THURSDAY

The preliminary hearing in the case against Leo McIntyre and Irving Lewis, charged with breaking in to the Alberton station in June last, was heard before Stipendiary Tweedy at Alberton yesterday, and after the hearing of several witnesses, the prisoners were sent up to Supreme Court. Neil McQuarrie, K. C., for the Defendant, and G. Gaudet of Hazzard & Gaudet's for the Crown.

A quiet wedding took place on the evening of October 12th, at the residence of Thomas W. Wyndham, 2115 York St, Vancouver, when Miss Barbara MacLennan of Georgetown, Prince Edward Island, was united in marriage to Dr Edwin D. Carder of Vancouver by the Rev Dr Perry, Pastor of the First Baptist Church. After the ceremony Mr and Mrs Carder left for a honeymoon in the south.

A gift that will live long in the memory of the people is a splendid Globe heater stove, presented by W. H. and Mrs Slackford of Bradshaw to the Brackley Point Road church. The thoughtfulness on the part of the donors is thoroughly appreciated by the congregation, who all join in thanking Mr and Mrs Slackford for their kindness. Such gifts show the keen delight the donors take in making the House of the Lord not only beautiful but comfortable.

A correspondent from St Peter's writes:—Within the last few weeks, or so, two valuable cows have been killed here, right opposite the railway station. There is generally a long string of box cars on the switch north of the track and a long platform on the south side of it. The poor animal is enticed in by some sweet looking grass or some potatoes which have been spilled in hauling to cars. The train comes rushing along and the cow tries to escape to the north but the cars prevent her she then turns about to rush across the platform but is struck at that moment by the train. In fact it is a veritable trap. Does the railway not have to keep the station yard fenced in, or are cows allowed at large?

FRIDAY

The temperature registered forty-five degrees above zero at the highest period yesterday and the coldest as thirty nine above up till nine p. m. The coldest recorded the previous night was thirty nine degrees above.

James Newson and bride left on the express yesterday morning returning to Boston, after having spent a few weeks visiting the groom's former home at Cornwall, the guests of his sister, Miss Thankful, and his brother, Allan Newson. They also paid a short visit to Georgetown and Hazelbrook, Oct 18. They will reside at 85 Tuttle St, Dorchester, Mass.

Mrs Emma Wright, Berkeley, California, who has been visiting friends and relatives in this Province, leaves shortly for her home on the Pacific Coast. Mrs. Wright has had a most enjoyable trip, having visited the Seattle Fair on her way, and during her sojourn here, has had the pleasure of meeting many friends and renewing acquaintances of former days. She is a daughter of the late Wm Macneil, Ex-M. P. and her aged mother still resides on the old homestead at North Rustico, with her daughter Mrs. F. W. Woolner. On Tuesday evening, Oct. 12th, a farewell party was held at the old home, which will long remain a pleasant memory to all who were present. The house was a veritable bower, being artistically decorated with autumn leaves, ferns, dahlias and sweet peas. The hours passed all too quickly with conversation, music, recitations, speeches, etc., until the guests were invited to the dining room where a sumptuous supper was served. At a late hour the company dispersed after singing "Auld Lang Syne," and all wishing Mrs. Wright a safe and pleasant journey home. She will be accompanied as far as Seattle by James and Mrs. Howatt of Victoria.

Is Your Husband a Drunkard

Is Your Father a Drinking Man? Is Your Son on the Downward Way?

YOU CAN SAVE HIM Write to This Woman To-Day

She cured her husband, her brother and several of her neighbors, and now she generously offers to tell you of the simple, inexpensive remedy that she so successfully used. The remedy can be given to the patient without his knowledge, and is not a matter of publicity or private affairs. She is anxious to help others who are afflicted with this terrible disease, and she earnestly advises every one who reads this notice to drop her name in today. She makes no charge for this help, she has nothing to sell, she has no money and she accepts none, so there is no reason why you should not write her at once. Of course, she is not interested in curing one who is not interested in curing one who drinks, and she is not writing out of mere curiosity. Send your letter in confidence to her home. Simply write your name and full address plainly in the coupon below and send it to her.

