Japanese Newspaper Scoffs At Fiske

(Special to Guardian)
TOKIO, Nov. 14.—Near Admiral Bradley A. Fiske has been rebuffed by the Tokio Nichi-Nichi for his speech last Monday in New York in which he discussed the possibility of aerial attacks against the U. S.

The editorial headed "Jingos on the Warpath" the Nichi-Nichi says such speeches mark efforts toward world co-operation. "It is impossible to enumerate every blatant exaggeration and unwarranted attempt to give an impression that Japan is preparing an assault upon the U. S. with blazoning ardor," the editorial says. "Perhaps it is believed that patriotism may be properly demonstrated by such speeches which mark world peace and the efforts to unite Japan and America in the stabilization of the Pacific."

Americans in Japan pronounce the Admiral's speech as ludicrous Japanese aviation, they point out, is in a rudimentary state. The largest Japanese airships are no larger than little blimps. A naval project to fly to Korea, less than 1,000 miles distant, failed this week.

Movement To Oust

(Continued on Page 3)

Wedgewood Benn an influential member of the Liberal party has written a letter to a prominent Liberal organ to the effect that he cannot in any way directly or indirectly acknowledge Mr. Lloyd George as his leader in the House of Commons.

Capt. Benn declares it was not defective party organization that brought about the Liberal disaster. "The vital fault," he says, "is want of trust. The people have no confidence and rightly so in Mr. Lloyd George."

It is pointed out in political circles that of the few Liberals elected to the Commons, most are strong advocates of Mr. Lloyd George and that if the movement against the former premier should grow it would not be among the Liberal parliamentarians but among the Liberals outside.

Island Boys Will Attend Toronto Winter Fair

(Canadian Press.)

MONTREAL, Nov. 14.—Six boys ranging in ages from twelve to twenty one years, winners of the Bacon Hog Competition in Manitoba, Saskatchewan and Alberta, will be competitors in a similar competition to decide the championship of western Canada at the Royal Agricultural Winter Fair at Toronto next week. These boys will be the guests of the Canadian National Railways and the prize for which they will compete is a silver cup and medals donated by W. D. Robb, vice-president of the National System.

The competition which is being held at Toronto is the outgrowth of a plan which has been directed during the summer months by Dan M. Johnson agricultural agent for the company at Winnipeg. The purpose of the plan is to encourage boys and girls in developing swine husbandry in Western Canada, and although the time for development was comparatively limited, the National Railways, working in cooperation with the provincial and federal departments of agriculture, were able to organize a less than twenty six clubs in the three provinces. Each club consists of not less than ten members.

The provincial competitions to decide those who should go to Toronto have been held during the past few weeks and have resulted in the following winners: Manitoba, Neilson Shoemaker and Fraser McQuarry of Grandview; Saskatchewan, Everett Lunan and Raymond Neils of St. Louis; Alberta, Peter Wylie and Albert Jones of Vegreville. These boys will assemble in Winnipeg next Monday and will reach Toronto on Thursday. They will be the guests of the directors of the Royal Winter Fair in Toronto and following their competition on Thursday afternoon they will be the guests of W. D. Robb at a dinner in the evening and at this dinner he will present the winners with the cup and medals.

Six boys from the Maritime Provinces, who have taken part in the hog raising competitions organized by the federal government, will also attend the Winter Fair. They will not be competitors for Mr. Robb's cup but will enjoy the hospitality of the directors of the fair. The winners from the Maritimes are: Earl Lister, Harvey N. B. Bert Smith, Antigonish, N. S.; Earl Blacklock, Fredericton, N. B.; Joseph A. McDonnell, Judique; William Frowse, Brackley, P. E. I.; and Alvin Myers, Charlottetown, P. E. I.

The success of these girls and boys swine clubs in Western Canada as organized by the Canadian National Railways, is indicated by the fact that the clubs have a total membership of seven hundred and that collectively they have raised 1800 pigs during the season. The pigs which have been marketed cooperatively percent select, which can be considered an achievement since the markets at both Winnipeg and Edmonton show less than four percent select hogs for 1924. Raymond Neils of St. Louis, Sask. who is one of the provincial winners, actually produced two pigs weighing 180 pounds each at a total cost of \$5.60 in spite of the fact that he purchased all his feed. Another boy bought eight young pigs in the spring and sold two a few weeks ago for the amount he paid for the eight.

The cup donated by Mr. Robb is for annual competition and it is expected that with the ground work laid, the organization of girls and boys swine clubs throughout Western Canada will develop during 1925 into an organization that will boast of several thousand members and which will develop the hog raising industry into one of very important proportions throughout Western Canada.

