# SPRING CLOTHING

FOR

## Men, Youths and Boys

We have just stocked an unusually large and magnificent assortment of clothing for the Spring trade, and would specially call your attention to the fine taste displayed in our selections.

Each suit or garment is the product of the best skill of the foremost manufacturers, and the splendid fit and excellent workmanship at once proclaim them to be strictly high class.

We have all the latest designs which will appeal to men of good taste, and they will be hard indeed to please, who cannot find here something suitable.

Our Spring Overcoats and suits differ from high class custom-made only in price, which is far below what you would expect to pay for such garments.

Our suits for little chaps are good and strong and withal stylish. In fact our Spring suits for men, youths and boys are the acme of perfection, and you should make it a point to see them before buying. We feel confident both goods and prices will please you.

The subscriber offers for sale his farm of 220 acres of choice land 5 miles from Charlottetown, 200 acres are clear and in a good state of cultivation and the balance covered with a fine growth of fir wood, spruce and pines. ## ISLAND BLEND TEA Competition

How many days, hours and minutes will it take the new Steamship lately purchased by the Charlottetown Steam Navigation Co. to come from the pier she last casts off her lines at in Britain until she is moored at the first port of call in P. E. Island?

To establish the superiority of Island Blend Tea over all others, I am going to give the people of P. E. Island an opportunity to thoroughly test its good qualities in the following way:—

To the FIRST person sending the correct answer to the above, or who comes the nearest to the correct answer, I will ship 50 lbs. Island Blend Tea; to the three next nearest to the correct answer, 20 lbs. each; to the next five, 10 lbs. each; to the next seven, 5 lbs. each; to the next ten, 3 lbs. each.

**CONDITIONS.**—Each person making a guess must purchase at least one pound of Island Blend Tea from a merchant. All answers must be forwarded in a special envelope, which will be furnished by the merchant. No other answers than those contained in these special envelopes will be considered. The statement of the captain of the new steamer as regards time taken will be accepted as correct.

All answers must be received by me at least three days before arrival of the steamer. The result will be announced in the newspapers and the tea forwarded to the successful competitors not later than two weeks after the arrival of the steamer.
