IN THE POLITICAL FIELD.

Hon. Mr. Fielding with Mr. Marcell went from Charlottetown to Pictou County and will be busy for some time in Nova Scotia.

THE EXHIBITION.

Yesterday was a great day at the Exhibition. The delightful weather, the finest show of nature's products ever displayed here, and the attractions of the race course brought thousands to town and to the Fair Grounds, the Buildings and the Grand Stand.

and probably for the entire Exhibition season. Every one, including visitors from a distance, speaks in the highest terms of the wealth and excellence of the display.

Referring to Charlottetown's excellent water supply, few persons are perhaps aware of how the consumption of water is increased at Exhibition times.

EZEMA AGAIN OVERCOME

Zam-Buk cures a Case which for Two Years had Defied Every Remedy Tried. FARMER'S GRATEFUL. TIMON.

No case of eczema, skin disease, or ulceration, should be despised of until Zam-Buk has been applied.

The ailment was mostly in my legs, and both these were actually raw from the knees down.

For cuts, burns, bruises, ulcers, abscesses, pimples, boils, skin eruptions, scaly sores, spreading sores, children's skin troubles, chafing sores, etc., Zam-Buk is unequalled.

Zam-Buk differs from ordinary salves and embrocations in containing no animal oil or fat.

H. T. Begg, Esq., manager of the Bank of Nova Scotia, St. John's, N. S., says: "Last winter I contracted a severe cold, which settled on my chest, after two applications of EMPIRE LINIMENT. I was completely relieved. I can cheerfully recommend it to anyone with like trouble. May 21, 1907."

QUALITY

THE MOST essential requisite to good, saleable merchandise is "Quality" - "Quality" of the highest degree. The "Quality" of an article is that element which distinguishes it from other articles of the same nature.

Good furs are distinguishable from poor ones both in the "Quality" of linings on which they are made and in the "Quality" of their workmanship. We have put our fur department on a sound basis with the reputation of handling nothing but good Quality furs.

The Best Quality In Furs. The past season has more than ever demonstrated the difference between furs and furs. Poorly made, trashy goods have been a drag, while nice, well-made goods have been ready sellers.
