

**Stern's Fashionable Livery**

Fashionable Livery means stylish rigs; that they are rubber tired, drawn by live and well groomed horses; that we have every style of waggon and carriage that a man of reason could ask for—in fact rigs that compare favorably with those from the finest private stables in town. Our turn-outs haven't got that "livery stable-rig" stamp about them.

This is very reasonable weather for driving—roads are excellent and the air bracing. Use telephone if you like—100.
