Mr. and Mrs. R. C. Parent, Provincial Commissioner and member of the Provincial Executive respectively, paid a visit to the Parkdale Cub Pack this week. The visitors paid high tribute to the capable way the pack is being run by the Cubmaster, Mrs. G. Beer and her two assistants, Major Waddell and Constable Fry of the R. C. M. P. They were so impressed with the high quality of the pack that they incorporated into the big concert this month as their part in the program. The visit to this pack was in the nature of an inspection trip in regard to the concert. Other troops and packs can look forward in the near future to having these visits.

Registration

Four more registrations have been received since the last write-up. There are still more to come. The action contemplated in the last news will be taken on February 12—So beware!

Scouters' Club

The regular meeting of the Club will be held at the home of Mrs. G. Beer, Parkdale, Monday, February 7th, at 8 p.m. A representative (at least) is expected of each troop. The most important item to be discussed concerning the concert, Remember—Scouters' Club the concert was your idea, get behind it 100%, as there is a lot of beautiful new waffle design. Well with it: tickets, stage management, properties, lighting, ushers, announcer, etc.

Field Trips

Two field trips have been carried out by the St. Vincent orphanage on the past two Saturdays. Last week "Red Pine" accompanied the Executive Commissioner and his help was greatly appreciated. Sixteen Cub Scouts comprise the membership of this group.

Wanted

A Cub and Scout leader to look after a Cub Pack and Scout Troop at the Roman Catholic orphanage—apply P. H. Q.—the need is urgent. Yours in Scoutism, G. T. ANDERSON, Executive Comm.

Kirk Pack

Sixty Rogers Bell of the Silver Six was presented with his Three Year Service Star at the Pack meeting on Monday. It was decided to do a Jungle Dance at the Cub-Scout Concert instead of "Up The Cubbing Ladder" on the night of the length of the latter takes. Just which Jungle Dance we will do has not been decided yet. There are three good songs in the Jungle Dance of Kaa the Python, the Dance of the Death of Shere Khan or the Dance of the Taboo. All these Jungle Dances the Cubs do well.

Mums and cubs seem to be keeping some of our Cubs from meetings, and we hope all these illnesses will soon be over.

Sister Peter MacNutt and Second Donne Taylor passed their Signalling last Thursday with Baloo. Out of a class of six Cubs, only two is a very poor showing. Every Sixer and every Cub who is 11 years old should know his signalling.

Attention parents of Kirk Cubs: There are still a few photos of the pack available. If you want one, send 50¢ with your Cub to the next meeting and we will give him one.

PETERBOROUGH, Ont. (CP)—Aiming at 1,000,000 man-hours without a lost-time accident, Canadian General Electric plant here is having its second try for the record. The first attempt was broken by a freight car going through the west wall of the plant.

W.C.T.U. NOTES REPAYMENT You can't pay people back for the kindness they show to you when you're in trouble. There isn't any money, what you owe them. You can go on paying them back forever, and still be indebted to them. Sometimes they don't need any help. Or maybe the kind of help they need you can't give them. All you can do is look around for somebody that is in need of help and do what you can for them, figuring that it will all be cancelled out some day.—William Maxwell.

Wine is a mocker, men were told by Solomon, the sage of old. Whose wisdom was by all extolled. Three thousand years have passed away. And men of science day by day New wonders to the world display. To higher knowledge men attain. And later learning now makes plain That alcohol deceives the brain. Entering the blood it reaches first The highest cells and harms them to the north.

It dulls the sense and slows the thought. Brings judgment and control to naught. By just one glass this harm is wrought. —Cobbers.

At the annual meeting in Grace United Church Hall, November 19th, 1948, an attendance of ninety-five was recorded.

The first speaker of the afternoon was Rev. Ronald Watts, Weyburn, Sask. He spoke on "Alcoholism, its cause, cure and prevention." He also brought interesting information concerning the Yale School of Alcohol Studies which he attended on a Scholarship from the Saskatchewan W. C. T. U. The second address of the afternoon was by Rev. Dr. N. Feist, O.M.I., rector of St. Joseph's Roman Catholic Church in Winnipeg. He spoke on "Temperance, the all important virtue."

Reports were also brought to the afternoon session from the W. C. T. U., presented by the Provincial President, Mrs. McNeil of Stony Mountain, Man. She outlined the work that organization was doing around the Dauphin district particularly—and emphasized the wonderful work done by Miss Edna Grant, who is the outstanding W. C. T. U. Secretary.

The speaker in the evening came from the Alcoholics Anonymous organization, bringing a message of the rules of that group and the work accomplished so far by them. He brought forth the point that the addict when he is treated could no longer help himself and asked for their help, but the Manitoba Temperance Alliance operated along educational lines, prevention being the theme they emphasized.