The first payment on pledges is due today. Payments may be made at the Campaign Office, Queen Street or to the treasurer, R. H. Jenkins.

Yesterday's Market Report

(Canadian Press)
MONTREAL, Nov. 14.—There was a moderate enquiry from foreign buyers for Canadian grain here today and sales of odd loads of wheat and oats were made for December shipment, but the market on the whole was quiet. There was some demand for western oats and sales of No. 2 Canadian western and No. 1 feed grades were made at C. I. F. prices here. The latter grades were for November shipment from Fort William.

The car lot trade was quiet and prices were unchanged with Ontario No. 3 extra malting barley quoted at \$1.08, No. 3 grade at \$1.07, Ontario No. 2 white oats at 80 cents, No. 2 grade at 55 cents and No. 4 grade at 56 cents bushel. Extra, a steady business continues to be done in all lines of millfeed and the market was fairly active with a firm undertone. Prices were well maintained for rolled oats.

A firm feeling prevailed in the local egg situation although no actual change occurred in prices. Owing to the falling off in the demand for potatoes and the fairly liberal offerings the tone of the market was easier and prices ruled 5 cents for lower quality with sales of Green Mountains at 80 to 85 cents per bag, and Quebec varieties at 70 to 75 cents per bag of 90 pounds in bulk, ex-track. Owing to the limited demand of butter and the liberal supplies on hand, a weaker feeling developed and prices were dropped 1/2 cents per pound on all grades. No change of any importance occurred in the cheese market. A fair amount of business continues to be done in new crop beans and prices were quoted at \$2.45 to \$2.75 per bushel for one and three pound pickers delivered at Montreal.

OTTAWA, Nov. 14.—(Eggs)—There continues to be a good demand for domestic consumption. It is reported that one car of Ontario storage extras offered at 44 delivered at Toronto.

Toronto decidedly firm fresh specks 67, fresh extras 63, storage extras 47 to 48, firsts 43 to 44, seconds 37 to 38.

Montreal firm, unchanged while Manitoba and Saskatchewan markets were also firm and unchanged. Calgary firm, receipts nil, demand very brisk with jobbing firms \$12.98 per case, seconds \$9.90 per case, Edmonton firm, unchanged.

British Columbia local fresh laid firm, paying country points extras 48, firsts 60, live poultry steady, unchanged.

Moncton, N.B., demand good jobbing extras 50, firsts 40 to 42, seconds 38.

Charlottetown, P.E.I., receipts light, consumptive demand good, movement out of storage increases, paying country points extras 38, firsts 34, seconds 28.

Many Imbeciles In Institutions (Special to the Guardian)
MONTREAL, Nov. 14.—"The public often wonders at the residential increase in public institutions. But when one realizes that 13 1/2 per cent of the admissions to British Columbia institutions alone during 1923 were idiots, imbeciles and epileptics, and that these patients will live for many years without hope of improvement, one can more readily understand why we have such an increase in the residential population of Government institutions."

Sir Campbell plans to visit the Maritime Provinces before going to the West Indies, where he has been requested by the British Government to make a study of the entire question of communications.

Dies as Result Of Fork Wound

(Special to Guardian)
YARMOUTH, Nov. 14.—Frances, wife of William O. Saulnier, of Meteghan, died at the hospital last evening following an accident with a fork. A few days previous she had the misfortune to injure one of her hands by piercing it with a fork, and blood poisoning developed. On advice of her physician Mrs. Saulnier was brought to Yarmouth for special treatment, but two days ago other complications created by the blood poisoning developed and caused her death. Mrs. Saulnier was forty years of age and, besides her husband and several children, she leaves at Meteghan and vicinity a host of relatives and acquaintances.

Canada is Rich In Manuscripts

MONTREAL, Nov. 14.—Canada is already richer in manuscripts which will throw further light on her early history in consequence of the banquet given a fortnight ago by Sir Campbell Stuart, Managing Director of the London Times, in the historic Galerie Des Batailles of the Palace of Versailles. Sir Campbell arrived in Montreal this morning and said that already great quantities of manuscripts bearing on Canadian history had

In 1918 the volcano of Kalut erupted and caused many deaths, variously estimated at from 15,000 to 50,000. Besides Kalut there are many active volcanoes in the island with its 4,000 square miles. Some of these seismic disturbances have been accompanied by heavy floods and landslides.

Turks Must Quit Mosul Today

(Special to the Guardian)
LONDON, Nov. 14.—The Turks are expected to withdraw from Mosul under instructions from the League on Saturday but so far they have given no signs of going. The British government is quite prepared to give them a few days grace but if there is any attempt to evade the League's ruling the British are quite determined to take the necessary steps promptly and effectively.
