church at McAdam for the last few months. Though seventy-seven years have passed, his activities would tire many ministers who have not reached fifty years, says a correspondent to St. John Telegraph. The same writer says: Rev. Dr. Hertz, though not a supernumerary, is also among the veterans. He is conference evangelist in Nova Scotia, and is usually kept busy. He quite lately occupied the Stellarton pulpit in the interests of mission, and all the old time clergy was in evidence. Rev. W. Ryan, who is also among the fathers of the church, is active with the pen. He often appears as a writer in the Wesleyan. All these ministers have earned for themselves a good name as workmen needing not to be ashamed of their work.

The Wonder of the Musical World
—Music's Re-Creation.

Christine Miller, proving by direct comparison that her mellow, appealing voice is perfectly re-created by Mr. Edison's latest and greatest wonder—

The NEW EDISON
—The Phonograph With a Soul—
—The Instrument That Re-creates All Forms of Music.

The New Edison is the only instrument which will reproduce an artist's performance so perfectly that the reproduction cannot be distinguished from the original.

Some of the greatest artists of the musical world have already appeared in public, singing and playing in direct comparison with the New Edison. This is the supreme test of music's re-creation.

We will arrange a special Edison concert for you and your friends. Call or write us about it.
