

Gibb Says England Will Soon Elect Tariff Party

Noted Port Authority Says Conservatives Will Deal With Intra-Empire Trade—Describes Canadian Policy As Sound.

MONTREAL, Sept. 2.—Canada's policy of going ahead in Empire trade, framing trade agreements with Australia, the West Indies and South Africa, even though she may have to wait for a tariff agreement with Great Britain, is absolutely sound, according to Sir Alexander Gibb, G.B.E., the eminent engineer who has been commissioned by the Dominion Government to report on Canada's harbors. Sir Alexander had first hand experience of many parts of the Empire, and is on solid ground when he talks about Imperial trade.

"The trouble is not with you here in Canada," Sir Alexander said, referring to Intra-empire trade. "It is with us in Britain. I mean that we have got to have a tariff. And it is coming."

To Reduce Dole

The eminent engineer believes that the present National Government in Britain has been put in merely "ad interim," to reduce the burden of the dole. The inclusion in it of Hon. Philip Snowden (does not mean) that Britain has postponed the tariff issue indefinitely. "After this Government there will be an election, a Conservative Government will come in, and we shall have a tariff. Then we can talk about Empire Trade."

"I was never so hopeful as now about trade between Britain and Canada," added Sir Alexander Gibb. "I used to think the trouble about trying to sell British goods was that our costs of production were too high. I am now convinced that we can and do produce many lines not only better but cheaper than our foreign competitors in your market."

Sir Alexander, from his own experience, believes that there is a market here for electrical machinery, steel work and automobiles. He also thinks that there is something in the idea of taking a leaf out of the American book and establishing British assembling plants here in Canada.

Thus a British car would become a British-Canadian car, the product in part of Canadian labor and enterprise, just as American cars made here are Canadian-American cars. Sir Alexander is also inclined to agree that British exporters to Canada might benefit by getting together, establishing joint distribution centers throughout Canada, East and West. These would provide the same quick service and replacement facilities that American concerns provide and would, of

HIKING CLUB MEMBERS DODGE GERMAN FEES

BERLIN, Sept. 2. (U.P.)—Membership in German touring and hiking clubs has taken a spurt following the announcement that certain clubs will be exempt from the 100 marks fee levied against all Germans leaving the country.

The fee, which is provided in the emergency decree, was issued simultaneously with the recent restrictions intended to prevent the flight of capital. Many Germans, who were thus faced with the threat of abandoning their vacations, are now flocking to touring clubs, paying 10 to 20 marks membership dues, which in some clubs can be met in instalments.

Berlin trains which at this season ordinarily depart virtually full, now leave half empty for the southern and eastern resorts. Baltic Sea ship companies are complaining at the drop in tourist traffic and the only casino in the vicinity (there are none in Germany) at Zoppot, in territory of the Free City of Danzig, is losing heavily.

Notice To Stock Breeders

Breeders having Dairy bulls for R. O. P. Inspection kindly make application at once as official Grader expects to be on Island about October 1st. Application may be made to either the Federal or Provincial Livestock Branches.

W. R. SHAW, Livestock Superintendent.

METHODS OF PENSIONS ACT PROTESTED

Resolutions Passed At Canadian Legion Convention.

NIAGARA FALLS, Sept. 2.—In its sessions yesterday the Dominion Convention of the Canadian Legion considered numerous problems affecting war veterans, including pensions administration and hospital treatment.

A resolution regarding the investigation into appeals from tribunal decisions read as follows: "Be it resolved that the Dominion Executive Council be advised that there is widespread dissatisfaction with the operation of this particular part of the Act, and that in the opinion of this convention the pensions machinery is not being operated in the spirit of the Act."

"And further, that the Dominion Council take the opinion of legal counsel and ascertain if the interpretation of the clause respecting 'benefit of the doubt' as applied by the Appeal Court is in accordance with the intention of Parliament as evidenced by the discussion when the legislation was introduced, and, if not, that steps be taken to have this provision clarified to conform with the intention of Parliament."

