

Red Rose Tea

The New **20 1/2 lb.** **BROWN LABEL, 40 lb.**

"It is good tea or it would not be in a Red Rose package"

DOWN THE BACK STRETCH

There is under preparation by Charles E. McKenzie, well known contributor on agricultural matters to the Guardian, a series of articles on the history of the early breeds of harness horses used in this country. That it will be most interesting and informative our readers can be sure. It will likely appear in next Saturday's Guardian. Would advise you to cut it out for future reference.

As one gets older interest deepens in historical matters, particularly those pertaining to the land of one's birth. The sources of information are not too many and anyone who collects interesting data is to be commended. It is our hope that Mr. McKenzie will follow his history of the light horse breeds with one on the heavy horses.

The races in connection with the Halifax Exhibition did not materialize as rainy weather prevailed during the entire week of the Fair. This was very disappointing to everyone as some good horses were scheduled to start.

The dates of speed auctions next month are Detroit Speed Sale, November 10th, Indianapolis Speed Sale, November 14-17, New York Old Glory Auction, New York City, November 21-23, Chicago Horse Sale, December 12-15.

The Australian trotting record for one mile is 2:13. Races there are usually held over grass tracks or as in the instance referred to in these columns a short time ago, at Perth, Australia, the track was composed of ground oyster shells.

The State Fair at Dallas, Texas, held the middle week of October, registered the second largest opening day in forty-six years. Seventy-six thousand people passed through the gates, forty thousand more than the previous year. The admission price had been cut to fifty cents, which brought the crowd.

Race track betting in the province of Quebec which is confined to "thorough bred" race tracks, shows a decline of 39 per cent in

1932 as compared with the previous year. The total amount wagered on the five tracks in Quebec in seventy days racing amounted to \$3,181,257, as compared with \$5,237,716 in the previous year.

Taxidermists in the United States had a very remunerative job which they completed recently after four and one half months work, namely, the mounting of Phariap, the Australian runner who died from poisoning after winning the \$50,000 handicap at Tia Juana and just previous to his engaging in another large purse event in California. Phariap would undoubtedly have set new records for all distances between one mile and two miles for the United States and possibly for the world had he not eaten the poisonous weed. He was a wonder horse.

The Marchioness, whose three year old activities have been given considerable publicity in this column, sports a new record of 1:59 1-4, made against time at Lexington, Ky., October 14th. This is a world's record for three year old mares and also equals the world's record by her brother, Protector for three year old trotters made the previous year.

At the Lousburg, Pa., races October 14th, a most distressing accident occurred resulting in the death of Driver Hoffmaster, caused when May Chimes which he was driving, fell and Peter Coastman, driven by Ben Whitehead, crashed into Hoffmaster. Whitehead was considerably injured.

The latest list of 2:10 trotters and pacers credits Guy Axworthy with 162, Peter the Great with 154, and Peter Volo 144.

Zombro Hanover has been racing two years as a pacer and during that time he has started in twenty-five races, won twenty-one, second in three and was a heat winner in the other. Early this spring he was purchased by H. Stacey Smith for \$9,000 and staked liberally throughout the Grand Circuit. He only lost one race this year and that

was to Guy the Tramp, a Canadian pacer.

Mc I Win (3) 1:59 3-4, campaigned by Don Parrshall of Urbana, Ohio, recently established a world's record of 2:01 1-4 for three year old pacers on a half mile track. In two campaigns he has started in twenty-three races and won twenty-one firsts and two seconds. He is one of the most remarkable horses that has ever taken the word.

Zombro Hanover is the season's largest money winning pacer, while Mc I Win is the leading race winner in the U. S. A., but not in America. The distinction of being the leading winner of races in America we believe will go to Bertha Patch 2:09 1-4, an Ontario mare that started racing last winter on the ice circuit and was still going strong the latter part of October. She has won at least eighteen races. Early this spring she was being negotiated for by a party in Halifax to whom she was highly recommended. What a buy she would have been!

The many friends in Charlottetown and we may say in Prince Edward Island, of Frank Adams, the well known horseman of Halifax, will learn with the deepest regret that he recently suffered a severe accident, a splinter of wood going into his eye and injuring his sight. We all hope that it will not be as severe as was reported and that the genial Frank will soon be around again in his usual happy spirits.

Mike Jablee will be one of those from Nova Scotia who will attend the Old Glory Sale in quest of some racing material for next year. There is a possibility also that one or two interested parties from Charlottetown will go up.

A paragraph which struck us as rather remarkable appeared in the American Sportsman recently stating that Wilma 2:02 1-4 had raced three trips in 2:06, 2:05, and 2:07 at Lancaster, Ohio, seven weeks after she had foaled. It seems to us she must have extraordinary vitality to have made that performance.

