Attention!

NEVER before have you seen or heard a radio like this. It is radio in name only. Actually it is a superb musical instrument which combines all instruments in one with a realism that is positively startling.

Gar Wood Breaks Kaye Don Record

WOOD, however, was not satisfied with his speed and announced after two runs over the measured nautical mile course that he would try to raise the record a mile an hour today after making minor changes in the hull of his boat.

No More Piles

Your itching, bleeding or protruding Piles will only go when you actually remove the cause—and not one minute before. External treatments can't do this—an internal medicine should be used.