FREE HOSPITALS

The question of free hospitalization of non-pensioners, at present not available under the regulations, was made the subject of a resolution, which was passed.

Another resolution urged that following the death of a pensioner receiving over 80 percent pension, the ten year limitation on pension to widows be removed, in cases where the family is without other resources.

Amendment of the regulations concerning treatment of Class Two pensioners, those entitled to treatment only, without pay and allowances, is asked in another resolution. This requests free transportation to the nearest hospital centre to be provided in such cases, and that when emergency operations or treatment are necessary to save the life of such a pensioner, the expense be borne by the Department if the pensioner would have been entitled to free hospitalization.

ASKS RELIEF

Another resolution asked that departmental relief, such as is now granted to pensioners, be extended so as to include those whose cases are favorably considered by the Pension Tribunal, pending appeal which might be made by commission counsel. Still another proposal which carried recommends that pensioners confined to hospital for one month or longer, shall on discharge, be entitled to one month's pay and allowances to enable them to complete convalescence.

General resolutions which were passed by the convention had reference to prosecution of those wrongly claiming the right to wear the V. C. and other decorations, the burial of war veterans who die in indigent circumstances and the placing of headstones on the graves of soldiers whose relatives are unable to provide them.

The recent ruling of the Pensions Appeal Court on the question of appeals against pension assessment, by which it was declared the Tribunals had no power to adjudicate on questions of assessment, came in for discussion. A resolution was endorsed asking the Dominion Executive Council examine the nature of the provisions covering this question in other countries, and from the information so obtained, "make such recommendations as may seem necessary to secure provision for the hearing of assessment appeals."

The convention also suggested provision be made for pension advocates to assist former members of the Canadian forces at points in the United States where there is a considerable concentration of Canadian war veterans.

The great man was sick and peevishly declined to answer the doctor's questions.

"Very well," said the latter, "then send for a veterinary doctor, he is accustomed to treating his patients without asking them any questions."

GEORGE YOUNG CANADIAN ISN.S. SPOR. WINS BIG SWIM ELIMINATED IN ATTRACTIONS AT TORONTO GOLF CH'SHIP WASHED OUT

(Canadian Press) LAKESHORE, Toronto, Ont. Sept. 2.—George Young, Toronto's favorite came into his own today, sliding through the icy waters of Lake Ontario. Young vindicated himself by winning the Canadian National Exhibition 15 mile marathon swim, and the title of world's professional champion. With the title went the major money award of \$10,000.

Away back in 1927, Young flashed into the nataratorial limelight by being sole finisher in the Catalina Island marathon of 26 miles. Every year since that time, he has competed in various swims, but has always been forced to withdraw early in the marathon events.

As Young finished, six other swimmers here were still toiling along, out of 180 who had started at 10.06 a. m. Bill Goll of New York, in second place, was more than a mile behind the winner, Alfred Sully of Toronto was in third place. Ernest Vierkoetter of Toronto, fourth man, had more than two miles to go. Warren Anderson of Sydney, N. S. was in sixth place and James Walsh of North Bend, Ohio, was the last man in the water.

PRINCE COUNTY TEACHERS' CONVENTION

The annual convention of the teachers of Prince County was held in the Summerside High School on Tuesday, September 1st. Seventy-two teachers registered. The Superintendent, Mr. H. H. Shaw was present and addresses the teachers and answered questions.

Miss Jacqueline McDonald, secretary of the Teachers' Federation and Miss Catherine McLean, Supervisor of the Junior Red Cross, was also present.

The President, Mr. Bert Larkin, was in the chair. There was a large attendance and great interest was shown by all present.

The Chairman opened the meeting by naming the different committees for the day. The committees were as follows: Resolutions—Mr. C. B. Jelly, Miss Miriam Profit, Mr. Elmer Roberts. Nominations—Norman MacDonald, John Murphy, Miss P. Sherry. Press—A. Keith Jamieson, Miss Annie Inman.

