SAINTS AND ABBIES BATTLE TO 3-3 TIE YESTERDAY

Easily the Best Game Handed Out This Year—Abs Score In First Period, While Saints Come Back and Even Count in Second.

Adopting the open style of play yesterday in their second gridironally battle of the season, the St. Dunstan's and Abegweits displayed the toughest game seen here in the last few years, and when the final whistle blew, the issue was still undecided, the score standing "3 all."

The Abegweits showed the effect of their last two weeks' training against the tough and heady Saints, who by dint of sheer doggedness in the first period staved off certain defeat, as the red and black line-up in their almost irresistible line plunging and punting kept the majority of play confined in the Saints' danger zone for almost the 25 minutes. As it was the University team were forced to rouge three times for safety in order to save. Only once in this half did the red and white look dangerous, but only for a few minutes at the outset when a dribble gain supplemented by Joe Sullivan's nice run nearly gave them a counter, but for the beautiful tackle of Ferris, the Abbie half man, who pulled "Sullie" down on the five-yard line. The Abs were later forced to rouge at this stage of the game.

After this rouge there was nothing to it but a general Abegweit pilgrimage into the University territory, Shea, the red and white full back completing the march by a costly fumble. He opened the gates and the Abbies said "Let's go!" and dribbled the ball over, Matheson, the huskie Abegweit forward with the help of Gordon, who was following closely, touched the pigskin for a marker.

After that first half the red and white line-up realized that the "open style" and Abegweits were first cousins, and if they hoped to "carry on," more pep would have to be shown, especially on the front line—Such was the case, for when the second period of hostilities began, the Collegians went on the offensive—the local supporters yelled encouragement to the red and black squad, which in those few minutes gave way under the determined rush of the smashing University plungers, while the S.D.U. coterie of followers went wild with delight as they saw what seemed defeat turn towards a drawn struggle. Four successive times from the red and black 25-yard line did the Saints make gains; Jennings, the scrappy red and white side quarter finally going over and tying the score.

The remainder of the half was more or less zig-zag play, with the Abegweits perhaps having somewhat the edge in territory.

The chilly weather interfered considerably with the attendance yesterday and no doubt had the afternoon been warmer a record crowd would likely have viewed the best game so far this season.

Game by Periods.

Kennedy kicks off for the Abbies the ball going for a gain to the Saints' 25-yard intouch line. On the pass out Collegians receive the ball, which is dribbled for a considerable gain. The Abegweit scrim loses the ball frequently; Joe Sullivan, after being "fed" gets away for what loks like a touchdown, but is successfully tackled by Ferris, the speedy Abegweit half-back. Numerous scrums then took place on the red and black 5-yard line; the city team being finally forced to rouge for safety. As a result W. J. McDonald kicks on 25-yard line for Abs, the ball being nicely returned by Shea in-touch for a gain of 20 yards.

The play now hovered around the Abbie 5-yard line, but the situation is relieved by "Billie Archie" with one of his usual timely kicks, the pigskin going well into centre field. Gallant, the red and white half, goes for a good run here, but is downed before becoming dangerous.

A great deal of kicking by both teams featured the game here, with the Abegweits slowly but surely working to the red and white 5-yard line. Sullivan gets a kick in which for the moment relieves, but the Abbies are undaunted and continue to gain, the ball finally gets away from Shea on a fumble, the Abbies quickly take advantage and dribble over the line. Gordon and Matheson right on top scores for the first counter. The touch was not converted.

The Abbies continue their battering attack and it looks as though another score is eminent, but Shea redeems himself with a nice save by bringing the play back to neutral territory. This brief respite, however, was short-lived as the red and black forwards who were playing championship football, were reporting progress, and soon had the Collegians scrumming up on the 5-yard line. The Saints' front line of the scrum "paws" the ball to Alex McDonald, who goes for a slight gain before being brought to earth by Leo McDonald. The Abbies again take the offensive, Wacky McEachern and Ferris showing some good work, but the gain realized was soon lost on a oling pass to Wedlock, who fails to handle, with the result that the pigskin is dribbled well into his team-mate's territory. The gain was only momentary as Fred Kelly, with a series of timely punts soon has the play again in red and white territory. The Abbies force the play once more into their opponents' territory, and once more the Collegians rouge to save a score.

Joe Sullivan again kicks for the Saints, the ball is returned by Ferris; Sulivan again endeavors to kick in-touch, but Kelly intercepts and punts to the University 10-yd. line. A series of scrums take place here, the Abegweits looking for a further counter again humble the Collegians by forcing them to rouge.

A few minutes later, after some zig-zag play in centre field, the whistle brought the half to a close.

Second Period.

The Saints started off in this half giving their opponents a demonstration of affective offensive work, by carrying the ball after the return kick to the Abbie 25-yard line, where a scrum took place. Gallant, on getting the ball on the heel-out, passed to Joe Flemming who made a brilliant run for a 15-yard gain. The red and white clan sensing a tally so had the Abbies on the run; their efforts being finally rewadred when Jennings on a fine piece of going carried the ball over for the tying score.

On the kick-off, Joe Flemming once more goes for a long gain by taking a zig-zag course through the Abbie forwards, and looked ood for the 5-yard line, if not further, but as the footing was somewhat moveable, he unfortunately slipped, the Abbies falling upon him before he could rise.

The Saints' offensive work was showing up to good advantage here, as the Locals were continuing to lose ground and a second touch-down had a very decided look, but fortunately for the latter, the University squad was given a penalty kick, when Williams in his endeavor to stop a runner made a false tackle. The kick went for naught, the ball falling short of the bar.

