Decision to organize the Charlottetown Community Concert Association was reached yesterday afternoon at a well attended meeting of the Charlottetown Music Club, the Rotary and other musical clubs, Gyro Club and other organizations and individuals. A committee was appointed to select and elect officers and a board of directors. Those named were Mr. Sydney Fielding, chairman; Mrs. J. A. Lawson, Miss Lillian McKenzie, Mr. Percy Williams and Mr. G. F. Hutchison.

The object of the Association is to bring good music to Charlottetown. The organization was moved by Mr. K. M. Martin, seconded by Miss Lillian MacKenzie, and unanimously endorsed.

At least three major concerts, at which leading artists will appear, will be brought to this city annually by the Association with the only cost a comparatively small membership fee.

The meeting was addressed by Mr. E. F. Merrill, representative of the Community Concert Service, with head office in New York and Canadian office in Toronto. Mr. Merrill explained the purposes of the body and aided with suggestions for organization.

The club here will be the fourth in the Maritimes, the others being in Halifax, Saint John and Moncton. The membership campaign here will be in the spring for the first time next fall.

The committee will meet on Thursday.
