Like Grapes in September

Rich clusters of Black Hamburg Grapes, their skins tight to bursting with goodness—they're never so sweet as when they come in on the crest of their season.

Tea Too

It holds its goodness for a season, then loses it a little at a time. Last year tea is like last year grapes.

The new crop of tea has just been gathered in the gardens of India and Ceylon. And it's the most delicious for decades.

Blue Bird is the first to offer this new season tea to you. For Blue Bird being the fastest selling tea was first to dispose of the last season crop.

So every package of Blue Bird offers you the new crop of tender young tips and baby blossoms. Want a right royal cup of tea, right to your taste? Ask for

Lidstone of Tynes Valley accompanied by Messrs McDonald and Sharpe, the latter the youngest son of Mr. Sheldon Sharp was taking home a load of fire wire. They were going at a good pace along the straight road by Mr. George Ballams farm, all riding in the front seat when without the slightest warning one of the front wheels came off, the car turning completely over in the roadway and then did a further somersault in the ditch. Messrs McDonald and Sharp miraculously escaped with only a few bruises but Mr. Lidstone suffered a bad fracture of the leg between the ankle and the knee, from which was considerably damaged.
