Several enthusiastic members of the Alberton Western Aid assembled recently at the home of Mrs. A. E. McCue, also at the home of Mrs. William Leavitt, where a considerable amount of sewing was accomplished. The "Aid" plan on selling all articles (made at circle, also donated) at the West Prince Exhibition this coming fall. The ladies in charge feel very grateful towards all those who are so kindly helping at the present time, and are also hoping that many more will help or contribute towards this worthy work.
