ning by the management of Joseph Read and Co. Ltd., in honor of Mr. and Mrs. Jesse Huestis who celebrated their fiftieth wedding anniversary on Tuesday. Mr. Huestis is an old and valued member of the staff of Jos. Read and Co. Ltd. Present were members of the staff and of the Huestis family, their two sons, Harold and Albert and their wives and their daughters, Mrs. L. W. Hancock and Mrs. Philip Steele and their husbands, Chief Justice Thane A. Campbell presided and referred in complimentary terms to the purpose of the gathering. Mr. Fred Bingham, on behalf of the management and staff read an address to Mr. and Mrs. Huestis which expressed cordial greetings and best wishes on the happy occasion being observed. They were referred to as good citizens of the town and special reference was made of their musical talent which has made an special contribution to all forms of entertainment and enjoyment in the community. Tribute was paid to Mr. Huestis' 37 years of association with the firm, his course of work being always one of devotion to duty and courtesy and attention to the requirements of the customers. Mr. M. L. Bradshaw, president of the firm made a presentation of a purse to Mr. and Mrs. Huestis on behalf of the management and staff. Mr. Bingham made a presentation of a pipe and a bouquet on behalf of the staff. His Worship, Mayor J. F. Arnett and Rev. K. G. Sullivan, pastor of Trinity United Church, spoke briefly expressing their congratulations and wishing them many more happy years together. Probably no family in town are so generously endowed with musical talent as the Huestis family and the families of their children. A surprise feature of the program was a parody on the old song, "Reuben and Rachael" entitled "Jesse and Minnie" which was written by Mr. Hancock and sung by him accompanied by Albert Huestis. Before the program concluded Mr. Bingham made a presentation to Mr. W. W. Smith, a former employee of the firm.—S.

At Christmas

At Christmas we provided 150 lbs. of turkey for the Christmas dinners, and the usual treat of apples, nuts and candy. Mrs. Rogers, one of our very willing workers, volunteered to make six hundred decorations for the trays. She spent many hours planning them and I would like to thank her and her helpers very much for this splendid work. I know that she was well repaid for her work by the fine compliments that were passed along by the patients and staff. We thank her for her time and her talent.

ANNUAL MEETING

(Continued from Page 3)

In the month of October we sponsored a picture, "Stanley & Livingstone." This picture had been shown in Charlottetown some years ago, but it was well received by the public, as it was an outstanding picture along the line of education. Mrs. Buntain, the convener of the committee, was very well pleased with the results. I would like to say that Mrs. Buntain had the town so well zoned that it was an easy matter for the ladies to sell tickets. But I would suggest that in our future picture shows, if we put our tickets on sale a week previous to the show it would be plenty of time.

The month of November proved to be a very busy one for the Aid, but it was a most successful one. The ladies were asked by the Chairman of Trustees to sponsor a tea for the opening of the Nurses' Home and Nursing School. It was decided by the Aid members to ask the Junior Aid and the Wo-he-lo's to assist us in this undertaking, they very willingly accepted, and the proceeds went to the buying

it's "Curtain Call" time at SMALLMANN'S And this year we're happy to announce that we're ringing up the curtain on the loveliest selection we've had in many a spring. organized the ladies, and they were very well received by the public. Mrs. DeBolis very kindly donated nylon stockings to the school children. I am sure this encouraged them, and some of them worked all day. I would like very much to thank Mrs. Buntain and her committee for their excellent work. This year the ladies tried something new. We sponsored a bridge and dance. We were sorry that we were not able to sell as many bridge tickets as we could have on account of limited space, but we decided that next year we would hold our bridge party in the afternoon and our dance in the evening. In this way it would be more pleasant for all concerned. Many compliments were received on our party, and I hope that we will be privileged to sponsor one next term.

OUT OUR WAY

Island Hospital is now a 200 bed hospital. The aim of the Aid is to keep the hospital supplied with all linens, sheets, pillow cases, towels, etc. Now this is a big job, and it costs money. I think that surely there are many ladies who would like to assist in this work. I think that a few ladies from each Protestant Church should not be expected to carry on this noble work. I know that if we busy ourselves and make it known to our church groups, I feel sure that we will receive a good response. Let us make it our aim to reach bring a new member to our fall meeting. Let us get real lively workers, people who are willing to make it an easy task for each and every one—the more workers the lighter the burden. In closing may I thank each and every member who has so willingly given of their time, and I would especially like to mention Mrs. Buntain, Chairman of the Ways and Means Committee, for her encouragement at all times. Mrs. Cotton, Convener of the Buying Committee. Her work this year has been exceptional, as you will realize when she gives her report. Mrs. Sear, our Treasurer, is always right on the job, always pleased to give you any information that is needed, and has it at her fingertips. This is a big job. Our Secretaries, Mrs. Kennedy and Mrs. Baker, have a lot of work, and always have it up to the mark. Mrs. Bruce, for her reports from time to time, and Mrs. Blair for her wise counsel at all times. We have bothered her this year, but we hope that next year we will be able to carry on without too much interruption. To the Trustees, Mr. Mould and Mrs. Affleck for their courtesies shown to us at all times, and last but not least to Mrs. Van-Buskirk, who always gives us a welcome when we come to the Cundall Home. She has always been very co-operative in all our activities, and as you know it does make extra work for her. In closing I would say, let us make next year bigger and better than ever!
