FINANCE

By Frederick Gardner Associated Press Financial Writer

American Woolen common was up 3-4 and the preferred 2 5-8. Other gainers of fractions to around a point were U. S. Steel, Bethlehem, Chrysler, Douglas Aircraft, Union Carbide, Consolidated Edison, Santa Fe, Southern Railway, Sears Roebuck and U. S. Rubber.

PEACE NEGOTIATOR
Henry Berenger, chairman of the French senate's foreign affairs committee, has been named by Marshal Petain as chairman of the committee, which will negotiate peace with Germany and Italy, according to Spanish sources.

British forces in Egypt have shown hard-hitting initiative. They have penetrated 30 miles into Italian Libya and have taken several hundred prisoners, including a general and his wife, and two forts. The British operations are noteworthy when it is considered that they have to transport water over hundreds of miles of desert. Italian land forces have generally been taken by surprise and have shown little inclination to resist.
