French, English Stand Together Godbout Says

QUEBEC, Jan. 1.—The dawn of 1940 finds the French and English mother countries of Quebec's people standing together in support of a common cause. Premier Adolphe Godbout said today in a New Year's message. The united strength of Britain and France daily is "being brought to bear more heavily, with telling effect, on sea, land and in the air," said Mr. Godbout. The Allied armies are being "held in leash, ready to strike the fatal blow," he added.

North America Life Appointments

D. E. KILGOUR

F. A. ROLPH

A. J. MITCHELL

C. L. BURTON

W. M. ANDERSON

David E. Kilgour, M.A., A.I.A., F.A.S., whose appointment as President and General Manager of North America Life Assurance Company was announced by newly-elected Chairman of the Board, Frank A. Rolph, President, Rolph-Clark-Stone Limited and Chairman of the Board of the Imperial Bank of Canada.

C. L. Burton, President, Robert Simpson Company Limited, was elected a Vice-President along with A. J. Mitchell, President, A. J. Mitchell and Company Limited. W. M. Anderson, F.A.S., A.A.I.A., was appointed Assistant General Manager.

TORONTO, Dec. 29.—David E. Kilgour, M.A., A.I.A., F.A.S., widely known Canadian insurance executive was elected president-to-day of the North American Life Assurance Company, the firm with which he began his business career 39 years ago as a junior clerk. Announcement of Mr. Kilgour's appointment to fill the vacancy created by the death of the late Thomas Bradshaw was made by Frank A. Rolph, chairman of the board of North American, whose election to that office was voted at the same meeting of the directors. Mr. Rolph, who is chairman of the board of the Imperial Bank of Canada and president of Rolph Clark Stone of Toronto, has been vice-president of North American since 1933.

Election of Mr. Kilgour to the presidency of the company retained at his head a man who first entered business with it. Mr. Bradshaw, who started as office boy when the company was founded, became the president under whom North American became mutualized in 1931, the first Canadian company to undertake the action which placed its ownership in the hands of its policy-holders. The new president first joined the company in 1900, after a brilliant career at the University of Toronto where he was scholarship holder of his year in mathematics. At that time the Company's insurance in force totalled only \$25,000, 000 of business and its clerical staff about 25 people. It had recently

moved from the Nanning Chambers to the old United Empire Loyalist Building on King Street. This building was torn down in 1931 to make way for the present Head Office Building on King Street which was completed in 1932. In 1907 Mr. Kilgour was elected actuary, and in 1928 he assumed the office of manager which he continues to fill. He is widely known among insurance executives, as a writer on insurance and financial subjects and as a member of the executive of such organizations as the Actuarial Society of America and Canadian Life Officers' Association. But he is also widely known in other spheres. Among farmers and breeders of livestock Mr. Kilgour is known for his contributions to scientific farming, an activity which developed from an earlier interest in horticulture when his name appeared often among the exhibitors and prize-winners at many shows. In recent years he has devoted his attention to his farm at Georgetown where he specializes in the raising of purebred stock. During his student days he was a proficient fencer and cricketer, and later was a golfer of note, but he forsook these pastimes to give his entire spare-time attention to his farm. "The company is fortunate to have such an excellent man as Mr. Kilgour assume the office formerly held by many outstanding men," said Mr. Rolph in announcing the election. "He is well qualified to carry on the splendid traditions laid down by the company's

founders, among whom Hon. Alexander MacKenzie, Sir Oliver Mowat, Hon. George Brown, Sir William Meredith and Edward Blake." The Company's first President, Hon. A. MacKenzie said, "Our endeavor has been to make this a thoroughly solid and safe company. I know that many of my personal friends are among its early policyholders and I rejoice to be able to say to them today that the solidity of this Company is not exceeded by any other on this continent." The Company's seventh President will no doubt continue the policies which have made North American Life solid as the Continent throughout its 58 years. In addition C. L. Burton, President of The Robert Simpson Company Limited was elected a vice-president along with A. J. Mitchell, president of A. J. Mitchell and Company Limited. To share the duties which Mr. Kilgour will continue to bear as general manager, Mr. Rolph announced the election of W. M. Anderson, F.A.S., A.A.I.A., to the office of assistant general manager. Mr. Anderson who is well known as a writer on insurance matters and has addressed many important groups in Canada and the United States, joined the company in 1926 as a junior clerk and was elected supervisor of field service in 1928. Mr. Kilgour, who resides in Toronto, is a son of the late John W. Kilgour of Guelph. He is married
