**DOCTOR FOWLER'S**  
**EXTRACT OF WILD STRAWBERRY**

Diarrhoea, Dysentery, Cholera, Summer Complaints and all Fuxes of the Bowels are recognized by everyone as exceedingly dangerous.

These diseases are too serious, too rapidly fatal, for you to experiment with cheap and dangerous imitations of the genuine Dr. Fowler's Extract of Wild Strawberry, a remedy that has been used in thousands of homes during the past sixty-three years.

When you seek for Dr. Fowler's be sure you get it. Don't let some unscrupulous druggist palm off a cheap imitation on you.

G. Holmer, Newington, Ont., writes: "I have used Dr. Fowler's Extract of Wild Strawberry for diarrhoea and never found any other so good as Dr. Fowler's."

Manufactured by The T. Burn Co., Limited, Toronto, Ont.

**MEAL PLATES**

Cost very little more than the old time rubber plates and are a HUNDRED TIMES BETTER. Lighter, stronger, cleaner, better fit, take up less room and are every way more satisfactory than any other kind of plate known to dentistry.

**VITILIZED AIR for Painless Extraction Safe and Sure**  
and Pleasant. Has no after effects.

This method will extract one or twenty teeth and not hurt you at all. Ask your friends and they will tell you that this is a fact.

**Cleanliness is Next to Godliness**

If you want your home thoroughly clean and healthy, have it done scientifically. Ordinary disinfectants give you a false sense of security. Microbes and bacteria lurk beyond the reach of the most particular housewife. I use only the latest and proved method which is a perfect germicide and endorsed by all Boards of Health and Health Officers.
