

Had to Give up and go to Bed.

Several Doctors Attended But Did No Good.

Milburn's Heart and Nerve Pills CURED.

Read what Miss L. L. Hanson, Water-side, N.B., says: "I feel it my duty to express the benefit I have received from Milburn's Heart and Nerve Pills. A year ago last spring I began to have heart failure. At first I would have to stop working and lie down for a while. Then I got so bad I had to give up altogether and go to bed. I had several doctors attend me but they did me no good. I could get no relief until urged by a friend to try Milburn's Heart and Nerve Pills. Before I had used three quarters of a box I began to feel the benefit and by the time I had taken three boxes I was completely cured."

Milburn's Heart and Nerve Pills cure nervousness, sleeplessness, palpitation of the heart, skip beats, and all troubles arising from the heart or nerves.

Price 50 cts. box, or 3 for \$1.25, all dealers, or THE T. MILBURN CO., Limited, TORONTO, ONT.

To the Electors of West Annual Scottish Concert Queens.

GENTLEMEN—A writ having issued calling an election for West Queens on the 16th February next, to select a representative to serve in the House of Commons, and having been nominated as the Liberal standard bearer at a very large and representative convention held on the 24th December last, I take this opportunity of soliciting your votes and valued support, as it will be impossible for me to call personally on each elector. I am conscious of the fact that whilst much has been done by the Laurier Government since they obtained power, to advance the interests of the people of this Province, there are still some matters that require attention, and if elected I will use my best efforts to further promote the welfare of Prince Edward Island generally and West Queen's in particular.

I have the honor to remain Yours faithfully, HORACE HASZARD.

TO THE ELECTORS

Of the City of Charlottetown. At the request of many citizens I have decided to offer as a candidate for the Mayoralty.

I take this opportunity of soliciting the votes of the citizens. If elected I shall exert myself to promote the interests of the City to the best of my ability.

Yours respectfully, FRED K. KELLY.

TO THE ELECTORS OF CHARLOTTETOWN

Ladies and Gentlemen—By the request of a large number of electors I have consented to offer for the Mayoralty at the coming Civic Election. I have been in the City Council for nearly twenty-five years and have a good idea of the city requirements. I am opposed to the system of issuing debentures for ordinary civic work and placing same to capital account. I consider it is time to call a halt on that line.

I ask all my friends to come forward on Election Day and vote for me, as it will be impossible for me to make a personal canvass of the whole city. By so doing you will oblige.

Yours truly, ALEXANDER HORN.

Having purchased from Mark Wright & Co. THE MORNING GUARDIAN

MONDAY JAN. 25, 1904. MAILS BY THE CAPES.

There was a measure of promptness in transferring the mails to the Capes route during last week's interruption of the winter steamer service, but there was a sad delay of the incoming mails in consequence of the neglect to promptly forward the mails over the N. B. and P. E. Island Railway from Sackville to Tormentine.

What was needed was a special train on the Sackville Tormentine road. This is one of the things that proper official foresight would have provided, but it was neglected.

The railway and postal authorities must know by this time what is required. There has hardly been a single season in twenty years past in which at some time of the winter this Province has not been dependent upon the ice-boat service and the Capes route for both its outgoing and incoming mails. Therefore the emergency should always be foreseen and provided for.

The strength of a chain is its weakest link. A special train from Charlottetown to Cape Traverse and the ice boats plying across the straits are so far good, but if there is detention at Tormentine or Sackville, as there was last week, all the effort to get a prompt and efficient service by way of the Capes is defeated.

Last winter there were special mail trains put on the Sackville Tormentine Railway. Previously in Sir Louis Davies' time when satisfactory arrangements could not be made for specials on that road, teams were employed to carry the mails between those points.

This is a matter that should not be left till the last moment. Knowing that the service must be needed at some time during the winter it ought to be arranged for before hand. When the steamers are interrupted by ice on the Georgetown route the last mail for the Island is left at Picton. It necessarily takes time to have it transferred to Sackville. This delay is unavoidable, but when between Sackville and Charlottetown there is a further delay of twenty four hours for want of a special train the trouble is too grave to be lightly passed over. With a

special we would be one day behind with our mails; without a special we are two days behind, the delay being as follows: twenty-four hours from Sackville to Tormentine, a distance of 36 miles, and twenty-four hours from Tormentine to Charlottetown.

Now that the general elections are put off the St. John Globe intimates the possibility of Parliament sitting out its full term.

Hon. Albert T. Dunn, Surveyor General in the New Brunswick Government, will be shortly appointed collector of Customs at Saint John.

Just now the four Liberal dailies of New Brunswick are not pulling together. In fact the Telegraph, Globe, and Gazette of St. John and the Transcript of Moncton are each striking a sort of go-as-you-please attitude, and are freely criticising each other's sayings. With two important by-elections pending they will perhaps shortly find the necessity of more harmonious action.

"I am well now and enjoying better health than ever before in my whole life."

That is the statement of a woman who had never been well until she was made well by the use of Dr. Pierce's Favorite Prescription. There are a great many other women in like case. They have always been sufferers from disease. They have never known the joy of perfect health.

For all such women Dr. Pierce's Favorite Prescription holds out the prospect of perfect and permanent health, by the cure of the womanly diseases which weaken women. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"It gives me pleasure to let you know of the great benefit received from Dr. Pierce's medicine and the advice which you so kindly sent," writes Mrs. Bertie Parker, of Bonham, Fannin Co., Texas. "I took your 'Favorite Prescription,' 'Golden Medical Discovery' and 'Pleasant Pellets,' and followed your advice regarding the 'Lotion Tablets,' and am cured. I had been treated by different doctors and spent one hundred dollars for treatment and medicine, but received very little relief. I have only spent seven dollars and fifty cents for your medicine and it has cured me in three or four months of ulceration and falling of uterus. I suffered severe misery in my back, also irregular periods. Had bearing-down in lower portion of body and great pain all through my body. Pain in uterus very severe. Had smothering spells, breath very short all the time, had pain in stomach, pain in my thighs, pain in breast, also between my shoulders. I was better than ever before in my whole life. Am happy to tell you that I was cured by your good advice and good medicines, the 'Favorite Prescription,' 'Golden Medical Discovery,' 'Pleasant Pellets,' and 'Lotion Tablets.' These medicines cured me and will cure others also."

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss, therefore accept no substitute. Dr. Pierce's Pleasant Pellets regulate the bowels.
