—S' side Board Of Trade Holds Monthly Meeting

The monthly meeting of the Summerside Board of Trade was held Thursday night in the town hall with a good attendance of members.

The president, Mr. D. O. Baker read a letter from the Public Health Committee regarding the rooms which have been set aside as a clinic in the town hall. The matter was left over until the next meeting when some members of the town council would be present.

The matter of a public pay telephone in the C. N. R. station was dealt with and the fact that this is about the only town of its size in the Maritime provinces where no public telephone is available was pointed out to the members. The president said the question had been brought to the attention of the local telephone office who felt that the request to have one installed in the station must come from the C. N. R. officials. Mr. Earle Hickey of the town improvement committee was instructed to take up the matter with them.

The president outlined for the benefit of the members the conditions which at present exist in connection with having cars of freight placed on arrival in Summerside. He said that never had there been a time when the need of a shunter here was more keenly felt. The only shunting that could be done under present conditions was done by the engine and crew which operate the regular trains. He paid high tribute to the train crews who work long hours to get the cars out but even at that it is humanly impossible for them to do all that was required. It is a condition of affairs that must be remedied. As an instance present conditions one member pointed out that his company had a car arrive on Wednesday which was unable to be placed until the following Friday. The transportation committee was asked to prepare a brief to be sent to the superintendent of the C. N. R. at Charlottetown in an endeavor to have the condition remedied.

Mr. Earl Hickey pointed out to the board that mail which is destined for P. E. I. by air when it arrives at Moncton is allowed to pile up at that point in the event that there is no plane service to the island due to weather conditions. It was moved that when this condition occurs in the future that immediate arrangements be made to have this mail forwarded by rail to Prince Edward Island if the mail service to Moncton is suspended.

Reporting for the special names committee of the Red Cross drive Mr. L. E. Allen gave an enthusiastic report on the way the drive is being supported. At least one single donation of \$250 had been received, three for \$450 from private individuals had already come in, a large number of \$250 donations and a much larger number of \$20 each had been coming in all day.

A communication from the Provincial President of the Canadian Legion was read in connection with the retirement of Mr. F. J. Casey and the possibility that the inspection office in the province might be closed out and come under the control of Halifax office. It was the opinion of the board that further information be asked for and the

secretary was instructed to communicate with Mr. L. W. Goodwin, inspector of customs at Charlottetown, asking for full particulars on the matter.—S

Urges Grain Elevators For P. E. I.

An important suggestion was made in the legislature on Thursday by Mr. Heath Bruce, Fourth Prince, in speaking on the Budget. He urged upon the Premier the establishment of a co-operation with the Federal Government of two grain storage elevators, one at Charlottetown and one at Summerside, and that feed grain be purchased as soon as it is available in Western Canada, when it was at its lowest price, and brought to the Province by water from the Lake head and put in the storage elevators. It could then be distributed throughout the winter to the farmers of Prince Edward Island. This would make the Province a great finishing centre for beef, pork, poultry and dairy products.

Mr. Bruce also urged in a speech that a trade representative be sent by the Provincial Government to Newfoundland.

—In Memoriam—Marian Ellen Murchison, sixteen year old daughter and only child of Rev. A. G. and Mrs. Murchison, died at the Good Samaritan Hospital, New City, N. Y., on Sunday morning, Feb. 27th, 1944, at the age of 16 years. She was a member of the English Church Presbytery for the past thirteen years. Her funeral was held in Omro, Wisconsin, May 7th, 1927, lived in Prince Edward Island for one year and spent every summer here. She was a graduate from English Church Grammar School in 1939 and at the time of her death was in her final year in the Spring Valley High School. During her years at High School she was a member of the French and Latin Clubs, the Athletic Club and was a member of the High School Orchestra, playing the saxophone, violin and piano. She was quite an accomplished pianist and would have entered Wellesley College in the fall of 1943. She was always interested in her church and school work and will be sadly missed by all her numerous friends.

Funeral services were held at the English Church Presbyterian New City on Tuesday, Feb. 22nd, her class attending in a body. Floral tributes were sent by the church which was established in 1713.

Rev. Robert S. Jones of the Presbytery of Hudson and the Rockland County Ministers' Association, participated in the funeral services.

Services were also held in St. John's, N. B., at the home of Rev. and Mrs. J. M. Murchison. The Revs. E. H. Ramsay, A. D. MacLeod and Capt. the Rev. A. A. MacLeod took part in the service.

The remains were then taken to Charlottetown where services were conducted by the Rev. T. E. McEwen at Trinity United Church. Interment was at Mt. Buchanan Cemetery, Point Prim where she rests in the family plot with those who have passed beyond the shadows before. The committal service was conducted by the Rev. A. E. Evans, pastor of St. John's Presbyterian Church and the Rev. J. M. Murchison of Saint John, N. B.
