Caste "The Return Of The Immigrant"

Pictured above are the characters as they appeared in the one-act play entitled "The Return of the Immigrant", staged recently at the Empire Theatre. The play was one of three which made up the final Studio Night performance by the Little Theatre Guild for this season. Left to right: Mary (Miss Hilda Jenkins); Maggie (Mrs. Arthur Henry); Kirsteen (Doris Downe). The play was directed by Mary Moran. —Photo by Saunders.

Rose Again Before Court In Montreal

MONTREAL, May 4 — (CP) — Fred Rose, former member of Parliament now serving the third year of a six-year sentence for conspiracy in the Soviet spy ring, faces additional prison terms as the result of new charges being pressed against him by the Crown.

The charges are a follow-up to the conspiracy count on which he was convicted. Rose is now accused of having violated the Official Secrets Act. He was found guilty of having conspired to break the same.

These charges had almost been forgotten when Rose was suddenly brought out of prison yesterday and arraigned in the Court of King's Bench to be advised that the Crown intended to proceed against him.

But the dapper, 40-year-old Rose, a trifle more bald than when he stood trial here two years ago, protested bitterly at being hauled into court. His counsel, Joseph Cohen, also expressed disapproval of the Crown's action.

Egg Production In P. E. Island Continues To Climb

Production of eggs in Prince Edward Island continues to increase. Mr. F. M. Nash, senior poultry products inspector said in a Dominion Department of Agriculture egg and poultry market report.

Operators of registered egg grading stations report receipts 10 per cent higher than last week and running slightly higher than for same period last year. Quality is excellent and the bulk of supplies are moving through the Special Products Board to be stored in future delivery to Britain or to be dried and made into egg powder for export.

There were five carlots exported from the Province last week, four to Special Products Board and the remainder in lot lots to other Maritime points.

There has been no change in prices and grading stations continue to quote for ungraded eggs. A large 37 1-2-38, AM 35 1-2-36, A pullet 26-30, B 29-31, C 18-20.

Hearing Aids For Deaf In Classroom

(By The Canadian Press) HALIFAX, May 5 — One class room of the Halifax School for the Deaf has been fitted with individual hearing aids on the desks and will serve about half of the children attending, Principal Karl C. Van Allen said today. Other classrooms would probably also be so equipped soon.

Mr. Van Allen said the aids would be a benefit to only those children who had partial use of their hearing, but that each desk was equipped "for psychological reasons."

Communist Deported

TORONTO, May 5 — (CP) — The train carrying Reid Robinson for deportation to the United States left Toronto this afternoon after Robinson's appeal for discharge from custody was refused.

He is being escorted back to the U. S. on a deportation order as a Communist.

The Marketing of Eggs

The flat rate buying of eggs at so much a dozen without eggs first being graded works to the detriment of the farmer or poultryman, who is buying feeds and endeavouring to sell a quality product.

Producers selling to grading stations do receive the premium but those accepting a flat rate price for eggs do not or they do not receive any more for their eggs than the poorest fed flock in the area.

He was arrested in Timmins, Ont., March 23 by the R.C.M.P. An Immigration Board recommended deportation, charging that Robinson favored overthrow of the Government by force and that he had been connected with Communists in the United States before coming to Canada.

RENEW BOUNTY ON SEALS VANCOUVER — (CP) — Bounty of \$5 on hair-seals, salmon destroyers, has been renewed for this year. The fisheries department pays the bonus when seal noses are turned in.

Fears Held Missing Men Are Drowned

(By The Canadian Press) CAMPBELLTON, N.B., May 5 — Police said tonight they believed two men missing since Monday night had drowned while attempting to cross the Restigouche River in a small boat.

Monday night, when they missed the last ferry run, they telephoned the reservation for a boat to pick them up. When the boat failed to arrive they took a light skiff and started across the river.

Sore, Raspy Throat Gets Fast Relief

You can effectively treat an old cough with Catarrh-o-sene, which quickly soothes the irritated surfaces of the throat. In using Catarrh-o-sene, you do not take any medicine into the stomach. You breathe a cooling vapor direct to the bronchial tubes and lungs; this vapor is so full of helpful medication that colds, catarrh and bronchitis get relief almost immediately.

Very simple to use Catarrh-o-sene — sprinkle it on your handkerchief and inhale the soothing vapor; it should do your cough or cold a world of good. Start today with Catarrh-o-sene and get on the road to health.

HAD LOT TO SAY TRAIN FOREIGN WORKERS

LONDON — (CP) — During 1947 Britain's post office coast radio stations handled 687,681 radio telegrams to and from ships at sea, containing more than 10,000,000 words.

LONDON — (CP) — Britain is offering jobs this year to 100,000 workers from abroad, skilled in mining, textile work and agriculture. Certain unskilled workers will be accepted for training.

GYPROC

Fire Protective WALLBOARD

"Dad's wise to fire danger!"

Swift as lightning, fire can race from room to room to demolish an entire dwelling, before help can arrive.

That's the risk if the flammable framework in walls and ceilings is not covered with a fire-protective material like GYPROC WALLBOARD. Made of gypsum, GYPROC gives priceless fire-protection. Like your plaster walls, it prevents fire from spreading... holds back the flames.

GYPROC won't burn... can't catch fire. It provides each room with a barrier of protection against flames.

When building walls and ceilings, play safe with the ever-ready protection of GYPROC Fire-Protective WALLBOARD.
