PARALYSIS

The Dreadful Result of Neglected Nervous Diseases - Study the Symptoms.

Dr. Chase's Nerve Food

Prevents and Cures Paralysis by Restoring Wasted and Depleted Diseases.

To understand paralysis and its cause it is well to remember that every movement of the body or its members is due to the contraction of muscle, which can only take place under the influence of nerve force.

As this all-important nerve force is created in the nerve centres of the brain and spinal cord, and conducted along wire-like nerve-fib. the various parts of the body, any derangement of the brain, spinal cord or nerve fibres may result in paralysis or loss of the power of movement.

Paralysis, then, is the natural result of all neglected nervous diseases. If you find yourself nervous and irritable, over-sensitive to light, sound and motion, addicted to continual movement or tapping of the fingers, twitching of the muscles, sudden starting and jerking of the limbs during sleep, if you have nervous headache and dyspepsia, are unable to sleep or rest, feel downhearted and discouraged, and unfit to fight the battle of life; if your nerves are weak and exhausted and your blood thin and watery, you have every reason to fear paralysis of at least some part of the body, and consequently suffering and helplessness.

Paralysis can always be prevented and partial paralysis actually cured by the timely use of Dr. Chase's Nerve Food. The time to begin treatment is when any of the above mentioned symptoms become apparent. These are indications of a degeneration of the nerve cells, and when nerve force becomes exhausted paralysis is bound to follow.

Dr. Chase's Nerve Food acts on the system in an entirely different way to ordinary medicines. It is neither a stimulant to help tired nerves to renewed activity, nor a narcotic, nor opiate, to deaden the nerves. On the contrary, it is a food cure which forms new, red corpuscles in the blood and creates new nerve cells. Every day it is bringing back health, strength and vitality to scores and hundreds which have become discouraged through the failure of doctors and other treatments to cure them. 50 cents a box at all dealers, or Edmanson Bates & Co, Toronto.
