ANNUAL MEETING OF P. E. I. PUBLICITY ASSOCIATION

Excellent Reports by President Mr. Justice Arsenault and Secretary Mr. R. Tinney—Fitting Reference Made To Death of Mr. L. E. Prowse—Officers Elected For Ensuing Year.

The annual meeting of the Prince Edward Island Publicity Association, held last night in the Board of Trade Rooms, although not as large as might have been wished, was a thoroughly representative one, many leading citizens and business men being present.

Councillor Prowse replied and thanked the president on behalf of the family. He recognized the fact that his father was a strong supporter of the Publicity Association.

Supplementing his formal address, President Arsenault referred to considerable length to improvements which are still necessary in connection with railway accommodation, our ferry facilities, the raising of funds for publicity, etc.

On motion of Mr. A. A. Pomeroy, seconded by Mr. J. A. S. Bayer, the report of the Secretary was adopted, the mover and secondor complimenting Mr. Tinney very highly on the excellence of his report.

Mr. J. O. Hyndman in speaking of the reports just read strongly commended the suggestion to organize a Publicity Bureau. The value of such a Bureau he said would be very great.

Hon. Dr. W. J. P. MacMillan followed with very complimentary references to the addresses of the President and the Secretary Treasurer. He was obliged, he said, a few nights ago, to devote a portion of a political meeting to a defence of a statement made by a candidate in the forthcoming by-election to the effect that the Association had been given \$5,000 to encourage tourist travel which, he declared, was more of a nuisance than a benefit to the province.

Hon. Dr. MacMillan justified the grant of \$1,000 to the Association and considered it money wisely spent. This province, he said, was not as widely known as it ought to be and every effort should be made to give it wider publicity. He hoped for further improvement in the matter of railway accommodation.

The President, Hon. Justice Arsenault, referred fittingly to the loss sustained by the Association in the death of Mr. L. E. Prowse.

Miss Roma Stewart

Daughter of the Hon. Premier Stewart, K. C., who will be admitted to the bar of Prince Edward Island at the Supreme Court today—the first lady barrister to be so admitted.

Enthusiastic Meeting At Montague Last Night

The candidates of both parties now contesting the Third and Fourth Districts of Kings as well as several other speakers included Premier Stewart leader of the government and Mr. A. C. Saunders leader of the Opposition addressed a crowded audience last night in Montague Hall.

His Worship Mayor McKinnon acted as chairman and the best of good order prevailed throughout the three and a half hours the meeting lasted.

After having the question first put to him at every other meeting he attended Mr. Saunders at last gave his present opinion of the poll tax. He said that he believed in it but that since the people had rejected it he would never as premier of the province impose it upon them.

The election of officers was the next order of business and resulted as follows: Col. D. A. MacKinnon in very complimentary terms moved the reelection of Hon. Justice Arsenault as President. This motion was seconded by Mr. S. A. McLeod and carried unanimously.

The Secretary, Mr. Tinney was re-elected. Vice-President for Queens, H. C. Brown. Vice-President, Kings, Hon. J. A. McDonald. Vice President, Prince, Senator Creel McArthur.

Chairman Finance Committee Mr. S. A. McLeod. Chairman Publicity Dept., P. W. Clarkin. Chairman Attraction Com., J. A. McMillan. Chairman Housing Com., M. P. Titus.

A vote of thanks, moved by Mr. Tinney and seconded by Mr. Clarkin was tendered to the press for the valuable assistance given during the continuance of the Association.

Although our Association is still young I can congratulate you on the fact that it has already accomplished a great work. Two years ago a number of public spirited citizens, men of vision met to consider the advisability of forming an association whose object it would be to secure for this province a share of the tourists who every summer leave their homes to visit other states and provinces.

The prospects for the formation of such an association were not encouraging. It had been previously attempted and, although headed by energetic men, had failed. The reason for such previous failure was not due to the men at the head of the movement, but was owing to the lack of public support and to financial assistance.

