(From yesterday's Evening Guardian)

On Friday evening, June 28th, a large number of the ratepayers and people of Bangor assembled at the home of Mrs. Wm. Jardine to say "Au revoir" to the teacher, Miss Minnie Lavers who taught so successfully in the school for the past two years. The house was daintily decorated with cut flowers and June roses. In the early part of the evening Miss Lavers was taken by surprise when, on behalf of the ratepayers expressing her appreciation of her kind and helpful work, she was presented with a beautiful writing case which showed the good will existing between the teacher and the people. The address was read by George Grant and the writing case presented by Miss Minnie Jardine. Miss Lavers although taken completely by surprise, replied in a few suitable words expressing her appreciation of the kindness and thank them one and all. The evening was pleasantly whiled away with social games and music; a number of favorite selections on the graphophone were rendered by Herbert Stewart, Milburn. During the evening Miss Lavers and Mr. Carleton, Charlottetown, sang very beautifully a number of vocal duets, the accompaniments being played by Miss Bertha Campbell, Charlottetown. At about midnight luncheon was served and after bidding Miss Lavers goodbye and wishing her every success the company dispersed thus bringing to a close a very enjoyable evening.
