ALL NEWS OF LOCAL INTEREST

CITY TAXES.—Citizens are reminded that the time has now arrived when all City Taxes should be paid as they are overdue. Executions are being issued daily for Poll Tax, and lists will be prepared shortly for publication for all unpaid Real Estate Tax.

A VERY large number of passengers have taken advantage of the cheap Autumn excursion rates to Boston via the Plant Line. The popular steamer "Halifax" is now performing the service and the excursion tickets will be issued until Oct. 27th.

The various committees in charge of the sale which is to be held in the lecture room of the First Methodist church on Dec. 4th are busy preparing beautiful and ornamental articles for Xmas gifts. Friends who have promised donations of materials for fancy table will kindly send them as early as possible to Mrs. George Stanley.

St. Dunstan's College footballists will play St. Francis Xavier's college team at Antigonish on Thursday, Thanksgiving Day. The S. D. C. team leave for the scene of action tomorrow morning and return Thursday evening. Following is the line up:

Full back—Ed Blake.
Half back—R. A. Donahoe, F. McDonald, Sam Doyle, Jas McPherson.
Quarter Backs—J. J. Gillis, A. Doyle.
Forwards—D. A. McIntyre, D. P. Croker, A. B. McInnis, Maurice McDonald, Arch D. P. Croker, A. B. McInnis, Maurice McDonald, Arch D. Gillis, W. E. Cameron, Captain: R. P. H. McDonald pare.

NORTH TRYON JOTTINGS.—Potato digging has arrived and the "spuds" are yielding well. Threshing is almost over but many fish stories are still to be told about the immense returns of oats. One gentleman, of repute, who threshed last week, states that his oats turned out one bushel and a half to a stock. This was from a grand crop of standing grain in the harvest field for it stood five feet high and yielded fifty stock to the acre.—The jolly faces of our soldiers boys, George Kitson and Jas. Muirhead, who have been doing garrison duty for the past three years in Halifax, gladden their many friends.—The whistle of Charles' new steam engine sounded for the first time on Monday.—The water power which was found to be not powerful enough to manipulate the new roller process, has been done away with and Mr. Ives has a steam engine. Too much credit can not be given to Mr. Ives' zeal and vim in making headway against obstacles, in building a flour mill second to none on the Island during the past season.—Rifle practice is still going on at our rifle range. Good work is being done and possibilities made at various ranges. Frank Long made a possible of 95 at 400 yds range on Thursday, while Cap. Bunt made 31 at the same distance. Fuller returns will be handed in within a few days.—Our local sportsmen, Messrs. Lucious Crue, Summerside and Hamilton Gamble, Tryon, are scouring the forests in search of game. Anything from squirrels to bears are being looked for. But if our cracker Jacks come across the latter, we advise them not to climb a tree.—Mr. and Mrs. Henry Dawson are visiting their daughter Mrs. E. S. Dodge in Boston.—Mrs. Michael Quigley of Kildare is spending a few days in this vicinity visiting Miss Ida Dawson.—Miss Martha Muirhead of Summerside formerly of Tryon, has returned home, after spending her holidays in this village.—Our little friend, Max Lefurgy who had his leg broken a few days ago, is recovering as fast as can be expected, Doctor Robertson of Crapaud is in attendance.

VALUABLE ADVICE TO RHEUMATICS.
Eat meat sparingly, and take very little sugar. Avoid intoxicants, keep away from dampness, drink water abundantly, and always rely on nerville as a quick reliever of Rheumatic Pains. Being five times stronger than ordinary remedies. Nerville's power over pain is simply beyond belief. It cures also Sciatica, Lumbago, Neuralgia, and all pain, whether internal or external. Large bottles, price 25c.

In another column will be found the card of Patterson Downing Company, commission merchants of St. John, Newfoundland. This firm which is one of the most progressive of St. John's is soliciting consignments of P. E. Island produce. All correspondence receives prompt answers while cargoes forwarded are carefully and quickly disposed of. Island produce is meeting with good demand in the Newfoundland market this year and the Guardian predicts as busy fall in the handling of Island produce by this up-to-date firm.

Another change has taken place in the staff of the C. P. R. on the North Bay division. Wm. Hewitt, a long resident of North Bay, but a few months ago transferred from conductor to trainmaster, has been transferred from this division to the west, with headquarters at Medicine Hat. He left on Monday night for the west, and will be much missed by the boys. Mr. Hewitt is succeeded by J. H. Hughes, who has for many years been a conductor of high standing, running out of North Bay. Honor and recognition is apt to come to the deserving, and those who have become acquainted with Mr. Hughes will understand why he has been selected to fill so important a position. The management, who have a keen watch over the service, quickly observe the merits of a man, and we think in this case it will prove that their judgement has not been misplaced, but the travelling public will miss Harry's genial form and familiar call "Tickets." North Bay Times Mr. Hughes referred to above is the son of our friend George A. Hughes of the P. E. Island Railway.

CATARRH OF THE STOMACH

A Pleasant, Simple, but Safe and Effectual Cure for it.

Catarrh of the Stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headache, sickle appetite, nervousness and a general played out, languid feeling. There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a silmy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be rapidly, thoroughly digested before it has time to ferment and irritate the delicate mucous surface of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanston the safest and best treatment is to use after each meal is a tablet, composed of Diastase, Aseptic, Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. R. S. Workman, Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge there from passing backward into the throat reaches the stomach, this producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I can not find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, Catarrh of stomach, biliousness, sour stomach, heart burn and bloating after meals.
