RAIN IN BACK AND KIDNEYS.

People often say, "How are we to know
when the kidneys are out of order?"

The location of the kidneys, close as it is
to the small of the back, which is so
affected materially by other organs, renders
the detection of kidney trouble a simple
matter.

The note of warning comes from the back.
Backache is the signal sent out by the
kidneys the minute they become overtaxed.
Those who heed the warning when it first
comes usually have but little trouble. The
danger lies in delay. A few doses of

Doan's Kidney Pills
taken in time, often saves years of suffering,
and in many cases life itself.

They stimulate the action of the kidneys,
enabling them to perform their duty
perfectly.

Miss S. C. Fry, Room Secora, N.S. writes:
"For the past three years I have been troubled
with a very bad pain in my back and kidneys.
It was so bad it was impossible for me to stoop
or bend. I had several doctors attend me, but
found no relief until I picked up one of your
Kidney Pills. I took it and found it was
just what I needed. I am now well and
thank you for the relief you have given me."
Doan's Kidney Pills are 50 cents per box or
boxes for \$1.25 at all dealers or mailed direct
to Doan's Kidney Pills Co., Toronto, Ont.

**TO BE DYSPEPTIC
IS TO
BE MISERABLE**

**Hopeless, Confused and Depressed
in Mind, Forgetful, Irresolute,
Drowsy, Languid and Useless.**

This disease assumes so many forms that
there is scarcely a complaint which it may
not resemble in one way or another. Among
the most prominent symptoms are consti-
pation, sour stomach, variable appetite,
heartburn, water-brash, gas in the stomach
and bowels, distress after eating, etc.

BURDOCK BLOOD BITTERS
is a positive cure for dyspepsia, and all
diseases of the stomach, liver, bowels or
blood. It stimulates secretion of the saliva
and gastric juices to facilitate digestion, re-
moves acidity, purifies the blood and tones
the entire system to full health and vigor.

Mrs. M. A. McNeil, Brook Village, N.S., writes:
"I suffered from dyspepsia, loss of
appetite and bad blood. I tried everything
I could get hold of to no purpose; then finally
started to use Burdock Blood Bitters. From
the first day I felt the good effects of the
medicine. I can eat anything now without
any ill after effects and am strong and well
again."

MINARD'S LINIMENT CO., LIMITED.
GENTLEMAN.—My daughter, 13 year
old, was thrown from a sleigh and injured
her elbow so badly it remained stiff
and very painful for three years. Four
bottles of MINARD'S LINIMENT com-
pletely cured her and she has not been
troubled for two years.

**THE GUARDIAN
COVERS THE FIELD**

The Guardian covers the City and Province
within which it is published more
fully and completely than any other news-
paper printed in Canada.

With a daily circulation of the morning
and rural edition now about 8,000 and
growing from day to day, it has broken
all records for a daily publication in a
small community.

Charlottetown has a population of 12,000
and Prince Edward Island 108,000. The
Guardian's daily circulation is therefore
as 1 to 13 of population in the city in
which it is published, or 1 to 13 of the
population of the Province. This is, the
management believes, unequalled by any
daily newspaper published in Canada.

Take one or two comparisons with other
leading newspapers in other cities and
provinces.

St. John has a population of 40,000 and
the Province of New Brunswick 250,000.
St. John has five newspapers and among
these The Telegraph and The Star, are
perhaps the foremost. Each claims a cir-
culation of about 3,000, or say 1 to 5 of
the population of that city and 1 to 40 of
the population of the Province.

A HARD CASE OVERCOME

No longer necessary to suffer from
muscular rheumatism. Every case can
be cured. Rheumatism is unfeeling
and does not require to be subjected to
the benefit of Wm. Miller, Marshall
'urnals. The Globe's published daily cir-
culation is slightly under 50,000. That is
as 1 to 5 of the population of Ontario and
1 to 44 of the population of Ontario.

The point is this, that The Guardian
covers the field of its circulation three
and a half times as well, if compared
with population of the city, and over
three times as well, taking the popula-
tion of its Province, as the best New
Brunswick and Ontario daily newspapers,
and these are admittedly among the best
in Canada.

These facts are printed in no spirit of
boasting, but for the satisfaction of
Guardian readers and advertising patron
alike. They have a right to know how
completely their favorite Journal is em-
powered by the reading public among
whom it circulates and how completely
it covers the field as an advertising
medium in this City and Province.

Or again: Toronto has a population of

some 250,000. The Province of Ontario
about 2,225,000. The Toronto Globe is a
great Canadian newspaper, known all
over the world as one of the foremost
'urnals. The Globe's published daily cir-
culation is slightly under 50,000. That is
as 1 to 5 of the population of Toronto and
1 to 44 of the population of Ontario.

Afflicted with Rheumatism.

"I was and am yet afflicted with
rheumatism," says Mr J.C. Bayne, editor
of the Herald, Addison, Indian
Territory, "but thanks to Chamberlain's
Pain Balm an able once more to attend to
business. It is the best of liniments." If
troubled with rheumatism give Pain
Balm a trial and you are certain
to be more than pleased with the prompt
relief which it affords. One application
relieves the pain. For sale by all drug-

\$50,000,000 FOR ADVERTISING

"James B. Duke, the tobacco king
of Long Branch, New Jersey, recently
claimed in an interview that he had
spent more money in advertising than
any other living man. He said that the
figures would reach fifty million dollars."
—Newspaper.

"The same B. Duke is to-day one of the
wealthiest men in the world. When
you see a man advertising you see a rich
man. The business man who invests his
money in advertising is afraid to invest any
money in publicity will never accumulate
fortune."