An Association such as ours is in the nature of a business venture, not one that brings profit to the Association but one that is intended for the general benefit of the Province and to every individual therein. Being a business venture its success depends like all business organizations on proper financial backing. This financial aid should not be limited to the few, but, being in the interest of all, it should receive general public support.

This had been the trouble heretofore. The former associations (Continued on Page 3)

CITY COUNCIL NIFTY REVUE LAST EVENING SCORES AGAIN

The regular monthly meeting of the City Council was held in the Council Chambers last night with His Worship the Mayor, City Recorder and seven Councilors present, Mr. Moran being absent.

The minutes of the last meeting were read and adopted. A petition was read, signed by a number of citizens from Ward One asking for the privilege to use the City gravel yard as a skating rink during the winter months. After much discussion in which Councilors Yeo and Taylor spoke in behalf of the petition, it was unanimously decided to have Councilor Taylor look closely into the matter and make his report on Thursday night at the special meeting of the Council.

The feeling of the meeting was that some sort of an agreement should be drawn up that would be satisfactory to all concerned.

There were no committee reports, but Councilor Prowse, chairman of the finance committee, informed the meeting that the expenditure report for 1925 would be ready for Thursday night.

RESOLUTIONS The following resolutions were read and approved: Resolved that T. M. MacMillan and R. P. Forsythe be appointed auditors for the ensuing year.

Resolved that James Bradley be appointed Sanitary Officer for the ensuing year. There being no further business, the meeting adjourned until Thursday night next.

Assisted by Local Talent at Prince Edward Last Evening.

A fitting tribute in the form of a capacity audience was paid Frank Soper and his Nifty Revue last night at the Prince Edward Theatre, when the "Charlottetown Folies," composed of twenty pretty and winsome young local ladies, the Casino Orchestra and the regular Nifty Company and not forgetting Jed Maddigan the comedian, staged one of the best offerings of their lengthy engagement in this city.

From the rise to the fall of the curtain the bill was one great panorama of catchy songs, musical numbers, dances, dialogues sketches and dazzling costumes. It reminded one of the "bright lights" and the "gay white way" attractions that get away deep down in the heart of the amusement loving public. Mr. Soper is to be congratulated on last night's bang-up performance and tonight's bill, which by the way is a complete change with our local young ladies again taking part, promises to even eclipse if possible the entertainment of last evening.

The entire company were at their best last night, "Happy" McNally, Tom Delay and Ed. Soper had the audience in spasms in a laugh provoking sketch with "The Merry" and the short end of the beam; in fact one success followed another in rapid order. Among the hits registered was a song dedicated to the Oil hockey team and composed by Joe Doran—Tom Delay and Frank Soper making up the trio. Needless to say it went over big. Another feature of the bill was Betty Webber and Tom Delay in "The Fellow Who Kisses and Tells" and "Hon. Who Home" the latter with "Ladies at girls and shows." Ladies who has made many friends here with her beautiful voice, again proved a prime favorite in "The Kelly's Are at It Again," while Paul Picotte and Dolly DeMutt seemed to have no end to their splendid repertoire of dances. Last night these people held the audience spell-bound in a new execution of steps in a double waltz. The ease and grace with which they negotiated Soper's "The Tenor Voice" never heard to better advantage in "Summer Nights" He was repeated in a call amid hearty and sincere applause.

Bob McCharles' guitar melodies played with the art of a master hand was as usual equally well earned. The Raymond Overture played by the Prince Edward Orchestra under the direction of Mr. Ben Wagner made a decided hit and was fitting to the opening of the splendid show.

The Casino Orchestra under the direction of Mr. Albert Blanchard was much enjoyed. This bevy of musicians found popular favor with all hands.

