Carnival—Friday night.
 THE members of Professor Earle's
 Pirates of Penzance intend holding a
 dance in the Lyceum this evening.

On the 23rd inst a very enjoyable evening
 was spent at the pleasant home of N.
 R. McNevin, Esq., of Canoe Cove at
 whose place many of the near neighbor-
 hood met to do honor to themselves
 and their country. There were many
 toasts drunk and responded to,
 which brought glee and laughter, which
 indeed would have done credit to a regal
 assembly. Conspicuously in the audience
 could be seen A. C. MacKinnon of Cole-
 man, John McMillan and N. J. McNeill,
 Esq., West River with many others. Thus
 many hours were spent banqueting which
 were brought to a close with congratula-
 tions to the host and hostess.

The Loyal Orangemen of Crapaud Dis-
 trict held their annual meeting in the
 Orange Hall at Long Creek on January
 19th inst, 1904. The weather was dull but
 roads fair. All the Lodges in the juris-
 diction were represented. Worshipful
 District Master John A. McDougall occu-
 pied the chair. The meeting was called to
 order with every officer except one present
 and in his official place. There were
 some interesting discussions touching on
 the work of the Association and particu-
 larly our own District. Worshipful Dis-
 trict Master went to great pains to explain
 the claims of the Wallace Orphan's home
 and suggested that this District favor the
 home; and the Lodge was unanimous.
 The Worshipful District Master then
 read his address which was listened to
 with great interest, after the transaction
 of business of a routine nature. A splen-
 did supper was served in the lower part
 of the Hall under the direction of the
 ladies of the village, Worshipful District
 Master being the caterer. The election of
 officers resulted as follows:
 John Bee, District Master.
 John F. Hayes, D. D. Master.
 James Gordon, Dis. Chap.
 D. J. Campbell, Dis. Rec. Sec.
 F. McDougall, Dis. Fin. Sec.
 Albert A. McDonald, Dis. D. Treas.
 John G. McPhail, Dis. of C.
 Fred Campbell, Dis. Lec.
 The installation was conducted by Past
 Dis. Master Crisp Moore and after address-
 es of the newly elected officers which
 were full of encouragement for the future
 advancement, lodge closed. The next
 annual meeting will be held at DeSable

A very enjoyable evening was spent at
 the home of A. S. and Mrs. Nicholson,
 Valleyfield, on Jan. 18th, when a large
 number of the scholars and teachers of the
 Grand View Sunday School, together with
 their gentel pastor, Rev. A. J. McNeill,
 gathered for the purpose of making a
 presentation in appreciation of Mr.
 Nicholson's untiring and faithful services
 as superintendent of the Sabbath Schools
 of the Orwell congregation. Rev. Mr.
 McNeill made a neat and very appropriate
 address referring to Mr. Nicholson's
 earnest and unselfish endeavors to pro-
 mote the welfare of the church and
 Sabbath School. Malcolm A. Martin, in-
 behalf of the Grand View Sunday School
 then presented Mr. Nicholson with an
 elegant writing desk and Mrs. Nicholson
 with a handsome chenille cover. In
 reply Mr. Nicholson said that he was
 so completely taken by surprise as to
 render it almost impossible for him to
 express in words his gratitude for and
 appreciation of the handsome tokens of
 their esteem, and that highly as he valued
 the gifts he esteemed still more the genu-
 ine and kindly feelings, which, he knew
 prompted the giving. A sumptuous rep-
 ast, prepared from the well-filled baskets
 brought by the young ladies of the party,
 was then partaken of and the remain-
 der of the evening was spent in parlor
 games and music both instrumental and
 vocal. After mutual good wishes and
 good-byes the party dispersed to their
 respective homes each one feeling better
 and happier for being thus associated.

Well Balanced Nerves
 Your Success in Life Depends
 Upon Them.

If Lacking in Nerve Force, Build
 Up Your System With Ferro-
 zone—It Has Helped Others—
 Let it Help You too.

Happy is the man who can work unces-
 singly without fear of an "attack of the
 nerves." He gets along, prospers, rises to
 position of power and importance. The
 strong man is pushed over the heads of
 his weaker brothers by virtue of being
 capable to do and act when necessity calls.
 The weak nervous man is distanced be-
 fore the race starts. But he shouldn't
 give up without trying what Ferrozone
 can do for him. This strengthening tonic
 has great power for building up people
 who are run down, tired and exhausted.
 Ferrozone starts right at the root of the
 trouble and drives all impurities out of
 the blood. Then it gives the blood an ad-
 ditional supply of iron and other strength-
 ening elements which enables it to nour-
 ish the nerves back to normal condition.
 Once the nerves are toned up, indigestion
 and stomach trouble disappear. Then
 your system is in good order, and capable
 of being rebuilt in the proper way. Nerve
 tissue is formed, baby muscles begin to
 harden, weak organs regain strength, and
 before long the half-wrecked man glories
 in the new-found vigor that Ferrozone
 has brought him.
 You may have tried a hundred reme-
 dies; they may all have failed. But this
 doesn't influence you against Ferrozone,
 which is so different from other prepara-
 tions. Ferrozone actually makes blood,
 and makes the kind of blood that is valu-
 able in maintaining health. Then Ferro-
 zone has a wonderful action on food, con-
 verting it into nutriment, so that every-
 thing you eat is going to be useful to your
 body.
 Ferrozone is unexcelled as a rebuilding
 tonic for children, women and men the
 young and old, in fact, everybody can de-
 rive benefit from Ferrozone, which is espe-
 cially recommended for chlorosis, anaemia,
 lassitude, weakness and all disorders aris-
 ing from impaired nerves or blood. Try
 Ferrozone yourself. Price 50c per box or
 six boxes for \$2.50. Sold by druggists and
 by mail from N. C. Polson & Co., King-
 ston, Ont., and Hartford, Conn., U. S. A.

CARD
 At the solicitation of a large
 number of Electors of Ward Four
 I have consented to contest the
 ward at the forth coming election
 Upon the important question,
 (Electric lighting) which engages
 the attention of a large portion of
 the citizens, I deem it necessary to
 state my views, I am in favor of
 City Ownership and supplying
 light at cost, as it is with the sewer-
 age and water at present.
 I elected I will always use my
 influence toward the improvement
 of the City and the condition of
 the citizens generally and especial-
 ly those of Ward Four. As my
 time is limited and I may not be
 able to make a personal canvass, I
 take this means of stating my
 views and asking your support.
 I am always as I will be if elect-
 ed your humble servant.
