"Imitation is the Sincerest Form of Flattery".

MINARD'S LINIMENT

has extraordinary merits, and is in good repute with the public, in that it is EXTENSIVELY IIMITATED. The Imitations resemble the genuine article in appearance only. They lack the general excellence of the Genuine.

This notice is necessary, as injurious and dangerous imitations, liable to produce chronic inflammation of the skin, are often substituted for MINARD'S LINIMENT by Dealers, because they pay a larger profit.

They all Sell on the Merits

and Advertising of

MINARD'S.

One particular claiming to be made by a former proprietor of MINARD'S LINIMENT, which simply is a lie.