The following Charlottetown girls are taking part in the musical revue: Mamie McCallum, Florence Fisher, Margaret Carr, Emma Gauthier, Eleanor Tanton, Lida Carr, Margaret Diamond, Annie Fleisher, Helen McDonald, Josie Jelos, Mary McDonald, Mae McLeod, Eva Bryant, Eleanor Williams, Mable Bennett, Annie Gorman, Dorothy McInnis, Eileen Meek. The above mentioned young ladies are to be heartily congratulated, not only on their chic appearance last night, but on the confidence they displayed, on their first appearance before the footlights.

BANDITS COMMIT TERRIBLE CRIME

Mexicans Rob and Burn Passengers on Train Bound for Mexico City.

(Canadian Press) MEXICO CITY, Jan. 11.—Mexican bandits yesterday committed one of the most atrocious crimes that Mexico has known in many days. Boarding a train at Guatemala bound for Mexico City, they murdered and robbed the passengers together with the majority of the military escort, wrecked the train and set fire to the debris.

Twenty bodies burned beyond recognition, already have been found in the tangled mass of ruins and it is feared that others are in it. Those of the military escort who were not killed were wounded.

The bandits made their escape on the engine which was drawing the train. MEXICO CITY, Jan. 11.—Fully fifty persons were butchered by the bandits who wounded and wrecked the Guatemala-Mexico City passenger train near Yucucaro in the State of Michoacan Saturday night.

The manager of the Bank of Montreal in Guadalajara was on board but was not injured. Penniless survivors stripped of all their belongings began arriving in Guadalajara today to tell a tale of sorrow unequalled in Mexico's criminal annals for years. No foreigners were killed they believe. The dead include most of the crew and numerous Mexican passengers.

First Mayoralty Contest For Past Ten Years (Canadian Press) FREDERICTON, N. B., Jan. 11.—W. G. Clark, President and General Manager of J. Clark and Son, Ltd., farm machinery dealers was today elected Mayor of Fredericton. It was the first civic election in ten years in which there was a contest for the mayoralty.

Heading a ticket which came out in opposition to Mayor R. L. Phillips and five members of the civic administration who sought reelection, Mr. Clark and his entourage were elected with a substantial majority on a platform of economy and reduced taxation.

DEBATE ON CONFIDENCE VOTE BEGAN YESTERDAY

The Attitude of the Progressives Still uncertain Mr. Carmichael Implying His Party not Anamoured of Liberal Death Bed Concessions

(Special to the Guardian) OTTAWA, Jan. 11.—Resuming the adjourned debate on the motion of Mr. Lapointe for the consideration of the speech of His Excellency the Governor General at the opening of the session and on the proposed amendment thereto of Mr. Meighen, the House assembled at three o'clock with the gallery filled to capacity.

J. S. Woodsworth, Winnipeg Centre—North, brought a motion asking to have the employment relief heretofore granted to war pensioners having less than a 20 per cent disability, which relief was cut out by an order-in-council dated November 28th, given back to them.

After several departmental reports had been tabled Mr. Carmichael, of Kindersley, took the floor. He said that the conditions in which parliament met were unique.

"Since the early days of confederation we have had only two parties in Canada. In 1918 we saw the birth of a third party whose importance today is beyond question. Under the British constitutional system it has been the custom to go by the majority rule."

"We have before us today a Prime Minister who is depending on the Progressives group, seven of which can defeat the government. If the Meighen amendment is carried, it means a vote of non-confidence in the government. It is clear that the Liberals were defeated in the last general election. Now the fate of the future government depends on the vote of the Progressives. We, at this end of the House, do not care for the 'sweets of office.' The two groups have two different policies."

"The Liberals in the speech from the Throne, mention the establishment of a new position, this is a distinct question for the West, but I distinctly recollect that when I was a member of the Banking and Commerce Committee, the members from Quebec did not favor the rural credits. Now of the present government, 61 out of the 101 Liberals come from Quebec. Is it a real contribution that they make to the completion of the Hudson Bay Railway. It is rather unfortunate for the government that we should remember happenings of the past when a division came on this question at the last session only 20 votes were cast in its favor."