MRS. MARGARET ANDERSON, 217 Home Avenue, Hillburn, N. Y. Please tell me about the remedy you used to cure your husband, as I am personally interested in one who drinks.

While Samuel Craig, tailor, Kent Street, was crossing the street Wednesday night, he had the misfortune to get his foot caught in a wire which tripped him suddenly, throwing him to the ground. In putting out one arm to save himself he sprained the extended wrist, necessitating the attendance of a doctor. His accident will inconvenience him to no small extent as, just at this time, he was superintending the moving of his stock and fixtures from Queen to Kent Street.

At the City Police Court yesterday two small boys, Colter and McKinnon, charged with larceny of \$9 from the store of Mrs F. Trainor, Rochford street appeared before the Magistrate. McKinnon was dismissed and Collier was also released, though on suspended sentence. J. McLean charged with breaking into Dan Murray's shop and stealing meat was remanded till Saturday. The prohibition case against Lun Murray was adjourned for a week. Henry Brown for non-payment of dog-tax was fined \$1 and costs.

The wedding of Miss Lizzie Lyons, one of Iona's most popular young ladies to James D. McKenna, a prosperous young farmer also of Iona, took place in St Michael's church, on Tuesday morning, Oct. 19th, Rev J. Gaudet officiating. The groom was supported by his brother, P. J. McKenna, while Miss Annie Lyons, sister of the bride, acted as bridesmaid. After the ceremony the bridal party, accompanied by a number of their friends, drove through the surrounding country returning about noon to the home of the bride's parents where dinner was sumptuously served by Miss Catherine Lyons, sister of the bride. In the evening a large number of invited guests assembled and the tripping of the light fantastic was indulged in until the arrival of the "wee sma' hours." The bride was the recipient of many beautiful and useful wedding gifts which showed the esteem in which the young couple are held.

The Annual Thank offering Service of the W. F. M. S. of Zion Church was held last evening and was largely attended. Rev. A. W. and Mrs. Thomson, of Trinidad, were present, and held the full attention of the audience. Mr Thomson's address was most impressive as he pointed out in eloquent appeal the grand opportunities for Christian Service among the people of India who have come to the West India Islands. Mrs Thomson charmed her hearers in a bright and practical presentation of life and work among East Indian Women. The opportunity of hearing these earnest missionaries will long be remembered by those fortunate enough to be present. A number of girls of the Mission Band wore native costume, adding much to the interest of the meeting. Appropriate music was rendered by the choir including a solo by Mrs S. C. Moore. Mr and Mrs Thomson are being entertained while in the City, by Mrs J. E. Matthews.

One of the most thriving industries in the city of Oldtown, is the Oldtown Canoe Company, whose officers are as follows: President—Herbert Gray; Secretary and Treasurer—Samuel B. Gray; Directors, Herbert Gray, George A. Gray, Samuel B. Gray, George H. Richardson and Alfred B. Wickett. The company began business in 1899, gradually increasing its output until now it is producing 2,500 canoes per year and has a pay-roll of about sixty hands, with the possibility of a large increase in the near future. The citizens of Oldtown will note with pleasure the announcement that this company began Thursday morning to break ground for a new brick building 80 x 20 and three stories. The first floor is to be used as a packing room, the second and third floors for paint shops and manufacturing in general. The building is to be located at the rear and just west of the present factory running north 80 feet. May the Oldtown Canoe Company's success continue. May they continue to grow until their present output of canoes is the numerical for the number of employees. The Gray-Richardson corporation is a big factor in Industrial Oldtown. (The Mr Wickett referred to is a native of Granville, Lot 1, P. E. I.)

