

# OPERATIONS AVOIDED PREFERENTIAL TRADE'S BASIS

### Two Grateful Letters from Women Who Avoided Serious Operations.—Many Women Suffering from Like Conditions Will Be Interested.

When a physician tells a woman, suffering from female trouble, that an operation is necessary it, of course, frightens her.

The very thought of the operating table and the knife strikes terror to her heart. As one woman expressed it, when told by her physician that she must undergo an operation she felt that her death knell had sounded.

Our hospitals are full of women who are there for just such operations!

It is quite true that these troubles may reach a stage where an operation is the only resource, but such cases are much rarer than is generally supposed, because a great many women have been cured by Lydia E. Pinkham's Vegetable Compound after the doctors had said an operation must be performed. In fact, up to the point where the knife must be used to secure instant relief, this medicine is certain to help.

The strongest and most grateful statements possible to make come from women who, by taking Lydia E. Pinkham's Vegetable Compound, have escaped serious operations.

Mrs. Robert Glenn of 434 Marie St., Ottawa, Ont., writes:

Dear Mrs. Pinkham—

Lydia E. Pinkham's Vegetable Compound is so well and widely known that it does not need my recommendation, but I am pleased to add it to the many which you have in its favor. I have suffered a violent agony from a serious female trouble for nearly three years, and the doctors told me that I must undergo an operation, but as I was unwilling to do this, I tried your Vegetable Compound, and I am only too glad to say that I am cured.

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

LONDON, September 13.—At the Chamber of Commerce meeting in Bristol, discussing the preferential trade within the Empire, Mr. Davies, of Bristol said, "while having due regard to our foreign trade, England ought to give her attention to colonial trade. It was this trade which could be most profitably developed." Joseph Walton, M.P., argued there was no practical basis on which to set up preferential trade with even Canada. E. Parkes, M.P., replied that the preference given England by Canada had increased our exports thither by over a hundred percent.

A. J. Hobson, Sheffield, argued that England could give Canada no preference without raising the price of people's food and Canadian manufacturers would stoutly resist the admission of English goods on any terms which would bring them into real competition with their own; any such operation would not strengthen the bonds of Empire. Among the resolutions reaffirmed was one in favor of cheaper postage with Canada, so as to afford British merchants and manufacturers the same trade opportunities as are enjoyed by the United States.

## MAGNIFICENT AMUSEMENTS AT THE DOMINION EXHIBITION.

The Amusement Programme at the Dominion Exhibition at Halifax will be on a magnificent scale. It will include a splendid performance of vaudeville in front of the Grand Stand. "Wedgwood's Lions" will be shown, "Speedy" will make a high dive of 127 feet, Balloon Ascensions will be made, the four "Lukenas" will appear in clever work and many other thrilling acts will be shown.

The culmination of the magnificent fireworks display which will nightly be presented on a scale of unprecedented grandeur will be the "Carnival of Venice." This great spectacle is an entirely new creation in pyrotechnics, a moving picture in fire on a Mammoth scale. It begins by showing the ancient City with the Doge's Palace and the Cathedral of St. Marks in brilliant fire. At the Grand Canal are numerous gondolas and other pleasure craft lit up for the occasion. The fireboats of the Bridge of Sighs come daily dotted Gondolas. The boats are lit up. The occupants of the Gondolas bombard each other with Roman Candles. The City is lit up and decorated. The grand finale, including a magnificent display of rockets eruptions of giant mines, immense flow of golden fountains and other beautiful effects, combine to make one of the most picturesque and dazzling objects ever attempted in fireworks.

The attraction on Saturday, the Opening Day, will be a splendid Horse Show. On Monday, the Horse Racing for purses aggregating \$2,000 will begin. The fleet list of horses will number about 110 and on the 1st track several records will certainly be broken.

The regular departments of the Exhibition showing the resources, progress, industry and wealth of a large part of Canada will be on a scale far exceeding anything ever attempted at Exhibitions in the past.

## A HARD CASE OVER JOME.

No longer necessary to suffer from muscular rheumatism. Every case can be cured. Ferrozone is unfolding as proved by David Johnston of Ormond, Ont. "My wife was a dreadful sufferer," he writes. "For two years she could scarcely do any work. Her knuckles and joints were swollen and she could not get up and down stairs as usual. She took lock after lock of Ferruzone and rubbed the sore places with it. Improvements started and she was cured. Today she is quite cured and we thank Ferruzone for her recovery." No remedy more popular with doctors than Ferruzone; it does cure 80c per box at all dealers.

## ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored friend, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupation space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal

## RUMBLING BOWELS.

One of the very first lessons that ought to be taught every child is that the bowels must move regularly and freely every day, as more troubles arise from neglect of this duty than from any other cause. The effete matter that should pass out of the body remains in the bowels contrary to every law of nature. If it does not pass away by the natural channels then the other way to escape is through the pores of the skin. That is why people get so sore and unhealthy. This causes pimples, black heads and blotches to every part of the body. For immediate relief take two or three Hutz before you go to bed. The whole effect of this canal responds to the healing effect of this tablet. Rumbling bowels recover quickly under its treatment. It neutralizes the foul gases. It sweetens the stomach. It gives a good appetite. It's a doctor for ten cents. A big bottle with 300 for \$1.00. For sale by all druggists.

Sirs,—I came across a bottle of your **MINDARD'S LINIMENT** in the hands of one of the stallions at the University of Maryland, and he held it so kind as to let me use it for a very bad sprain, which I obtained in training for foot races, and to say that it helped me would be putting it very mildly, and therefore ask if you would let me know of one of your agents that is closest to Baltimore so that I may obtain some of it. Thanking you in advance I remain,
