

A BAKING SUCCESS WHICH YOU CAN DUPLICATE IN YOUR HOME WITH BEAVER FLOUR

BEAVER FLOUR

All the talk about Western wheat flour being "pastry" flour, is just plain talk. Anyone who knows anything about wheat, knows that Western wheat flour cannot and does not, make as good Pastry as "Beaver" Flour.

Western wheat has what the bakers call strength. It makes a big loaf of bread—but the bread is spongy and lacks flavor. Ontario wheat, blended with spring wheat, makes the ideal bread and pastry flour.

The bakers of Toronto and London—the experts at the agricultural colleges—and thousands of homes in Ontario, Quebec and the Maritime Provinces—have proved that "Beaver" Flour is superior to any Western wheat flour, and is equally good for Bread and Pastry. Try it.

PRINCE EDWARD ISLAND AS A SUMMER RESORT

THE LAND OF PURE DELIGHT FOR TOURISTS AND HEALTH SEEKERS

SOME OF P. E. I. ATTRACTION

Prince Edward Island is the best spot on earth in which to spend a vacation. It is more, it is the ideal land, we've all heard and sung about in the halcyon days of childhood and youth, "The Land of Pure Delight." Some of its outstanding features are:

A LAND OF BEAUTY.

Three hundred and seventy-eight years ago Jacques Cartier wrote:—"All this land is low and the most beautiful. . . . This is a land of the best temperature which it is possible to see." Thousands of tourist visitors attest that it is more beautiful today, and the most attractive summer resort in the entire Dominion of Canada.

A DELIGHTFUL SUMMER CLIMATE.

Gentle breezes laden with the breath of the sea blow from the south and the west all through the long summer days, dying with the red and gold amber and green of a gorgeous sunset. The nights are always cool and bright, refreshing rest and sleep. There are no fogs.

A LAND OF HEALTH.

In no country does so large a proportion of the people live to a green old age. Only about one per cent of the population dies each year. The report of the Registrar of Vital Statistics for the year 1911, in which year the mortality was larger than usual, shows that of a total of 1,114 deaths there were:

- 566 over 60 years of age;
- 411 over 70 years of age;
- 214 over 80 years of age;
- 42 over 90 years of age;

The infant mortality of other countries is almost unknown here. There is no other land under the sun where 40 per cent of the population live to pass the seventy year span of life!

A LAND OF ABUNDANCE.

In no other country is there greater abundance of the best food and clear, sparkling water in town and rural districts alike.

- Lamb of the finest flavor;
- Eggs, milk, butter and cheese;
- The most luscious oysters in the world;
- Lobsters in great abundance;
- Sea and brook trout, mackerel, cod, etc.;
- Wild geese, brant, plover, duck and partridge in their season;
- Strawberries, raspberries, blueberries, cranberries;

Apples and plums of rare excellence; cherries and small fruit are plentifully produced.

AGREEABLE SOCIAL CONDITIONS.

The Island is socially a land of the golden mean. Few are very rich and almost none are poor. The great majority enjoy comfort and prosperity. Sobriety and order everywhere prevail. In no part of the American Continent is there proportionately so little serious crime.

There are no tramps and beggars are unknown. Churches and schools are abundant.

POSTAL AND OTHER FACILITIES.

There are 468 post offices—ones to every 4 1/2 square miles. Throughout a large part of the Province there is free delivery of the mails daily at the farmers' road gates. The Prince Edward Island Railway intersects the Island in every direction, bringing four-fifths of its area within five miles of the rails. Telephone lines all over the Island connect 175 towns, villages and settlements.

SOME SPECIAL ATTRACTIONS FOR TOURISTS

ON THE NORTH SHORE.

The rampart of sand dunes, fifty miles long, thrown up by the waves. The long shallow lagoons inside the dunes, the haunts of fish and waterfowl. Scores of miles of broad, clean, hard sand beaches, the delight of bathers.

IN GENERAL.

Surf bathing and sheltered sea bathing; Shooting wild geese, duck, brant partridge and plover in their season. Fishing brook and sea trout, mackerel and other sea fish. Clam baking, picnicking, oyster digging. Boat sailing and rowing. Hundreds of motor boats.

IN CHARLOTTETOWN.

Victoria Park, 60 acres within ten minutes' walk of the Post Office. Beautiful walks and drives, tennis courts, cricket and baseball. The Belvidere Golf Links. Amateur Athletic Grounds. An excellent Free Public Library. The Legislative Building, seat of a Legislative Assembly older than the United States Congress. The Micmac Encampment at Rocky Point. The old French Fort at the Harbor's mouth. Seventy miles of land-locked waters for boating, bathing, oyster fishing and clam digging.

THE FOX RANCHES.

Tourist visitors and investors will find great interest in seeing the scores of fox ranches that are thickly dotted over the western and central portions of the Island. There are upwards of 150 of these ranches. There are hundreds of these black and silver beauties, each with a present selling price of \$6,000 upwards. A single black fox represents the value of a good farm, with all its buildings, fences and live stock. The total value of all the black foxes on the Island is believed to be over \$7,000,000. The Island is the recognized headquarters of this important industry. Eighty-five per cent of all the valuable foxes in captivity throughout the world are within P. E. Island ranches.

Had Rheumatism WAS CONFINED TO HIS BED FOR FOUR MONTHS.

Mr. W. H. Riley, Riddell, Sask. writes:—"It is with the greatest pleasure that I can recommend Doan's Kidney Pills to all suffering with rheumatism. I was so bad with this terrible disease, I was unable to get up from my bed for four months, and nothing seemed to relieve me until a friend recommended Doan's Kidney Pills. I had my doubts about them, but was so desperate I would try anything suggested to me. After taking half a box I was able to get up, and after taking two boxes could get around quite well. After taking six boxes I was completely cured, and able to work for the first time in five months and have not had a touch of rheumatism since. Anyone who saw me then would not know me now, as I am strong and active since, taking your valuable medicine."

Rheumatism is caused by the presence in the blood of uric acid, and the kidneys not working properly is the sole cause of this, and unless you remove the acid by flushing the kidneys, there is no possible chance of getting rid of rheumatism.

Doan's Kidney Pills help the kidneys to flush out the acid and poisonous impurities which have collected, and thus clean out the kidneys, and dispel the rheumatism from the system.

Doan's Kidney Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.

In ordering direct, specify "Doan's."