Abbe Worthy 2:05 raced here by Billy Hood, is out of Mae Worthy by Guy Axworthy 2:08 3-4. Abbe Guy (3) 2:04, is also out of Mae Worthy as is Caumet Duds (2) 2:09 1-4, record taken at Springfield, Ohio, two weeks ago.

Peter the Brewer 2:02 1-2, one of the crack trotters raced through the Grand Circuit a few years ago and an opponent of Bill Sharen 2:04 1-2 that year and we think beating Bill on every occasion except one, has turned out a remarkable sire. This year he has twelve new 2:10 performers.

At Lancaster, Ohio on October 13-15 the most remarkable racing that has ever been known over a half mile track prevailed. Worthy Wood won the 2:10 trot in straight heats, best time 2:05 1-2. The 2:09 pace was won by Holloway in 2:05, 2:04, 2:03 1-2 beating Ray Henley and other high class pacers. Lady Viola won the three year old pace in 2:07, 2:06, 2:11 1-4. Senator McKly won the 2:13 trot in 2:06, 2:05 3-4, 2:07. Wilma the 2:13 pace in 2:06, 2:05, 2:07. The track is one of the fastest in America.

The following particulars of the most number of races won on U. S. tracks may be interesting. 1921, Single G. 1:53 1-2 won fifteen firsts, 1927 Bert Abbe 1:59 1-4, fifteen firsts, 1929 Kinney Direct 1:59, fifteen firsts, 1930 May Grattan 1:59 1-4 fifteen firsts, 1932 Mc I Win (3) 1:59 3-4, fifteen firsts.

Our readers will easily recollect Single G. 1:58 1-4 who raced until he was fifteen years of age and earned the sobriquet of "The Horse That Time Forgot." Single G. started racing as a three year old in 1913 and raced until 1925. In those years he raced 230 mile heats in 2:10 or better, 84 heats in 2:03 or better, 54 heats in 2:02 or better, 32 heats in 2:01 or better and twelve heats in 2:00 or better.

In 1918 at Des Moines, Iowa, he set a new world's half mile track record for pacers of 2:01 in a race and the same year set a world's record for three heats at Toledo, Ohio, on a mile track.

SUMMERSIDE And Prince County

—ALL SIZES bar iron, sold at Brace's. 5708-10-28-21.

In the evening at 7:30 there will be a service in the church at Bedeque under the auspices of the Edith Thompson Mission Circle, an interesting programme is being prepared for the service.

—ANNUAL VISITATION — Mr. Nichols of Sidney Mines, Grand Master of the I. O. O. F. Lodges of the Maritime Provinces completed his circuit of the Lodges of Prince Edward Island on Thursday evening by a visit to the Prince Edward Lodge, Summerside. He was accompanied by District Deputy Grand Master Reynolds of Montague, Bros. Black, Sentner, McLeod, and French were present from the Charlottetown branch. Charles Ramsay, Noble Grand of the local Lodge presided. Mr. Nichols gave a very instructive and eloquent lecture on the objects of the Order which was listened to with much interest. He was followed by speeches from D. D. G. M. Reynolds and Grand Sentinel Sentner. Speeches were also given by the other visiting brethren and local members. A substantial lunch was served which was followed by cards. A hearty vote of thanks was tendered to Grand Master Nichols and the other visiting speakers, which was moved by T. M. Linkletter and seconded by M. L. F. McKenzie.—S

It was not until he was eleven years of age that is to say in 1921 that he reached the peak of his fame. In that year he started in sixteen races and won fifteen. At fifteen years of age he was still winning races and could pace a mile in two minutes. He was then retired to the stud and has sired among other performers Dick Reynolds 2:05 1-4 trotting, 2:01 1-4 pacing. Dick is the world's fastest double gaited stallion.

The death of F. C. Nyls of Kansas City this summer will leave to the disposition by sale at the Old Glory of all his horses including the race horses campaigned this year on the Grand Circuit. Among them there are some good performers including Cold Cash now five years old, who recently took a record of 1:59 1-2 at Indianapolis. Another good one to go under the hammer will be the crack two year old pacer Logan Scott 2:03 1-4 from the Nyls stable. Logan won several stakes this year including the Fox Stake for \$6,500.

How many of us can remember back to the days of the high wheeled sulky? It is not so long after all. We think it was 1895 when the first pneumatic tire was used in this province. To go back to the advent of the bike sulky we must turn to 1892 when the first new type bicycle sulky was made and presented to Bud Doble. Bud refused to try it.

Ed Geers who was then breaking into the limelight asked if he might into the limelight asked if he might agreed. In the race that he started with it he won easily, but the smart horsemen were not convinced and still pinned their faith to the old high wheeled sulky.

