

"SPRING FEVER"

The need of a spring medicine seems to be universal. This is due to the fact that during the winter the blood becomes impure on account of the hearty food eaten. This causes that tired, weary, a-1-gone, don't-care-to-work feeling which is so prevalent at this time of year.

BURDOCK BLOOD BITTERS

That Tired Feeling

Mr. F. H. Leard, Saskatoon, Sask., writes:—I have used Burdock Blood Bitters as a blood builder and think it an excellent remedy. Everyone should take it in the spring to cure that tired feeling that comes to so many at this time of year.

Uses it Every Spring

Mr. H. Langley, Hamilton, Ont., writes:—I have used Burdock Blood Bitters as a spring tonic, and I find it the best thing I can take. It builds me right up and I use it every spring. It is excellent for the blood.

Women of Canada You Wish to Retain Vigor, Youth, Beauty?

If you do, there is one sure and unailing method. Hundreds or thousands of women have proven that

PSYCHINE

THE VIGOR OF GIRLHOOD "I am thankful for what PSYCHINE has done for me. I was laid up with weakness, Oh, how I suffered. My appetite was very poor, and my stomach was greatly disordered. Today I am strong and well, PSYCHINE has brought me permanent relief. I feel and look like a new woman now to what I did before taking PSYCHINE. I feel the vigor of girlhood in my veins once more—Mrs J. T. MILLER, 63 Notre Dame St, Winnipeg.

NO TROUBLE SINCE "Six years ago I took PSYCHINE for nervous trouble and disorders common to my sex. I had been in bed for six weeks and no doctor or other treatment did me any good. PSYCHINE strengthened me right away, and brought me permanent good health and restored to me cheeks the bloom of youthful vigor. I have never been troubled since that time." Miss E. A. STERLING, Maxwell, Ont.

This is natural, because, Psychine wonderfully tones up the system, regulates the stomach, aids digestion, makes strong, rich, pure blood, and sends it coursing through the arteries and veins with abounding life and vigor. Every vital organ is directly benefited. It especially tones up and strengthens the delicate female organism. A healthy woman with plenty of rich, pure blood in her veins and cheeks cannot help being beautiful and retaining perpetual youthfulness. Psychine will help you reach this coveted goal. For sale at all druggists, 50c and \$1.00. Dr. T. A. Slocum, Limited, Toronto.

Sinking Sensations in the Stomach

Do They Affect You?

These unpleasant feelings of weakness and collapse indicate that the sympathetic nervous system is out of order. The cause is impairment of nerve tone, arising from failure of the stomach to perform its work. Acute indigestion follows and the natural result is mental depression, and feeling of collapse and extreme weakness. The best, because the quickest and surest cure, is Ferrozone. It acts at once upon the digestive and assimilative organs—it fortifies the stomach—makes the blood nourishing, gives it a rich, red color, the best evidence of health. "For ten years I suffered acutely from stomach troubles," writes Mr. Maxwell Thompson, of Toledo. "I always had a headache and dull feeling after meals. My appetite was poor, and I didn't relish food. It was all due to a weak, defective stomach. I read about Ferrozone and ordered six boxes from any druggist. It was no time at all before I felt much better, and when all the Ferrozone was used I really took a new lease of life. I am stronger, brighter, and feel more like working than before trying Ferrozone. It is a splendid tonic, the best I ever used." Ferrozone is unrivalled in curing stomach ailments, try it and be convinced. Sold by all druggists in 50c boxes. G. B. S. INMAN, Barrister and Solicitor for the Canadian Bank of Commerce, Montreal. LABELED EGGS EASED CONSCIENCE

Put Them in Box So She Could Label Invention "Eggs"

WASHINGTON, April 9—On Saturday last a firm of patent attorneys here received by express a small box labelled "eggs." When opened the box was found to contain a light model of an invention and 12 eggs. The clerks were puzzled, as there seemed to be no connection between the model and the eggs, and were at a loss to understand until a letter in the mail explained that it was from Mrs. W. T. Rossman, the inventor, who lives at Mongaup, Sullivan county, New York. Mrs. Rossman said that to insure safe delivery and careful handling she marked the package "eggs." She put the eggs in, she said, to keep from telling a lie, "and they are strictly fresh eggs." The eggs evidently served their purpose, though five were broken.
