URBAN STOCK COMPANY SEPT. 25th.

WILL OPEN A FOUR NIGHTS' ENGAGEMENT AT THE PRINCE EDWARD THEATRE

ON MONDAY NIGHT "DRIFTWOOD," TO BE THE OPENING PLAY.

The Urban Stock Company, headed by Miss Marion Johnston, will commence a weeks engagement at the Prince Edward Theatre on Monday evening September 25th, in that wonderful and much discussed sex problem play, "DRIFTWOOD." It is a most interesting play, especially at this time when particular attention is being devoted to the great question of how to safeguard unprotected women who are obliged to earn their own living, often in pursuits that hardly are remunerative enough to furnish the plain necessities of life. There is an engaging fascination in the contemplation of an every day question, such as is said to constitute the plot of this play. Other plays to be produced during their engagement here will be "OLD HOMESTEAD," "THE SINGERS," "NEARLY MARRIED," "THE OPEN WINDOW," "GIRL HE COULDN'T BUY."

Four high class vaudeville acts will play a prominent part in this Company's performance, and there will be no long tedious waits between the acts. Every moment from the time the curtain rises on the first act until it falls on the last, will be taken up by the plays and the vaudeville acts. All specialties will be changed at each performance. Seats now on sale at Theatre Friday morning at 10 o'clock. 2138.

CAPTAIN MARY PLUMMER SEEKS CHRISTMAS CHEER

Mrs. R. Kaneen, President of the R. C. Society at St. Peter's Bay has sent the following letter which speaks for itself.—Canadian Field Comforts Com. Moore Barracks, Shorncliffe, Dear Madam,—I write to ask your help with our Xmas fund. We received last year from the friends of our soldiers a gift money to send a small Xmas gift to every man at the front. The letters received in return show that they gave an amount of pleasure the little parcel for each man with its evidence of thought and care and its Xmas greeting, was universally appreciated and we wish to repeat the gift this year. It is to be expected that Xmas gifts will be sent to many units from their home towns and to many in individual soldiers by the personal friends. We will willingly and gladly take charge of and forward these gifts or attend to the purchase and despatch of special gifts for which money is sent. But we wish in addition to send one little gift to every man at the front so that no one may lack a Xmas greeting. It must be remembered that some units are drawn from all over Canada and rarely receive comforts from home, as do those that belong to one place; also the battalions that are broken up here and scattered into so many and various units at the front that it is impossible to send to them as a whole. Only a general distribution will ensure that no one is overlooked. We are asking for \$10.00 for this purpose, as we shall require at least 100,000 parcels. We shall send whatever we can buy to best advantage; a handkerchief, some good chocolates or cigarettes, a Xmas card, etc. Our kind friends in Folkston will again undertake to make up the parcels, one for each soldier. The purchase, the packing and the transportation all take time and it is necessary that the money shall be in our hands early in November. Please help us with this if you can and either send a subscription now or read our pledge carefully and see if you cannot sign yourself of interest to your friends or your society to do so for one of the Xmas' stated. We should like your welcome promise immediately and the money as soon as possible. Yours faithfully, MARY PLUMMER, Capt. C. E. C. C.

"SIDMOUNT" FOR SALE

I will sell by private sale the desirable City farm "Sidmount" bordering on North River Road within twelve minutes walk of the Post Office.

City and Country Meet

This property has the double distinction of being a City residence with all modern conveniences—electric light, city water and sewerage—and enjoying the seclusion of the country.

Fine Old Residence

The residence, originally the home of the late Judge Peters, is large, with large, airy well lighted rooms, electrically lighted, open fire places in living room, dining room and drawing room, and the whole building heated with a hot water system installed three years ago.

The Grounds

The grounds are beautifully laid off with drives, walks, shady groves, and the avenue from the road to the residence, shaded with magnificent English limes and native birches has the reputation of being one of the most picturesque in the province.

18 1-2 Acres Prime Land

The farm consists of 18 1/2 acres of land, all in an excellent state of cultivation. There is a fine orchard of about 400 trees consisting of apples, plum, cherry and pear. There is also half an acre under strawberries, and several acres under vegetables, an area that can be increased at will to meet the demands of the market.

Frontage and Location

This magnificent property fronts on the North River Road, is in the midst of the best residential portion of the City, five minutes walk from the famous Inkerman Shore, its picturesque summer bungalows and fine bathing beach.

Persons desiring to see the property and talk business will find me at The Russ between 9 and 12 o'clock during the three days of the Provincial Exhibition, September 26th, 27th, and 28th or may communicate by letter or phone in the meantime to the address herewith.

YOUR WATCH IS RIGHT

or wrong; there isn't any middle ground. Thousands of men are carrying inaccurate Watches, because they don't stop to think what a serious matter a Watch that's fast or slow really is.

We can tell you in a minute what the difficulty is. It may be that your Watch needs cleaning; it may merely need regulation. If you want your Watch to be accurate and wear well it should be cleaned at least once a year.