"We are not a party, we only represent public opinion. In my constituency the Liberal candidate obtained 2,614 votes, the Conservative 1,218 and the Progressive 3,631 which means 2 to 1 against the Liberal candidates. It was a vote of non-confidence in the government. The Liberal proposition are very generous but will they be lived up to?"

R. S. White, (Cons.) of Mount Royal, declared that the Conservatives came back with greater strength. The government has been defeated in the country and therefore, should not retain office. He stated that the Minister of Justice, last Friday, did not bring forth single citation showing that a government with no Prime Minister had ever remained in power. In every case cited, there was a Prime Minister in Parliament.

"We have now a government lacking the proper channel through which to meet and consult with the Crown. The amendment before the consideration of this house is not an amendment upon party politics. It is a declaration on constitutional principles."

Mr. White then quoted Mr. MacKenzie King when he said at Richmond Hill, Ont., that a government without a substantial majority cannot continue in office when problems of national importance are so vital.

"The Liberals now promise everything to the Progressives to obtain their support. It is their political death bed repentance."

Hon. Lapointe—"The Hamilton speech for instance."

Mr. White—"This is not pertinent to the question."

A voice from the government benches—"How about Pateneau?"

Mr. White—"Mr. Pateneau supported the Conservative doctrine in Quebec and I must say that in that province the Conservative party is improving. We elected four members and we increased the popular vote by 100,000."

Mr. White related the story of an Irishman who had frequently engaged in fist battles with a French Canadian in Quebec City. One day the Irishman returned home with two black eyes and said to his wife "The French are improving."

Mr. Power—"In the Present case, who got the black eyes?"

Mr. White—"The candidate in North York." (Cheers and applause.)

Hon. E. M. MacDonald, was the next orator. The Minister tried to find the exact relation between Messrs. White, Pateneau and Meighen, and wondered where Mr. White stood himself. He cited excerpts from a speech at Victoria Hall, Montreal in which the member for Mount Royal said that above all he was a Conservative and had no master.

"A voice—"Tell us about Pictou."

"We took the proper constitutional course," continued Mr. MacDonald, "as we wanted to have the question of party supremacy definitely settled before going on with the session work."

"The Premier is the choice of the Crown. It matters not if he is absent from the House, as there is no statutory authority compelling the Prime Minister to have a seat in the House."

Mr. MacDonald went on by citing an article in the Montreal Standard in which the management declares that they have consulted the best legal opinions in Canada and Great Britain and all say that the government was perfectly justified in retaining office. He also cites articles in the Vancouver Province and the Montreal Gazette in which Mr. Meighen is reported to have said that if elected, he would put up tariff walls as high as those of the United States.

This was denied immediately by the leader of the opposition, Mr. MacDonald called upon the Progressives to vote against the amendment.

Hon. R. B. Bennett, Calgary West, said that parliament had met under circumstances without precedent in the British Empire and that the position taken by the government was altogether unconstitutional under British procedure. He stated that parliament consisted of the King, the Senate and the House of Commons.

The member for Calgary outlined the growth of cabinet responsibility and showed clearly that the Prime Minister must be a member of the House. He is no precedent on record to show that a session can go on with an acting Prime Minister. The premier should be here to be answerable to this House for the collective action of the government.

Mr. Bennett quoted several cases in Great Britain to prove that the position taken by the King government was unconstitutional. Mr. Bennett was still speaking when the House rose.

(Special to the Guardian) OTTAWA, Jan. 11.—The Progressive party emerged from a two hour caucus this morning, without having made any apparent decision on the non confidence motion of Right Hon. Arthur Meighen.

OTTAWA, Jan. 11.—The division on the amendment of non confidence in the government moved by Right Hon. Arthur Meighen, is not now likely to come till Thursday.
