—DAIRY ASSOCIATION.—The annual meeting of the Exmouth Bay and Mt. Carmel Dairying Association was held in St. Philip's Hall on Wednesday afternoon at 2 o'clock. The attendance was fairly good and the tone of the meeting was local in character. The year's work was reviewed and the year's program was outlined. Mr. Harry Darby, Secretary, gave a full report of the year's work. Milk was paid one dollar per hundred lbs. The same officers and directors were appointed.

—HOCKEY.—The first hockey match of the season at Crystal Rink was held on Tuesday evening between the Regals of Alberton and a team from the 105th Regiment. Ernest McQuarrie of the 105th was appointed referee. The game was most exciting and somewhat delayed the game, but when started each team was determined to win. At half-time the Regals had scored one goal to nothing. The last half was more spirited and exciting and the game closed with the score standing 4 to 1 in favour of the Regals. The game was most exciting throughout and was one of the best played for some time. The special from Charlottetown left on return at 11.15.—H.

—SCHOOL WORK.—The semi-annual school meeting at Maximville took place on Friday afternoon, the 21st inst. There was a good attendance of rate-payers and teachers and the manner in which the pupils acquitted themselves was a credit to their teacher, Mr. Doiron. The classes were examined by Miss Leclerc, Miss Gallant, Mr. John P. Arsenault and Mr. Francis Doiron. Remarks were made in congratulatory order of the work done and the good progress achieved by the pupils under the guidance of Mr. Doiron.—M.

—EXAMINATION.—The examination of Kelvin Grove school took place in the school on the afternoon of Dec. 23rd. The school was well filled with rapturizers and visitors, 36 being the number present, which shows the interest taken in education in that district. The pupils were thoroughly examined by their teacher, Miss Nina M. Woodside. Their prompt and correct answers showed that they had been carefully taught. After the exercises the following programme was given by the pupils, which was well carried out: "Address of Welcome," by Jennie Walker; "Christmas Wishes," by Faye Lyle; recitation by Mabone Bynon; song, "Two Little Orphans," by three girls; recitation, by May Walker; duet, "Old Santa Claus," by two girls; "Winter's Children," by two boys; "The Snow Brigade," by two boys; "A Letter from Santa Claus," by Katharine Casely; recitation and duet by three girls; recitation by Fannie Glover; "A Game of Letters" by fourteen pupils; recitation by two boys; "Christmas Dolls" by three small girls; Holly Drill, by two girls; recitation, by Katharine Casely. At the close of the programme the teacher presented each pupil with pretty Christmas booklets and candy, while she, in turn, was presented on behalf of the pupils with a handsome three-piece Toilet Set. At this moment the ladies of Kelvin Grove were to be seen passing around ice-cream and cake, which, if not on the programme, was certainly very much appreciated by all. —ENJOYED SHORT COURSE.—Miss Loretta Gallant, Abram's Village, returned from Charlottetown on Tuesday, where she had been attending the course in Household Science. Miss Gallant was highly elated over her trip, and on being questioned as to her opinion of such training, declared that it must surely be beneficial to anyone who wished to take advantage of this course. The teachers, she said, were very enthusiastic and eager to impart knowledge. Theory and practice were combined, with the result that the students obtained an instruction not to be forgotten. She regretted that there were so few from this section to profit of this splendid opportunity. One important feature of this instruction was economy in the preparation of foods. Miss Gallant was asked by some of the teachers to organize a Women's Institute in this locality. She signified her intention of doing so, if it proved feasible.—M.

How to Have the Best Cough Remedy and Save \$2 by Making it at Home

Cough medicines, as a rule, contain a large quantity of plain syrup. Two cups of granulated sugar with one cup of warm water, stirred for 2 minutes gives you as good syrup as money can buy.

Then get from your druggist 2 1/2 ounces Pinex (50 cents worth), pour into a 16-ounce bottle and fill the bottle with sugar syrup. This gives you, at a cost of only 54 cents, 16 ounces of really better cough syrup than you could buy ready made for \$2.50—a clear saving of nearly \$2. Full directions with Pinex. It keeps perfectly and tastes good.

It takes hold of the usual cough or chest cold at once and conquers it in 24 hours. Splendid for whooping cough, bronchitis and winter cough.

It's truly astonishing how quickly it loosens the dry, hoarse or tight cough and heals and soothes the inflamed membranes in the case of a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough.

Pinex is a highly concentrated compound of genuine Norway pine extract, combined with guaiaicol, and has been used for generations to heal inflamed membranes of the throat and chest.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Toronto, Ont.

### The Tonic Of Health That Really Restores

Must be more than a stimulant—must be a food as well. There is one medicine that is both a food and a tonic—it aids digestion, promotes assimilation, converts food into nutriment that builds up nerves, blood, brain and bone. That tonic is Ferrozine which contains exactly what a run-down system needs. Ferrozine supplies oxygen to purify the blood, phosphorus to develop the brain, iron to harden the muscles. No wonder it makes such vigorous men and women. You'll eat, sleep, think and feel better by using Ferrozine; try it now. Fifty cents buys a box of fifty chocolate coated Ferrozine tablets at all dealers.
