what'll we do there with Bill an' Hope if we go t' live with 'em? Don't suppose they'll hev any hosses t' take care uv er any wood t' chop. What we'll hev t' do is more'n I can make out. We can't do nuthin'; we've never learnt how."

"We've thought that all over," said Uncle Eb. "We may have a place in the country with a big garden."

"Well," said she, "I'm very well if I am over sixty. I can cook an' wash an' mend an' iron just as well as I ever could."

Uncle Eb came to the door then. "Bill," he said, "I want you an' Hope t' come out here an' look at this young colt o' mine. He's playful 's a kitten."

We put on our wraps and went to the stable. Uncle Eb was there alone.

"If ye brought any Crissum presents," he whispered, "slip 'em into my han's. I'm goin' t' run the cirks t'morrow, an' if we don't hev fun a-plenty I'll miss my guess."

"I'll lay them out in my room," said Hope.

"Be sure an' put the names on 'em," Uncle Eb whispered as Hope went away.

"What hev ye done with the 'b'lers?" he inquired.

"Sold 'em," said he, laughing. "Barker never kep his promise. Heard they'd gone over t' the burg an' was tryin' t' sell more territory. I says t' Dave, 'You let me manage 'em an' I'll put 'em out o' business here in this part o' the country.' So I writ out an advertisement for the paper. Read about this way:

"For sale. Twelve hundred patented suction wash 'b'lers. Any one at can't stan' prosperity an' is learnin' t' swear 'll find 'em a great help. If he don't, he's a bigger fool 'n I am. Nuthin' 'n 'em but tin—that's wuth sumthin'." Warranted t' hold water."

"Waal, ye know how that editor talks? Twan't a day 'fore the head man o' the 'b'ler business come an' bought 'em. An' the advertisement was never put in. Guess he wuz bankerin' t' hev his business sp'it."

Uncle Eb was not at the supper table that evening.

"Where's Holden?" said Elizabeth Brower.

"Dunno," said David. "Goin' after Santa Claus, he told me."

"Never see the beat o' that man!" was the remark of Elizabeth as she poured the tea. "Just like a boy every Crissum time. Been so excited for a week couldn't hardly contain himself."

"Ketched him out 'n the barn t'other day laffin' like a fool," said David. "Thought he was crazy."

We sat by the fire after the supper dishes were put away, talking of all the Christmas days we could remember. Hope and I thought our last in Faraway best of all, and no wonder, for we had got then the first promise of the great gift that now made us happy. Elizabeth, sitting in her easy chair, told of Christmas in the olden time, when her father had gone to the war with the British.

David sat near me, his face in the firelight, the broad brow wrinkled into furrows and framed in locks of iron gray. He was looking thoughtfully at the fire. Uncle Eb came soon, stamping and shaking the snow out of his great fur coat.

"Col' night," he said, warming his hands.

Then he carried his coat and cap away, returning shortly with a little box in his hand.

"Jes' thought I'd buy this for fun," said he, holding it down to the firelight. "Dummed if I ever see the like uv it. Whoa!" he shouted as the cover flew open, releasing a jumping jack. "Quicker'n a grasshopper! Dye ever see such a bawzy little critter?"

Then he handed it to Elizabeth.

"Wish ye merry Christmas, Dave Brower!" said he.

"An't as merry as I might be," said David.

A Young Lady Transformed!
All the charm of Girlhood restored.

This is only one of hundreds of cases in which "Fruit-a-tives" changed Pale, Sallow Skin into the Rosy Bloom of Health.

Too many women have sallow skin—bad complexions—dark circles under the eyes—headaches—backaches—sick stomachs.

Too few women have the robust health and rosy bloom of girlhood—that "Fruit-a-tives" preserve.

Some women don't realize how surely Constipation undermines the health and brings premature old age.

The intestines do two things—give up nourishment to the blood—and carry off waste matter.

But—if Constipation keeps the waste IN the intestines, the blood takes up poison instead of nutriment.

It is this waste—carried all over the system by the blood—that causes Heartburn, Sour Stomach, Indigestion, Bad Breath, Headaches, Backaches, Sallow Skin, Pimples, Pale Faces and Thinness.

The woman who wants—
—a fine complexion
—to be free of headaches and backaches
—to eat well, sleep well and look well
—to feel well ALL THE TIME
can have her wish if she takes "Fruit-a-tives."

Miss Jamison tells how she found the happiness of health in

Fruit-a-tives
or Fruit Liver Tablets.

MASSON, P.Q., Nov. 16th, 1904.

Gentlemen:—
I have much pleasure in reporting to you the great benefit I have received from taking "Fruit-a-tives" and I feel that I cannot say too much in favor of a medicine which has done me so much good. I was a martyr to that distressing complaint, Chronic Constipation, accompanied by severe headaches, backaches, sick stomach and all the symptoms of dyspepsia. I had also a dreadful complexion, sallow in the extreme and black under the eyes. I had every symptom of kidney irritation and I had been told by physicians that my kidneys were affected. I consulted a number of physicians and took various remedies but received very little benefit. Last May I was advised to try "Fruit-a-tives" and when I began to take them I had little faith of getting anything to give me permanent relief, but after I had taken half a box, the constipation was relieved, the headaches left me the pain in my back was better and I could sleep as soundly as when I was a child. Also, my complexion began to clear up again, all the sallowness disappeared and the black circles under my eyes went away. The pain in the back gradually left me and all signs of kidney disease disappeared by the first of August after I had taken three boxes. Since then I have continued to improve and now I am none of my old symptoms and my appetite is good, digestion splendid and my complexion as clear as when I was a young girl. Also the constipation from which I had suffered so long has been entirely cured and it is not necessary for me to take the "Fruit-a-tives" now as I am quite well in every way. I took no medicine but "Fruit-a-tives" but I followed faithfully the directions as to diet etc. given in the pamphlet which accompanies each box of "Fruit-a-tives."

To all persons suffering from constipation and indigestion, headache and backaches, and particularly those with sallow complexions, I would strongly recommend them to try "Fruit-a-tives" and faithfully carry out the directions in the pamphlet. I feel certain they will find this medicine simply marvellous. I might also say that the action of "Fruit-a-tives" is very mild and non-irritating, no griping is felt and the stomach is sweetened by taking them.

(Signed) FLORENCE JAMISON.

"Fruit-a-tives" are NOT cathartics. They contain NO calomel, jalap, cascara, "oil," or "salts."

"Fruit-a-tives" are fruit juices in tablet form.

They are a discovery that deserves to rank with anaesthetics and vaccine.

"Fruit-a-tives" are a tonic for the bowels. They tone up the intestines, make them move regularly and naturally.

"Fruit-a-tives" cure Constipation just as surely as chloroform cures pain.

If you are suspicious of your health, don't wait for proof and sickness. Take "Fruit-a-tives."

All druggists have these health preserving, pleasant tasting fruit tablets.

50c. a box—and worth ten times so to any woman who wants to enjoy the luxury of perfect health.

Manufactured by FRUIT-A-TIVES LIMITED, OTTAWA.