The first speaker of the morning session was Mr. Brewer Auld. Mr. Auld said that he noticed a distinct improvement in school properties through his district.

Mr. James Murphy, the next speaker, supported Mr. Auld's remarks and spoke shortly on school fairs and Junior Red Cross. Mr. Murphy spoke very highly on the work done by Women's Institutes in this Province.

A very interesting feature of the morning session was a Physical Drill lesson, presented by Miss Ethel Tanton and her class. Miss Tanton, in her demonstration, used a phonograph and Dr. Walter Camp's Drill records. The next speaker, Mr. Norman MacDonald presented a paper dealing with several of the every day problems of the teacher.

After an interesting discussion of Mr. MacDonald's paper, he was tended a vote of thanks, moved by Mr. Elmer Roberts and seconded by Mr. Alfred Linkletter.

Miss Estelle Bowness, of Summerside School, with some of her pupils then gave a very interesting demonstration of primary reading, which was of great assistance to the teachers with primary departments. After a discussion on Miss Bowness' methods in teaching, the chairman called on Miss MacLean, of the Junior Red Cross, who spoke briefly of the increase of Juniors in the Province and of the work of the Society. After the dinner recess, Mr. Willard Picketts presented to the teachers a lesson on prohibition education. The plan Mr. Picketts followed should be very interesting in the classroom, both to pupils and teachers.

Mr. H. H. Shaw, the Superintendent of Education, spoke briefly on text books, libraries, and the course of studies. With the opening of the question box, much discussion took place between the teachers on difficulties of the classroom. Miss Jacqueline McDonald, Secretary of the Teachers' Federation, passed a copy of the Code of Ethics, of the P. E. I. Teacher's Federation to every teacher.

(Canadian Press) BEVERLY COUNTRY CLUB, Chicago, Ill., Sept. 2.—Shaken at the outset by a series of high explosive upsets and then swept by a cloudburst of rain, the first two rounds of the match play for the amateur golf championship of the United States ended today with a dramatic flourish. In the wide open scramble for the title relinquished by Bobby Jones, six of the eight "seeded" competitors were abruptly eliminated from the picture. All but two of the tournament newcomers were turned back and the last foreign contender, C. Ross Somerville of Canada was put out off the running. Somerville, Dominion amateur champion from London, Ontario, overcame Gene Homans, of Englewood, N. J., 2 to 1, in the morning round, but fell before Fay Coleman, of Los Angeles in the afternoon, 4 and 3.

GOLF

The Summerside Golf Club has kindly invited the members of the Charlottetown Golf Club to visit them on Saturday, Sept. 5th.

MEMBERS INTENDING TO MAKE THE TRIP WILL KINDLY SIGN THE PAPER NOW POSTED IN THE CLUB HOUSE OR ELSE NOTIFY THE CHAIRMAN OF THE GAMES COMMITTEE.

The Executive would like to have a large delegation of players.

ATTENDED CONFERENCE

Messrs. E. W. MacKinnon, Superintendent of the C. N. R., P. W. Clarkin, Division Freight and Passenger Agent, and C. A. Meikle left last Monday on a business trip to Moncton and returned on Tuesday.

RETURNED TO MCGILL

Mr. Charles W. MacKinnon has returned to McGill University, Montreal, where he is to take his third year in Commerce. Owing to his illness last term, Mr. MacKinnon was unable to write the final examinations and will commence his supplementary exams in about a week's time.

ADDITION TO STAFF OF P. W. C.

Two instructors have been added to P. W. C., Mr. Warren Duchemin, B. A., son of Mr. A. C. Duchemin, Richmond St., who will conduct classes in Science; and Miss Adelaide Humphrey, M. A., Penmanship and History.

PRESBYTERY MEETING

The Presbytery of Prince Edward Island will meet in special session in the Presbyterial Church, Tyne Valley on Friday, Sept. 4th, at 8 p. m. for the induction of Rev. E. C. Robertson.

