MEET WILL BE BIGGEST HELD IN DOMINION

Two Hundred British Athletes Expected to Enter Games at Hamilton.

SAINT JOHN, March 12.—Enthusiasm over the prospects of having a large British representation of athletics at the British empire games to be held in Hamilton next August, M. M. Robinson, of Hamilton, chairman of the management committee of the games, arrived here yesterday from England on the S. S. Montcalm. "Not only am I sure that we will have about 200 British athletes at the games but I feel confident that the big meet will be the greatest gathering of its kind Canada has ever known," said Mr. Robinson. "Besides Canada and the British Isles we will have representatives of Australia, New Zealand, South Africa, Bermuda, British Guiana and Newfoundland, in all gathering of about 1,000 outstanding athletes." Efforts, he said, are being made to have separate teams represent England, Scotland and the Irish Free State, but if this does not prove possible there will be one large team representative of England, Wales, Scotland and north of Ireland, as well as a team from the Irish Free State. About \$50,000 will be required to bring the British athletes to Hamilton and back and a competent committee of Britishers is undertaking the raising of this amount. The British athletes will compete in track and field events, also rowing, swimming, boxing, wrestling, soccer, lawn bowling and lawn tennis.

Mr. Robinson said there was a possibility that a British track team would visit Boston or New York for competition following the games at Hamilton.

'Side Defeats Alberton 3-2

A very interesting game of hockey was played at Summerside on Tuesday night between the Second Regals of Alberton and the Rangers of Summerside, the Rangers beating the Regals by the score of 3-2. The game, which was played on a wet and sticky surface, was quite fast considering the ice. In the first period Rayner notched Alberton's first goal unassisted, being followed in the scoring column by Pritchard of Summerside, who scored on a pass from Cahill.

In the second period Cahill notched the Rangers second goal on a beautiful shot from the blue line. Shortly after MacKinnon slammed a loose puck into the Regals net, for the Rangers third tally. The Rangers not yet beaten, worked hard and finally succeeded in beating Lefurgy when Gordon slammed in a loose puck from his wing.

Table with columns: Rangers, Regals, Goal, Defense, Ahearn, N. Prichard, Campbell, Rayner, Profit, Purdy, Subs, Gordon, S.

AWAY DOWN SOUTH

Flashes From The Spring Training Camp.

CLEARWATER, Fla., Mar. 12.—Outfielder Babe Herman was left as Brooklyn's only real holdout yesterday when infielder Eddie Moore sent word to Manager Wilbert Robinson that he would arrive in camp today.

Glenn Wright showed no signs of weakness in his throwing arm in today's practice game when he handled nine chances at shortstop without an error. He took part in two double plays.

FORT MYERS, Fla., Mar. 12.—The Philadelphia Athletics regulars defeated the Yannisians yesterday in the first practice game staged by the world champions. The game lasted six innings and the score was 8 to 1. Roger Cramer, rookie centre fielder, hit a home run off Grove and a single and made three diving catches that cut off runs.

BRADENTON, Fla., Mar. 12.—Pitcher Carmen Hill, purchased by the St. Louis Cardinals from Pittsburgh late last season, demonstrated in yesterday's workout that he has fully recovered from a twisted back which handicapped him last year. After working out for 30 minutes, Hill pitched to the batters in practice, showing his fast ball, fade away and curve. The only absent players are Frankie Frisch, Flint Rhem, Chick Hafey, Syl. Johnson and Peter Fowler.

ST. PETERSBURG, Fla., Mar. 12.—Red Rollings, Boston Braves re-entrant infielder, featured yesterday's practice game with his heavy hitting. The game was won by the regulars, 4 to 1. Rollings has temporarily displaced Fred Maguire as the Braves regular second baseman.