There passed peacefully away on the first day of October, John Howitt, at the advanced age of eighty six years. He was a son of the late Adam Howitt and in his young days taught school. He always said he was the teacher that learned the Hon. George Foster his letters. He was loved and respected by all who knew him. It can be truly said a good man has gone to his reward. Also on the fifteenth of October his brother William died. On the day of his brother's death he was stricken down with Bright's disease and although suffering greatly was able to say if it was the Lord's will he was ready to go. He has passed away not leaving an enemy. Any one who had the pleasure of his acquaintance will always remember his kind and loving nature. He was thrice married, his first wife being a daughter of A. Aert Muirhead of Tryon, his second a Miss Matheson of DeSable and his surviving wife a Miss Villett also of DeSable. His funeral was largely attended. Mr McDougall and Rev Mr Thompson conducted the services at this house. In a short time three brothers have passed away, George of Tryon, who died in June who was eighty four. He also was a quiet and greatly loved neighbor, one who always took a large interest in the welfare of his country. He was married to Miss Holland of Tryon, who predeceased him some years ago. All three were laid to rest in the Cape Traverse Cemetery, where their ancestors were laid to rest.

E. Island Methodist Conference. This evening Rev. Mr Steel will speak in Portland Street Church under the auspices of the Local Laymen's Missionary Movement committee, at a meeting open to all.—St John Sun.

—Lieut. Gov. McKinnon opened the Ekmont Bay Farmer's Exhibition held there on Tuesday. Although the weather was most unfavorable, yet the attendance was large. Many prominent persons were present from different parts of the Province, including Senator Yeo, Hon John and James Richards, Hon J. Gaudet, a leading Roman Catholic Clergyman of this Province. This exhibit is far exceeded any previous show held there. There was a large number of entries in the different classes. The show of grain and fruit was exceptionally good, also the roots. The horse show was splendid and it would be hard to find a better lot of young horses in the Province. The cattle and hogs made a very fair showing.

—The first contingent of schooners from Newfoundland and Nova Scotia ports have arrived at Montague for cargoes of reduce. On account of the continued wet weather farmers haven't finished digging, and loading for a time parts from which the potatoes are being raised are much below the average. Many farmers have hardly half the usual quantity to the net. Heavy rains during August and September are no doubt the cause. A good deal of rot is also reported in the early kinds of potatoes, especially green mountain, a variety that does well in Nova Scotia and suits the American and West Indian markets, but have seen a losing crop to grow and shippers in this Province, on account of liability to decay, due to soil or climatic conditions. So far our markets are narrowed down to the Nova Scotian, Newfoundland and Cape Breton ports, all of which are becoming large growers and nearly self supporting.

—On Thursday evening the 14th inst, at McNeill's, Lot 12, the death took place of Mrs William Thompson. She had been laid aside from active duties for some months on account of internal tumors and her death was not unexpected. Mrs Thompson's maiden name was Martha Betts. She was a daughter of the late Silas Betts of Glenwood, Lot 8, where she was born 61 years ago. Since her marriage in 1873 she, with her husband, lived happily at McNeill's, Lot 12. Her chief mourners are her husband and her three sons, Gordon, William of Berlin, N. H., and Alvan of Bellingham, Mass., besides four sisters and five brothers. Mrs Thompson was highly respected by those who knew her. She was of a pleasant and amiable disposition. Her suffering was borne with calm resignation and her death released her from earth's cares to join the throng of the redeemed and sanctified above. On Monday the 15th all that was mortal was laid away in the Biddoway Methodist Church Cemetery, Rev. E. S. Weeks, who visited Mrs Thompson during her illness, conducted the services which were attended by the many friends from the surrounding sections of Country.

—A very pretty wedding took place at the home of William J. and Mrs Emery of Belle River on Wednesday, Oct. 13th, at six o'clock p. m., when their daughter, Cora May, was united in marriage to Angus McKenzie of Melville. As the closing strains of the wedding march sounded forth, the bride entered the parlor on the arm of her father, who placed her beside the groom. The ceremony was performed by the Rev D. McKenzie of Wood Islands, in the presence of about thirty guests. The bride was becomingly attired in a dainty princess gown of White Swiss Brno and was attended by her sister, Miss Janet, who also wore a charming white gown. Alexander McKenzie of Melville supported the groom. A sumptuous wedding supper was partaken of and the evening spent in music and singing. The happy couple left for their future home in Melville with the sincere wishes of their many friends that their wedded life may be full of sunshine, as was their wedding day. The wedding gifts were both numerous and costly showing the esteem in which they are held.

