Red Sox And Tigers Fight It Out With Homers; Sox Win 11-8

NEW YORK, May 21—(AP)—Boston Red Sox and the Tigers fought it out with home runs again today, Boston winning 11-8 to gain a split in the two-game American League series at Detroit.

Jimmy Foxx provided the winning margin with his second home run with the bases loaded in two days, equalling a record held by Babe Ruth and Bill Dickey.

Ted Williams, Bobby Doerr and Roger Cramer also connected for circuit clouts for Boston, and Hank Greenberg and Rudy York hit homers for the Tigers.

Detroit outhit the Sox 16-11, Barney McCosky and Charlie Gerhinger getting four safeties each, but 10 Tigers were left on base.

New York Yankees reinstated their world series lineup and turned the tables on the Indians 10-2 at Cleveland. The victory, however, still left the Yanks in last place.

A 12-hit assault produced the first double-figure victory of the season for the champions, but the hitting was no more sensational than the three-hit pitching of young Marius Russo.

New York won the game with three runs in the first.

George Selkirk, led the attack with two doubles and a single, driving in four runs, and Charley Keller hit a homer in the seventh.

The White Sox defeated Washington Senators 9-8 at Chicago when Larry Rosenthal drew a ninth-inning walk with the bases loaded. The victory kept the White Sox in seventh place.

Rosenthal worked Rene Monteagudo, fourth Washington hurler, for three balls and a strike before he was relieved by Bucky Jacobs. Jacobs, tossed one pitch, a ball, and the game was over.

Idaho Athlete A Bit Oversize

MOSCOW, Idaho, May 21 —(CP) —A one-word description of Otis "Rook" Hilton is "oversize."

The skyscraper University of Idaho athlete is six feet, eight inches tall.

They had to get him oversize basketball shoes—each one filling an ordinary shoe box—before he could turn out for the hoop sport. Naturally, he played centre.

And after playing last season with an ordinary size first baseman's mit, his baseball coach, Forrest Twogood, this year provided him with an oversize glove 12 inches wide and 16 inches long. That's two inches wider and four inches longer than the standard measurements.

So now he wears the largest first baseman's glove in collegiate baseball.

Campus tape-measures also believe Hilton has the greatest reach of any collegiate first baseman. He can easily stretch nine feet after the horsehide, and that's a great help to Idaho infielders flagging some flying foe leading down the first base line.

Twogood, who coaches both baseball and basketball, regards it as a lucky day when the Arkansas Alp came out of the mountains and enrolled at Moscow.

Garner Claims Texas Leaguer

WASHINGTON, May 21 —(CP)—Take it from Vice-President Jack Garner a prominent Texan was the inventor of the Texas leaguer in baseball and his name was Jack Garner.

Garner, talking with Joe McCarthy, manager of the New York Yankees, explained in a recent meeting of the two famous figures:

"When I was a young fellow I loved to play ball but I wasn't much of a hitter at first. I couldn't drive the ball very far and I wasn't fast enough to beat out infield hits. So I figured the best thing to do was just tap the ball over the infield.

"I did that and it was very successful. All the young fellows around our town started doing it and finally it spread over the state and somebody started calling that kind of hit a Texas Leaguer."

Brooklyn End 3-game Losing Streak On Dolph Camilli's Single In 9th

NEW YORK, May 21—(AP)—The Dodgers escaped from a three-gmae losing streak today by beating Chicago Cubs 4-3 at Brooklyn on Dolph Camilli's single with the bases loaded in the ninth.

It was the only game weather permitted in the National League and closed the margin between Brooklyn and the first-place Cincinnati Reds to one game.

Until the final frame Claude Passeau had the Dodgers almost helpless on four hits.

The Cubs got to Whitlow Wyatt for all their runs in the second and third innings—first on a homer by Bill Nicholson and then on a two-run circuit clout by Jimmy Gleeson.

Frank Haye's homer with the bases full was wasted as rain stopped the Philadelphia-St. Louis game after the first of the fifth with the Phillies leading 6-0 just a half inning short of an official game. The teams met at St. Louis.

Wings Keep First Place; Beat Royals 5-4

MONTREAL, May 21—(CP)—Rochester Red Wings tightened their hold on first place in the International Baseball League today as they edged out Montreal Royals 5-4.

The Wings got three runs off Lee Grissom, former Yankee and Cincinnati left-hander, in the first inning on two walks and a home run by Eloin Adams, and added two more in the fifth on a walk and four singles.

Lester McCrabb held Buffalo Bisons to two singles, while his batterymate Milton Gray came through with a timely triple to give the Maple Leafs a 2-0 victory at Toronto.

Tommy Reis yielded five hits and Newark Bears walloped the Giants 6-1 for a sweep of the two-game series at Jersey City.

The Bears collected 12 blows off Hal Feldman and Al Cohen, coming from behind with a three-run attack in the seventh that drove Feldman to the showers. Eddie Levy hit a three-run homer off Cohen in the ninth inning.

Chicago Cubs Gay Despite Many Injuries

NEW YORK, May 21—(AP)—You might think Chicago Cubs would be grumpy with all their injuries, but Manager Gabby Hartnett is gayer, if grayer, than ever and the whole entourage is having a lot of fun, which goes to show nothing matters as long as you win.

Including today's game, the Cubs have had 227 runners stranded on the base paths in 29 games and the Chicago writers are planning to award a trophy to the 250th Cub left on base. It will be one of those cane seats spectators carry at golf matches.

Allied Currencies Break Sharply On U. S. Exchange

NEW YORK, May 21—(CP)—The currencies of the Allied nations lost heavily in the foreign exchange market today following the news that the Nazi military machine was moving deeper into Northern France.

The pound Sterling declined 10 cents to $3.17 in terms of the United States dollar. The Canadian dollar and the French franc hit their lowest price in years. The Dominion unit closed 1 5-8 cents down at a discount of 22 per cent (Ottawa Foreign Exchange Control Board rate 909—9.91 per cent discount). The franc fell .08 1-4 cents to 1.77 cents.

The Belgium belga and the Netherlands guilder were unquoted.

Trade in the market was thin and the rates fluctuated nervously. Offerings of Sterling in lots of £5,000 were enough to sway the price.

World Sugar Futures Go Down Sharply

NEW YORK, May 21 —(AP) — Wave after wave of liquidation broke over the war-nervous sugar futures market today.

World futures broke 15 1-2 to 19 1-2 points to the lowest prices for the life of the contract. In a little less than a week, brokers noted, the July delivery has lost more than 1-2 cent a pound. July closed 1.12B; Sep 1. 1.11B. Sales totalled 22,150 tons.

The domestic list withstood the selling assaults with more vigor, but ended down 8-11 points on turnover of 17,000 tons.

In the raw market, all first-hand sellers withdrew and buyers indicated no interest. Hedged sugars, two cargoes of cubas, were held at 1.90 cents a pound but believed available lower in view of the break in futures.

Refined remained at 4.50 cents a fine granulated with withdrawals said to be holding up well.
