SOMETHING NEW IN RAINPROOF COATS

We have just received a beautiful and stylish range of ladies' showerproof coats, which are the newest idea in medium priced garments, being very fashionable in American as well as Canadian Cities they are of the celebrated "Hydegrade" Cravennette, exceedingly light in weight, rain proof and serve also as dusters. Besides they are extremely dressy in appearance, and are equally appropriate for rain or shine. Just the ideal coat for ladies driving to and from the beach in summer, or for a light dressy wrap or evenings or cool days.

We have them in navy, brown, champagne and grey, beautifully made and finished with contrasting collar and cuffs at \$7.50 and 10.00 each. We invite the ladies to see these.

Heatherbloom Taffeta Petticoats

We have just sent in a repeat order on these popular garments which bid fair to altogether supplant silk as they possess the wondrous beauty and sheen with the same swish and rustle of the finest silk taffeta at one half their cost, and three times their wearing qualities.

These beautiful garments come in black white and all the leading shades, are not effected by washing and can be had at a variety of prices from \$3.15 and up. The quality of the material is the same in all the difference in price being due to the style and finish of the garments, many of which are most elaborate.

Heatherbloom Taffeta by the yard

We have the same charming and widely known fabric by the piece also which is shown for the first time in this City on our counters, and to be had exclusively here. It is superior to silk for petticoats waist or coat linings, or as a lining for sheer fabrics, such as Voile, Grenadine etc, no matter how elegant you desire them to be, and is by far the most satisfactory both in appearance and wear at one third its cost. It is 36 in wide, in black and all the popular shades and costs 50 cts a yard.

It has just the soft finish and rustle that style demands, together with the soft silky finish that appeals to cultivated tastes. So there are inferior imitations, safeguard yourself by insisting on seeing the trade mark "Heatherbloom" stamped on every yard.

Canadian wall-paper factories introduced the flat price system of selling wall paper and borders for the same price over one year ago. Immediately upon this action of the factories this store commenced selling borders at the same price as sidewalls—months before any announcement of the fact was made—thus introducing this great improvement.—Moore & McLeod. 5-30 drw

THE CALL of the HOUR

Ring Out the Old--Ring in the New

Stop working for a small salary, and start earning a large one. Get the Salary Raising Spirit—Make the Move To-Day. You have been working long enough for a small salary and it is time you were earning more. You cannot afford to wait longer for an education that will advance you to a Better Position and a Better Salary.

If you had commenced a course when you first thought of it, you would have finished it by this time and you would be earning a larger salary.

DECIDE NOW—DON'T PROCRASTINATE

Procrastination is a thief of time—Time is Money You are Losing Money every day that you let Procrastination get the best of you. The argument is simple--if you were studying you would not be spending so much money and besides you are not preparing to earn more. The Candle Burns at Both Ends.