Geers decided that he would give it a good test and selected an old and entirely outclassed horse, entering him in a race with several of the best trotters racing at the meeting. Again he won easily. A short time the high wheeled sulky was relegated to oblivion and everyone who could not afford the manufactured article or could not secure one quickly enough improvised with bicycle wheels attached to the high sulky frame.

Fur Farming Pays

Thousands of Silver, Red and Cross Fox, Mink and Muskrat Pelts Wanted

—WORKING GLOVES, sold right at Brace's. 5708-10-28-21.

—RETURNED HOME—The directors from outside the Province who attended the adjourned annual meeting of the Canadian National Silver Fox Breeders' Association, left on Friday morning for their homes. On Wednesday and Thursday the directors were in conference on different matters relating to the new constitution. They also had an interview with Mr. Leon Chapal, of the French Auction Co., Paris, who advised them on the marketing of their furs.—S.

—WEDDING BELLS—The marriage took place in St. Paul's Church, Summerside, on Thursday morning of Miss Noreen Gallant, of Duvar to Mr. Elmer Gallant, of Summerside. Rev. Bennett McDonald officiated. The bride was attended by Miss Ida Wedge and the groom by Mr. Edward Doucette. After a short honeymoon in the east of the Province, Mr. and Mrs. Gallant will reside in Summerside, where a host of friends wish them every happiness.—S.

—WEDDING BELLS—A quiet wedding was solemnized in Seven Mile Bay Church on Wednesday morning, when Mr. Albert McCardie, son of Mr. and Mrs. John McCardie, of Kinkora, was united in marriage to Miss Norma Tierney, daughter of Mr. and Mrs. Patrick Tierney, of Albany. Rev. W. E. Monaghan celebrated the Nuptial Mass in the presence of the immediate relatives and friends. Miss Esther Noonan acted as bridesmaid and Mr. Charles McCardie as groomsmen. The bride and groom are spending a short honeymoon in the eastern part of the Island. Mr. and Mrs. McCardie will reside in Kinkora, where Mr. McCardie is a prosperous farmer. Many friends wish the happy young couple every success in life. Previous to her marriage, the bride was tendered a miscellaneous shower at the home of the bridesmaid, Miss Noonan, where she was the recipient of many lovely gifts.—S.

PERSONALS

—Mr. Arthur Lambe, Springfield, spent a few days last week in Summerside. E.

—Miss Florence Power, Emerald, recently visited the city. E.

—Rev. G. J. McLellan, D.D., parish priest of St. Paul's Church, Summerside, left on Thursday morning for St. John, N. B., to give an address before the Catholic Women's League in that city.—S.

—Miss Doris MacGregor has returned to her home in Central Lot 16, after spending a few days very pleasantly with her brother, Mr. A. K. MacGregor and Mrs. MacGregor, Summerfield. E.

Minard's relieves strains and sprains.

Moore & McLeod Limited

MOUNT MELLICK W. L.

The regular monthly meeting of the Mount Mellick Women's Institute was held on October 13th, at the home of Miss Laura MacQueen with thirteen members and five visitors present. Meeting opened with President presiding, by singing Ode, followed by Creed in unison. Roll call was answered by a Canadian product and where manufactured. It was decided to contribute ten dollars annually to Sanatorium fund. Sick Committee reported one sick call. Mrs. W. J. Mutch kindly invited next meeting to her home, roll call to be answered by paying dues. Program was as follows: Piano solo, by Miss Charlotte Drake; Paper on Canadian Institutes, by Miss Hazel MacEachern; Contest, by Miss MacEachern, won by Miss Elizabeth MacRae; Solo, by Miss Frances

Wood; Sing-song. A delicious lunch was then served by the hostess and meeting adjourned by singing National Anthem.

International polar year observation, sponsored by the International Meteorological Commission, will be conducted this winter at Fairbanks and Point Barrow stations in Alaska.

Coughs ended by Minard's Liniment.

MORNING AFTER

Rid system of poisonous acids due to excessive eating, drinking, smoking, with 3 tablespoonfuls of Phillips' Milk of Magnesia

● Eat, drink, and be merry! No need to feel "sunk" next day. Take a laxative dose of Phillips' Milk of Magnesia when you go to bed, or with your breakfast orange. It rids stomach and bowels of all lingering poisons. No headaches. No nausea. Not even a coated tongue. Get the genuine Phillips' Milk of Magnesia; substitutes are not the same.

ALSO IN TABLET FORM: Phillips' Milk of Magnesia Tablets are now on sale at drug stores everywhere. Each tiny tablet is the equivalent of a teaspoonful of genuine Phillips' Milk of Magnesia.
