Island as the home for tourists, a party of four, a mother and three children, arrived on the Island on the 24th from Moncton en route to Hunter River to indulge in the spring pastime of casting their nets upon the waters. Hunter River has been, in the past, famed for its speckled beauties, but this arrival of visitors from a distant shore gives a greater incentive to the sport. We trust that many more tourists will take advantage of our natural beauties and spend an enjoyable summer vacation with us."

CHURCH SERVICES
TRINITY UNITED CHURCH
 Rev. Hammond Johnson, in the absence of his co-pastor, Rev. Dr. Ramsay, presided and preached at both the morning and evening services in Trinity United Church yesterday.
 The morning discourse was on the subject of joy as an element in the Christian life and how it must be cultivated; and the lesson of the sermon was reiterated in song by a mixed quartet consisting of Mrs. Fletcher, Miss McKenzie, Mr. Ritchie and Mr. Tweedy. The choir sang the anthem "New every morning is the love," Mrs. Roy Cudmore soprano, taking the solo part.
 In the evening the sermon was on the secret of wise character building, based on the parable of the wise man who built his house upon a rock. The special music at this service included a vocal duet "When I survey the wondrous cross" by Mr. George Johnson tenor, and Mr. Fred Whitehead, bass an anthem "God that madest earth and heaven" in which Mr. Percy D. Williams sang the tenor solo and obligato; and, as an offertory Mendelssohn's chorale and fugue in D minor from the Sixth organ Sonata, played by request.
 Despite the disagreeable weather, there was a large attendance of the choir at both services.
 This is characteristic of the Trinity choir, whose fidelity to duty is a fine example to the congregation.
 In the Sunday School a short missionary programme was carried out. It is the custom to do this once each month. Prof. G. D. Steele presided.
 Two little boys, Allison Gillis and Arthur Heartz recited the twenty-fourth Psalm.
 Miss Berna Huestis sang a solo "Let the lower lights be burning." Mrs. E. H. Rogers read a paper on the life work of Rev. Marc Ami, a pioneer missionary of Quebec. It was announced that the use of the duplex envelope for contributions would be introduced in the Sunday School commencing with the primary department next Sunday.
 Rev. D. A. McDonald, B. A., a missionary of the United Church of Canada to Korea, will, it is expected, be present and deliver an address at the mid-week service in Heartz Memorial Hall on Wednesday at 7:30 p. m. Mr. McDonald is an excellent speaker and his message from far Korea will no doubt prove interesting and instructive.
