precipitation, in thanking the people said that he felt that he had been able through his ministry to bring them a little nearer to Christ he was amply rewarded, and was more than content. A vote of thanks to the Warden and Vestry for their faithful services during the year that has ended was moved by Judge H. L. Palmer, seconded by Mr. George Hardie and carried unanimously. Resolutions of thanks were also tendered unanimously to the choir, to Rev. G. H. Greenhalgh, Assistant Rector, and Mr. Wm. Warren the Vestry Clerk.

When the business of the meeting was concluded the congregation adjourned to the basement, where delightful refreshments were served by the ladies of the Parish Guild.

Large Buyer

MR. FRITZ WEISSLER

When Mr. Fritz Weissler of Montreal left Charlottetown last Saturday morning he did so firm in the conviction that he was the largest buyer of silver fox pelts in the Province the present season, his total running to over 2,500 pelts. He also left the reputation of being a good buyer, a fair buyer, one who gives the rancher full value for his pelts.

Mr. Weissler is not a novice to the fur trade. In his early youth he became connected with it and prior to the advent of Hitler was one of the leading fur merchants of Berlin and Vienna. He was an expert on every type of fur and his Berlin store was one of the largest of that capital. Not liking the Hitler regime he, at very great loss to himself, gathered some of his wherewithal and sailed for Canada. At first he had to feel his way because conditions were quite different from those prevailing in Europe; but in a short time he became acquainted with the Canadian trade and he has been out and made connections in the United States, Mexico and South America.

In 1941 Mr. Weissler commenced buying in December and continued until March, 1941. This year he will probably return next month. He is at present attending the Canadian fur auction in Summerside and his connection has been made through Mr. W. Chester S. McLure who has had a wide experience and is a specialist in silver fox furs.

Mr. Weissler has bought many splendid specimens from local ranchers and those from Summerside and vicinity. The biggest single purchase was 685 skins bought last Friday from the McLure and MacKinnon Silver Fox Farms, Ltd. These were mostly large pelts and were of good color, having been nearly all raised on wire bottoms. They were a very desirable lot because many of them could be made up into scarves and hats. There were also many nice skins for capes and capotes. The cheque given by Mr. Weissler for these skins was a very considerable one, showing that he is prepared to pay the price if the goods suit him.

One thing that distinguishes Mr. Weissler from many buyers is the fact that quantities do not phase him. In fact he likes to buy large quantities and said that nothing would please him better than to have some rancher come along with a couple of thousand like the 685 referred to above.

IS RECOVERING—Mr. Murdoch E. Upton, Crisis, is recovering from his recent illness. He has been ill for some time with a heavy cold.

CORRECTION—In the report of the City Council meeting held Friday night the following resolution was adopted: Resolved that an allowance of \$20 be granted monthly to the widow of the late Constable Taylor to get from the date of his death. It was moved by Coun. B. Earle MacDonald and seconded by Coun. J. E. Blanchard.

TRAIN TRUCK IN COLLISION—A motor truck was in collision with the eastern train at Bedford Station about 4 o'clock yesterday afternoon. The truck was hit a glancing blow by the locomotive. Fortunately the driver of the motor vehicle escaped without injury but his truck was badly damaged by the blow.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Roy Cadmore of St. John's, Nfld., announce the engagement of their daughter, Bernice Reta, to Robert Leard Bremner, son of Mr. and Mrs. Harry Bremner of Halifax, N. S. Marriage to take place the 12th of February at Halifax, N. S. L-666

MAKES "MERCY" TRIP—A government snow plow preceded an ambulance from Charlottetown to Montserrat on a "mercy" trip. The ambulance went out to take a young girl into the City Hospital. It is believed the patient is a victim of spinal meningitis. After leaving the pavement near Vernon River, the plow encountered some heavy drifts but the return trip was made in about three hours.

SPEAKS ON VITAMINS—The effect of vitamins on health, was the subject of an interesting address delivered yesterday by Dr. W. T. Mustard, R.C.A.M.C., No. 62 C.A.B.T.C., Beach Grove at the meeting of the "Vitamins." Dealing with vitamins A, B, C, D, E, and K, Dr. Mustard named the foods which contained these and the diseases caused by their deficiency. President Heath McIntyre and Mr. Gordon Avar were joint chairmen. Mr. Percy Turner, Past District Governor, and charter member of the Club, was made an honorary member for the coming year when his intention to resign was announced.

Salvation Army Distributes Xmas Cheer to Troops

Reports now coming in give a fair picture of the way many of our boys in the armed forces spent their Christmas Season. Many of them, of course, were home for the holidays but thousands more had to remain on duty and make the best of the occasion where they were.

