YORK POINT WINS AGAIN.—The people of Cornwall and surrounding districts met in the Hall at Cornwall on Wednesday, Feb. 18 to witness the final closing for this year at least of the spelling match which has created so much interest in the settlement in connection with the different schools. Much credit is due to the scholars of York Point School especially Miss Lois Morehead who nobly stood her ground and won two years in succession with the help of two other scholars. It is understood that the trophy given through the kindness of Rev. Mr. Millett must be won three times in order to become the property of the school who has the good fortune to secure it. Her friends hope that his young lady will be in a position to win it another year or if not that some other scholar equally bright may again win the victory for the third and last time in favor of York Point School—One who was present.