SCHOLARSHIP

Students interested in the Daughters of the Empire Overseas Post Graduate Scholarships for 1932 may obtain information from Mrs. James MacMillan, 22 Brighton Road. 8501-9-3-21

CLYDE RIVER

The Women's Missionary Society meeting, which was to have been held in the Presbyterial Church, Clyde River on Wednesday evening, Sept. 2nd, but which was postponed on account of rain will be held in the Clyde River Church on Friday evening, Sept. 4th, at 7 o'clock. The meeting will be addressed by Miss Mary MacKenzie, deaconess in training.

MANY HAPPY RETURNS

Mr. and Mrs. William O. Davey, 30 Weymouth St. were the recipients of many hearty congratulations yesterday on the celebration of the 30th anniversary of their wedding. In the evening they were at home to a number of relatives and friends who gathered to wish them "many happy returns." A dainty luncheon was served by the hostess, after which cards and music were enjoyed for the remainder of the evening.

MARRIAGES

CARSON—SMITH—At Moncton, N. B., on Tuesday, August 25, 1931, by Rev. W. R. Seeley, pastor of the Wesley Memorial Church, Louis Davies Carson to Mrs. Christine Smith, both of Charlottetown.

DEATHS

PARTRIDGE—At Glynde River, Sept. 1, 1931, John Partridge, aged 89. Funeral from his late residence on Thursday at 2 p. m. to Stanley Cemetery.

Rain Caused Postponement of Halifax Races and Track Meet at Springhill.

(Canadian Press) HALIFAX, N. S., Sept. 2.—Nova Scotia's chief sport attractions were washed out today. Rain caused postponement until Friday of the Springhill track meet at which Phil Edwards and Eddie Toian will appear, and the Provincial Exhibition's harness races also had to be set back.

LOOKING 'EM OVER

BY "TEC"

TAG DAY

Saint John hockey officials have just completed a successful "tag day" in the interests of the game in that city. It is understood the sum realized was a very substantial one. A similar "tag day" in Charlottetown wouldn't be a bad idea as a means of raising funds to assist the Abegweits in their campaign during the coming winter.

LABOR DAY SPORTS

All those wishing to take part in the open and junior events on the Labor Day Sports program, will place his name after each or any of the events listed below and send same to Mr. Ray Pendleton at the Y. M. C. A. Events—Open: 100 yards, High Jump, Broad Jump, Shot Put, 5 Mile Run, Mile Relay (4 men to a team, each to run 1.4 mile). Bicycle Events—14 years, 1-4 mile; 14 years, 1-2 mile; 16 years, 1-4 mile; 16 years, 1-2 mile; Open, 1-4 mile and 2 miles.

GREAT THREE-YEAR-OLD

Wellington McNeill, the Charlottetown horseman, has a great three-year-old trotter in Miss Squires, by Marshall McGregor, which he has developed from a yearling. He gave him a mile a few days ago in 2:15 1-2.

PASSING OF GREAT HORSEMAN

William Wright, owner of one of the most noted trotting horse farms, died Friday at his estate, Calumet Farm, near Lexington. He was 80 years old and had been semi-conscious since May 5, when he suffered a paralytic stroke returning to his sick bed from a visit he insisted on making to the track of the Kentucky Trotting Horse Breeders' Association. Mr. Wright died without knowing that his colt, Calumet Butler, had won the Hambleton Stakes at Goshen, N. Y. Several times his family tried to inform him but he was too ill to understand. The great Peter Manning, a world's champion trotter, was bred on his estate, one of the largest establishments of its kind and the most lavish of all stables in its arrangements.

ORDERED TO REST

Mickey Mochrane, star catcher of the Philadelphia Athletics, went to his home in Philadelphia under orders from Manager Connie Mack to rest until such time as he sees fit to return to the line-up. Mack said Cochrane had been unable to rest at night for the last week, and with the world's series but a short time distant he thought it would be to the club's and Cochrane's benefit to keep him out of the game for a time.