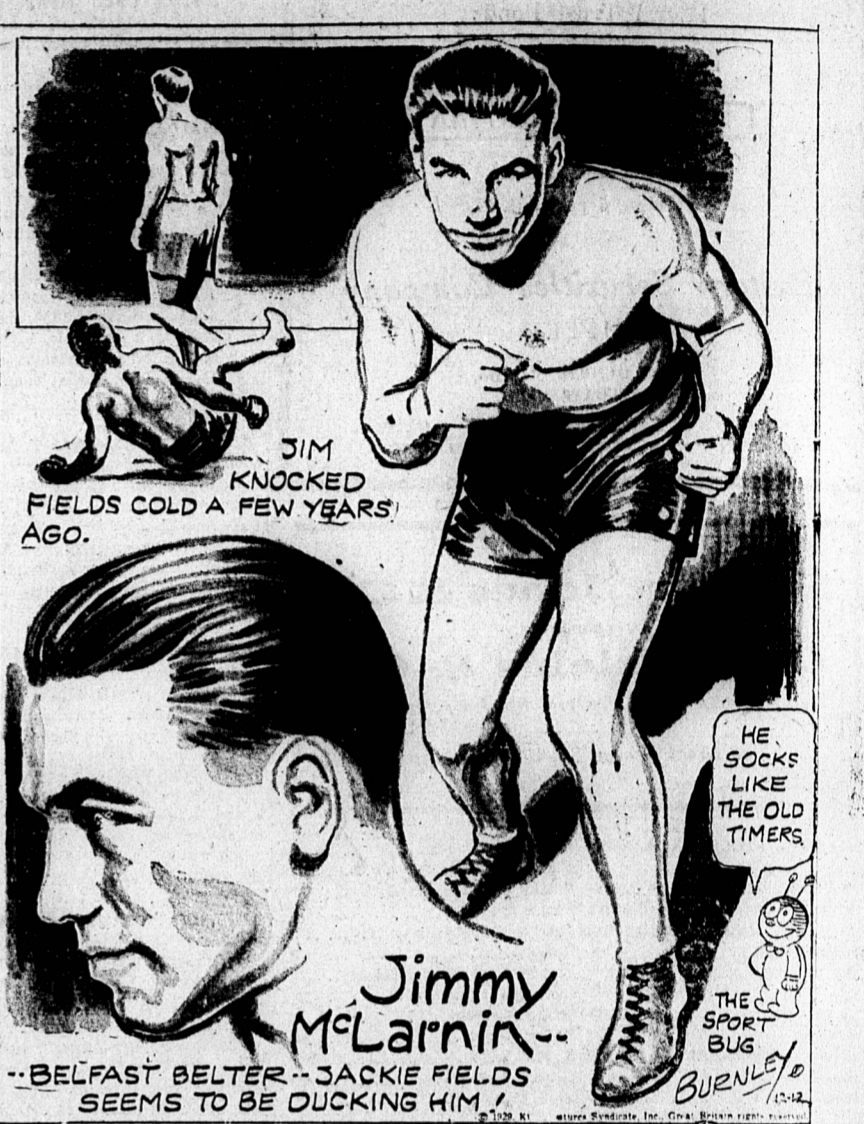

Randy Moore, outfielder who led the Texas league in batting last season, has been shifted to third base and may be used at that position against the Yankees in the opening exhibition game Saturday. Socks Seibold performed the best on the mound yesterday, allowing only two hits in four innings.

perance Advocate as speedily as the executive will find it convenient. The matter of editorship was left to the executive. On motion of G. F. Hutcheson, seconded by Mr. Brace the Temperance Alliance expressed their appreciation of the work of the chairman of the Prohibition Commission and that of the staff of inspectors under him.

A letter was read from the Canadian Temperance Federation stating that Premier King introduced a bill touching the export of liquor. The forecasts seem to be that the bill will carry. The secretary was requested to send the following telegram to Premier King: "The Temperance Alliance of Prince Edward Island in annual meeting assembled passed an unanimous resolution deeply appreciating the introduction of a bill touching the export of liquor, and trust it shall pass both houses of parliament."

The only factor apparent to hinder the passing of the bill is the danger of it being defeated in the Senate. Members of the Alliance were urged to write letters to the local representatives in the Senate to influence them if possible in the desired direction. Mr. George Barbour gave a statement on what the department is doing for coast protection, and informed the Alliance that a new boat is in the course of construction and will be placed at Souris, and will take charge of the North Shore of the island. Mr. John Anderson, Dr. Houston, Mr. Dewar and members of the W. C. T. U. spoke on the subject of temperance education. The report of the committee appointed to consider communication from the W. C. T. U. was allowed to stand over till a later date. Among the Liberal members of the Legislature present were Hon. Peter Sinclair, Hon. B. W. LePage, Mr. Horace Wright, Mr. Lucas Allan, Mr. R. H. Gordon, and Mr. Angus McPhee. Rev. W. R. Harding, Summerside, was unable to be present to deliver an address for which he was scheduled. Nearly 100,000 men are now working in coal mines of Czechoslovakia.

What Ho! a Gr-r-rudge Fight

JIM KNOCKED FIELDS COLD A FEW YEARS AGO.

BELFAST BELTER JACKIE FIELDS SEEMS TO BE DUCKING HIM!

Jack Hood, Fields' friends point out that Jackie simply is taking on "the Corbett kid" as a tune-up for the Hood bout and another in Paris with Len Harvey, European welter champ. As Gig Rodney, Fields' pilot, put it soon after signing for the Washington Birthday's bout: "If that ambitious southpaw really makes this a grudge fight, the champ will make his spanking so sound that Corbett will wind up asleep long before the tenth round." And the "Sport Bug" might add: "Well, here's hopin' this isn't one of those grudge fights that all but put everyone present to sleep!" Copyright, 1930, King Syndicate, Inc.
