If Bad Water Causes Diarrhoea Use Some Nerviline. Prompt Relief Is Instantly Assured, and Thousands Use Nerviline This Account.

A Traveler's Experience Related. The experience of Mr. Norman P. Hendricks is not an unusual one. Writing from Prince Albert, he says: "My business calls me from one place to another, and I am frequently up against the bad water problem of the Canadian Northwest. In so many places the water disagrees with me, and I used to be kept very miserable on that account. An old settler told me one day that nothing is so useful to newcomers as Nerviline, and he explained to me how valuable it proved to him under similar circumstances twenty-five years ago. You would hardly believe how happy and comfortable my trips are since I learned of Nerviline. I look upon Nerviline as my trusty friend and give it a place of honor in my hand bag. In fact, I wouldn't think of being without it in a country like this. It cures any little stomach trouble or digestive disturbances and relieves a cramp in ten seconds. To cure Neuralgia, Earache, Toothache, or pain in your muscles like Rheumatism, you simply can't beat Nerviline."

To cure little ills before they grow big and to relieve the aches and pains of the whole family get Nerviline today. Family size, 50c; trial size, 25c; at all storekeepers and druggists, or The Catarhozone Co., Buffalo, N. Y.

The carriages this year are a complete change from anything shown here before, they have new tops made of silk, the same as used on automobiles and they are deeper and wider. They have ball-bearing wheels, which need no oiling—something that mothers ought to consider, besides the oil gets on the baby's clothes and is very hard to wash out. The prices are lower, consistent with quality. About 35 different styles now open for your inspection at prices from \$1.75 to \$25.00 each. Come in and look them over. James Paton & Co. 3-11M1f.

CLEANSE YOUR LIVER AND BOWELS WITH DELICIOUS SYRUP OF FIGS!

Foul breath, coated tongue, dull, throbbing headache, stomach sour and full of gases, indigestion, biliousness and a sallow complexion, mean that your thirty feet of bowels are clogged with waste matter; that these drainage organs of the body are obstructed; liver stagnant and stomach full of poisonous gases, sour bile and undigested, fermenting food not properly carried off. Most of our ills are caused by constipated bowels. We all need a laxative sometimes; nobody can doubt that. The only question is, which one is the best? and that isn't a question any more. Syrup of Figs, being composed entirely of luscious figs, senna and aromatics, must act in a harmless, gentle and natural way, Syrup of Figs can be constantly used without injury. Its action is the action of fruit—of eating coarse food—of taking exercise. It is a true and effective liver and bowel cleanser and regular. Most folks dread physic—they shrink from the taste and after effects. Syrup of Figs is delicious, and, besides, you don't realize you have taken anything until morning, when all the clogged up waste of the system is gently, but thoroughly moved on and out of the bowels without gripping or weakness. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna." This is the old reliable and only genuine. Refuse, with contempt, other "Figs" Syrup recommended as good. They are imitations meant to deceive you. Read the label carefully and look for the name California Fig Syrup Company.