This was where the Auxiliary Services came in to do their share and their sponsors, the public, should know that the funds donated by them were well spent to cheer the lonely, comfort the sick and warm and make the dullness of a training camp or the grimness of a danger zone seem at least a little like home.

Locally, the Salvation Army at Back Bay ran on a small scale the gamut of activities undertaken in all the larger centres. Captain Hugh Maclean in charge of the work at the camp, saw to it that everyone who was forced to receive something extra for the day. Socks, cigarettes, and fruit were handed out to all, officers and even alike. Special attention was given to those in the camp hospital and on Christmas Eve a special sound film was run in the hospital for those confined to bed.

This is only a sample of the way the Salvation Army carried on its work for all the Canadian servicemen in the Navy, Army, and Air Force. All told, 35,000 boxes of clothing and necessities were given out in the Eastern part of Canada alone, besides fruit, knitted goods, etc. At many canteens in the larger military centres where great numbers of men were on duty throughout the day, lighted Christmas trees, both inside and outside the canteen, lent a festive air to the familiar surroundings. In some centres wives and children of the men were included in the parties given.

There were also those who were spending the Christmas under going detention and detention barracks were no less remembered than the hospitals. Special Christmas stations, to the extent of 500 Christmas trees were given out to men so that they could write to their "folks at home."

On Christmas morning in many places a special religious gathering was held for those who could not attend the regular places of worship. In all phases of life, physical and spiritual, the Salvation Army endeavored to be faithful to its duty by the service to the boys under the sign of the "Red Shield."

St. James Church Annual Meeting

The annual meeting of St. James Presbyterian Church was held last evening with a large and representative attendance. The devotional exercises were conducted by Hon. P.O. Officer J. T. Murchison, R.C.A.F., P.F., reading the report of the session. The business meeting opened with the appointment of Mr. A. W. Hyndman as chairman and Mr. N. D. MacLean as secretary. The sessional report, read by Mr. Somers, paid tribute to Rev. Dr. Moorhead Legate for his faithful pastoral work under most trying circumstances, and referred to the loss he and the congregation had sustained in the death of Mrs. Legate.

Reference was also made to the part St. James congregation is contributing to the King's Forces, 61 members being in the various branches of the army. Excellent reports were read from the different societies, Sunday School, Young Men's Class, Choir, Mission Band, Goodwill Group, Boy Scouts, Sea Rovers, Woman's Missionary Society and Ladies Auxiliary, all showing favorable balances in their finances and increasing interest in all branches of the church's work. The trustees report, read by Dr. Heath McIntyre, was entirely satisfactory and showed the church to be in a firm financial position.

The four retiring trustees Mr. Louis Sadler, Dr. Heath McIntyre, Mr. Aban MacLean and Mr. Arthur Bruce were unanimously re-elected. A very cordial welcome was extended to Mr. Somers who was attending his first annual meeting as pastor of St. James Church. Heartily votes of thanks were tendered to all the active workers. A resolution was passed expressing to Mrs. J. A. Lawson the keen appreciation of the congregation for the fine work done by her as choir leader and president of the Ladies' Auxiliary before her retirement, and to the late organist, Mrs. K. S. Rogers for faithful services. A welcome was also given to the new organist and choir director, Miss Lillian MacKenzie, Mus. Bac. After a full discussion on the financial report of the trustees Mr. Somers closed the meeting with the benediction.

U. S. BOMBERS

(Continued from page 1)

third major enemy assault in two weeks, MacArthur reported to the War Department that ground operations had dwindled in the last 24 hours to desultory fighting, chiefly among patrols. Enemy planes were active in reconnaissance flights, forecasting a renewal of the assaults which have forced the outnumbered defenders slowly back to the rugged 25-mile long neck of land north of Corregidor Fort. Official observers here felt sure the foe would attack again.

The picture of harsh military rule imposed by the Japanese on the Filipinos in the occupied areas of the main island of Luzon was rounded out in the War Department morning communique which said the Filipinos were being summarily deprived of transportation and equipment. Furners have been evicted from their homes by the invaders and forced into labor groups. MacArthur reported, while harvested crops and food stores have been seized.

Even without reinforcements the Japanese were believed to be capable of hurling superior forces, supported by bombers, against continuously against the narrow defence line while MacArthur's men can employ only ground weapons. When the mass invasion started four weeks ago the foe was credited with landing 10 or more divisions on Luzon.

OTTAWA, Jan. 19—(CP)—With egg production "remarkably good," Agriculture Department officials said tonight that present indications are that export requirements for January will be met and possibly exceeded in spite of the strain placed on Canada by British requirements of 30,000,000 dozen before May 31. All provinces from Ontario west now are exporting, and increased prairie winter production has been looked to as a means of greatly assisting the required additional output.