On the resumption of play, the Saints again get away for a gain Gallant carrying the ball well into red and black ground, McEachern stopping him with a tackle pleasing to the eye.

For the next few minutes play was confined to long punting by both teams, the Abbies get away on a dribble, but lose the advantage on Gillis' nice kick, his team-mates following closely works the ball to the Abs' 15-yard line; another kick, with smart following up, force the city team to rouge.

On the kick the Abbie forwards started to show some of their first period class by forcing the Collegians to give ground and holding the most of the play on red and white territory. The Abbies now on the offensive, were working for a score, forcing the ball to the Saints' danger line. It was now the Abbies' turn for a free kick on a false tackle, when a score looked equally good. It was of no use, however, the ball falling short by ten feet.

With only a few minutes left to play each team fought like Trojans, the play going back and forth The Abbie half-line looked good for a moment when Ferris gets the ball, passes to McDonald, who in turn slips it to McEachern, the latter comes whin an ace of going over when he starts to hurdle but is brought down in the nick of time within three yards of his objective.

After considerable scrum work the red and white players work the ball out of danger to their 20 yard line, where the whistle brought one of the hardest and snappiest games of recent years to a close.

"Toby" McMillan handled the game as per usual.

The line-ups:—

S.D.U.—Full back, Shea; halves Gallant, Sullivan, Gillis, Flemming; quarters, A. McDonald, Jennings Keefe; forwards, McCabe, Coady McGuigan, Gavin, O'Brien, A. Gillis, R. Johnson; spares, Landrigan, B. McDonald, McCarey, J. McDonald.

Abegweits,—Full back, Williams; halves, W. A. McDonald, Wedlock, Ferris, McEachern; forwards, L. McDonald, Goodwin, Tanton, Coughlan, Kennedy, Matheson, Horne.

ABEGWEITS MAY CROSS STICKS WITH GRANITES

Word was received yesterday that the Abegweits, Maritime hockey champions, have been selected by the M.P.B.A.A.U. of C. as a worthy aggregation and qualified to play the Granites, amateur hockey champions of Canada before their contemplated trip to Paris on January 10th.

This decision was arrived at during the recent annual meeting of the Maritime Athletic Moguls at Moncton, and if satisfactory arrangements can be made, an effort will be put forth to have the Canadian champions play here shortly after the New Year.

This is not only good news to the local hockey enthusiasts but is a source of much satisfaction to the promoters and admirers of this widely famed hockey team, which has yet to find its equal.

INTERNATIONAL SCHOONER RACE IS STILL UNDECIDED

Columbia Leads Bluenose For Over Half the Course Only to be Called in on Postponement of Race for Second Time.

(Canadian Press.)

HALIFAX, Oct. 31.—With never a breeze above eight knots, the American challenger Columbia, ghosted along over more than half the Halifax ocean course today, in the lead of the champion Bluenose, sometimes as much as half a mile ahead. But the efforts of skippers and crews to sail the second race of the series for International Fishing Schooner Championship, were of no avail, for with only an hour of the allotted six left, not much more than half the course had been covered, and sixteen miles of a thresh to windward lay ahead.

The Bluenose supporters are not downhearted that the American vessel led them today, because they feel confident that with enough wind to finish the second race within the time limit, the series will be theirs. They take confidence out of the fact that after the race was called off the wind breezed up and the Bluenose with an advantage of the windward position, reached the finish line far ahead of the Columbia.

As on Monday, the Canadian vessel thrived on a lop, which the wind of last night threw up, while the Gloucester vessel seemed to be thrown off.

"ZEV" AGAIN TO THE FRONT

(Canadian Press)

NEW YORK, Oct. 31. —Making his first start since conquering Papyrus in the International race, Zev, the crack Rancocas Stable three-year-old, won the five thousand dollars Autumn Championship Stakes at the Empire City today.

RACE SATURDAY FOR $50,000

(Canadian Press.)

NEW YORK, Oct. 31.—Eastern turf enthusiasts are turning their eyes towards Latonia, where Zev is slated to match strides in the fifty thousand dollar championship next Saturday with My Own, Rear Admiral Grayson's sterling colt.

My Own was a rival of Zev's for selection as United States representative in the $100,000 contest with Papyrus at Belmont Park. They have never met but barring unforeseen developments in the race, the championship is expected to have an important if not decisive bearing on their rival claims to United States three-year-old homers for the year. The distance is one mile and three quarters.

Y. M. C. I. GETS INDOOR MEET

(Canadian Press.)

ST. JOHN, Oct. 31.—Sanction for the Maritime indoor field and track championships has been awarded to the Young Men's Catholic institute of St. John, by the Championships Committee of the M. P. B. A. A. U. of C.. Date not yet decided upon, but it will likely be within the next three weeks.

Second P. W. C. Won Over L. of C. 3—0

The second game of football between the Second Prince of Wales and the League of the Cross team played Monday afternoon at the Abegweit Grounds resulted in a win for the former by a score of 3 to 0.

Both teams entered into the game with great zest, and played hard football. The Prince of Wales by winning Monday's game evens up matters with the League of the Cross who won the first fixture.

GERMAN REPORTERS SAD AS CRUISER WASTES BREAD

DANZIG, Oct. 31.—A group of German newspapermen recently visited the United States cruiser Pittsburgh in this harbor, and joined in saying the most astonishing thing they saw was the tossing overboard of a quantity of white bread left from the moonday meal of the crew. "It was the first white bread most of us had seen in years," one reporter declared.

None of the visitors wrote much about the cruiser's armament. It was the kitchens, the food and ways of serving meals that held their attention.