RACING 20 YEARS AGO

Twenty years ago at the Halifax Exhibition races, a 240 stake for Warlike bred was won by Gracie Mac, owned and driven by R. King, Sydney Mines, in 2:26 1-2, 2:25 and 2:25 1-4. Queen Brazilian, owned by Spurgeon Gammon, New Glasgow, and driven by Peter Carroll, won the first heat in 2:22 3-4, and Frenchie, of Charlottetown, won the second heat in 2:26 1-2. Red Bob, King Dods, Leonard M., Royal Pandect also started. Eleven horses competed in the 2:17 trot and pace. Leonard Wilton, owned by A. E. Tritts, Salisbury, driven by Billy Cummings, won in straight heats in 2:17 3-4, 2:17 and 2:19. Queen Marie, Alle W., Lina Miller, Candy Girl, Meadowdale, Masterpiece, Idle Moments, McEwen Belle (Boston), Frank Power and Stanley Mac (Boston), finished in the order named.

"BELIEVE IT OR NOT"

"Extra! Drastic Changes in the Baseball Rules!"

"WASHINGTON, Friday—Following the custom of the football rules committee which annually changes the game in such a way that the average fan cannot understand it without a rule book, the National Association of Baseball Leagues today decided upon drastic alterations in the playing code.

"The muffed fly ball has been abolished; Manager John McGraw of the Giants argued that this play once cost him a world series, through the inadvertence of Fred Snodgrass. It was ruled that if the outfielder touches the ball the batter is out.

"Outlawing of the double play: It has been decided that the man on first base should not be made to suffer for a batter's fault. On all infield grounders, the runner on first automatically goes to second.

"Batters no longer allowed three strikes: The number of strikes required to put out a batter has been reduced to one. This legislation is intended to counteract the effect of the lively ball.

"Running to third base: Only left-handed batters shall be forced

LOOKING 'EM OVER

THINKS CONACHER WOULD BE SUCCESSFUL IN WRESTLING

In noting the report that Lionel Conacher is to enter professional wrestling, Bob Stedler of the Buffalo Evening News advances the opinion that the "Big Train" realizes that he is on the down grade as a hockeyist, and is looking to another sport for revenue. He writes: "Of late Conacher has not been the hockey player of another day. He seemed to hit the dowr grade when he took over the management of the New York Americans, and when he moved to Montreal to play with the Maroons he never did hit his old stride."

Mr. Stedler agrees, with others, that Conacher would be a good attraction in wrestling, especially in cities in which major league hockey is played. Pointing to the Toronto man's reputation as an all-round athlete, he concludes with: "He stepped into a boxing ring once against Jack Dempsey to box a four-round exhibition, and they still claim, above the border, that he had the better of the man from Manassa." The last statement is somewhat far-fetched, Conacher and Dempsey boxed a two-round exhibition for the entertainment of the convalescent soldiers at Christie Street Hospital, and, although Conacher acquitted himself creditably, none present thought he constituted a menace to Dempsey's reputation.

WILL GENE COME BACK?

Now they are claiming Gene Tunney will come back later on and dispose of Carnera, Schmeling, or whatever alien fighter happens to be stepping high in the lists. Tunney is more tolerant now of the fight game, and he hasn't been making the money that flowed in when he was a fighter since he retired. A good showman he senses that there are big purses around the corner again, and he would restore the million dollar gate to the pasture. With Dempsey flattening out set ups on his come-back trail, and Tunney slated to comeback the fistic business is starting to look up again.

THE UMPIRE AGAIN

At Watonsont, Pa., recently the fans angered by a decision at third base as given by Umpire Shiveley, surged on the field in the fourth inning, seized the umps and took him to the Susquehanna river bank where it gave the official an old-fashioned ducking. Some people take their baseball seriously.
