Whatever the needs of a home may be one of the greatest is good stoves. With this important fact in view Thomas Wilkinson of Alberton has endeavored in selecting his winter stock to get the best made and most suitable stoves for burning either wood or coal, and now has a full line of stoves and ranges to choose from. The names of the different makes may be seen in his ad, which appears elsewhere. Furniture is also an extensive line and the wants of the home can be well supplied with up-to-date furniture at low prices.

DROPPED ALL OTHERS.

"I dropped all liniments but Nerviline because I found Nerviline the quickest to relieve pain," writes E. S. Denton of St. Johns. "If my children are croupy or sick Nerviline cures them. If a case of cramps or stomach ache turns up Nerviline is ever ready. We use Nerviline for neuralgia, rheumatism and all kinds of aches and pains; it's as good as any doctor." The great Canadian remedy for the past fifty years has been "Polson's Nerviline"—nothing better made.

THREE JURORS CURED

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler of Hightower, Ala. relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some soured meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the box I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one twenty-five cent bottle cured the three of us." For sale by all druggists.
