

Detroit Red Wings Defeat Rangers 4-1

(By The Associated Press) DETROIT, Feb. 28.—Detroit Red Wings tonight scored a 4-1 victory over New York Rangers in a National Hockey League battle before 11,123 fans at Olympia, cutting short Rangers' bid to snap Detroit's string of six games without a defeat.

Although the outcome of the game had little effect on the league standing, neither team pulled any punches from the opening whistle. The Detroiters spotted the Rangers a point in the first period when Al Demarco tipped in a short pass from Grant Warwick at 14:02.

Detroit battled to equalize the count in the second period and drew even at 2:54 as Joe Carveth skated in on goalie Charlie Frenck, took a pass from Fernand Gauthier, and sent the puck slithering under Rayner's skate.

Adam Brown, netting his 17th goal of the season which put him atop the Detroit scorers, collaborated with Sid Abel and Carl Liscombe to put Detroit in the lead at 17:18. The Wings were never in great danger.

John Patrick and Jerry Couture were in the penalty box for some mutual high sticking. Ted Lindsay swarmed in on Detroiters in a 3-1 lead. Gauthier, who already was credited with two assists, slammed the Detroit drive with a goal at 17:18 of the first period.

Summary: First Period 1—New York, Demarco 14:06 Penalties: Stewart, Jackson, Leewick.

LACK OF SPORTSMANSHIP DELORED Sir—An unfinished hockey match between Victoria "Unions" and Murray Harbour on Tuesday night in Victoria rink is the subject of much debate as the Murray Harbour boys refused to play the third period. They complained that the Unions were too rough, although none received any injury, except one, whose finger was slightly bruised.

Mr. Crilly Lea from Murray Harbour and Mr. Wendal MacPhail of Borden National, who were very fair, the only penalty being given to Lou MacLeod of the Unions.

This lack of sportsmanship is deplored by the rink management, fans and referees, for it is a well known fact that Mr. Lea has satisfactorily refereed championship games both here and in the adjoining rink of the Maritime Union, but never before in Victoria rink or wherever they played, have they or their opponents refused to finish a game.

New York City Financially Embarrassed

(By The Canadian Press) NEW YORK, Feb. 28.—New York City isn't broke but it's financially embarrassed. In the offering is the highest tax rate in the city's history and an election year that's a bitter pill for Mayor William O'Dwyer and the Democratic Party.

Largest, richest municipality in the United States, New York City's annual budget of close to \$1,600,000,000, second only to that of the federal government, New York City officials say, will fall short of meeting its obligations in the next fiscal year unless new taxes are levied.

Mayor O'Dwyer received state permission to impose new taxes in 1945, but he has not done so. Mayor O'Dwyer proposes to raise the \$142,000,000 from new taxes on part-mutual betwixt racketeers, hotel room amusements, utilities, luxuries. He also seeks to double the city's one-per-cent sales tax—originally imposed for unemployment relief—and use the proceeds for improvement of the subway system and municipal power plants.

Retusal of state aid, officials have said, means that the city's real estate tax will rise to its highest level in history. The present rate is \$2.10 for every \$100 of assessed real estate. Gotham's skyscrapers are assessed at some \$100,000,000. The record rate was in 1944 when it soared to \$2.88.