Yesterday was observed throughout the British Empire as Trafalgar Day in commemoration of the 104th Birthday of the great naval battle, fought on the Cape of Trafalgar, a low promontory on the south shore of Spain between the British fleet under Nelson and the combined French and Spanish fleets under Villeneuve, a French commander. The British fleet although consisting of a much smaller force than the other fleets, captured nineteen of the enemies' ships. The victory, however, was dearly bought at the cost of the greatest of English admirals, Horatio, Lord Nelson. It was in this battle that the famous signal "England expects that every man, this day, will do his duty" was run up by Nelson.

The Athletic Sports held in the Arena last night under the auspices of the Victoria Amateur Athletic Association, was favoured with a fair attendance. The program prepared was a long one, so long in fact, that it was found necessary to call off two of the events, viz, the race between Hooper on a bicycle and Hooper on foot, and the one mile relay. The event of the evening, however was the five mile run, in which the greatest interest was excited. It was probably the best long distance event ever run off in this province, from a spectator's point of view. It was a hard struggle between Thomas, Robertson and Hooper, the latter two making strenuous efforts to prevent Thomas from claiming the lead, but succeeding in this, were unable to equal the Indian's sprint at the finish. Robertson's plucky spurt at the last was not enough for him, he deserved applause, though his endeavors only resulted in his getting within two feet of the "Island Longboat," whose race as right worthily won. Worth's Band furnished music for the occasion.

The summary for the events is as follows:— 50 Yards Dash, (Boys)—1st, 2nd, 3rd, 50 Yards, (Senior)—1st, Stanley and Hooper, (tie) Abbies; 3rd, E. Hughes. 220 Yards, (Senior)—1st, Hooper; Abbies; 2nd, Stanley, Abbies; 3rd, E. Hughes, Abbies. 440 Yards Run, (Boys)—1st, McEachern; 2nd Williams, Vics; 3rd, W. McDonald. Pole Vault—1st, W. J. STOCK NOTE

Baron Wilkes (2.18.) The excellent reputation that Baron Wilkes (2.18) gained several years ago as a progenitor of future winners has been increased greatly this season by the performances of Baroness Virginia (3) 2.08 1/2 and the world's champion two year old trotter Native Bell (2) 2.07 1/2, both by sons of Baron Wilkes (2.18). Several others of his descendants have also been successful as race winners, among them "Baron Aleyone," winner of the \$35,000 handicap; Baron May 2.07 1/2 and Baron Whips that forced the Bel out in 2.02 1/2 at Lexington, Ky., last week. The Baron Wilkes family is growing more popular every year, and is likely to continue to furnish race-winners in the future as it has done in the past. American horse breeder.

Oakley Baron (4) 2.23 owned by W. S. McKie of this city is a grand son of the famous "Baron Wilkes" who heads the greatest family of race horses in the world.

The Clydesdale stallion Daimeny, and the trotting horses Tom Trim, Ozen D and Mamie P, arrived by the Halifax recently. Daimeny, owned by P. C. Brown, was exhibited in the model horse class, where there were competitors from all over the States, including horses owned by the Vanerbits and other millionaires. One of the Professors of the Veterinary College at Brockton, in a lecture delivered to his students taking three days to complete, chose Lord Daimeny as his model from the many horses exhibited there. Lord Daimeny was viewed by thousands of people and was the centre of attraction in a great field of Clydesdales. He on the blue ribbon and first prize. Tom Trim, P. C. Brown's fast trotter was the only provincial horse to win any money in the Brockton Races. This horse, in his class, showed a splendid speed, and considering the show given by the officials and competitors, the position he won was in every way creditable to him. In one heat he trotted the quarter in :34, the half in 1:07 and finished right in the bunch at 2:17.

A bona-fide offer of \$1,100 was made for the fast unmarked trotter Aquir, that stepped the last half of a mile at the Exhibition races in 1:10, with the last quarter in 34 seconds. His offer, however, was declined by his owner, J. M. Nicholson of this City. The horse is a five-year-old stallion, by Aquilin 2.19 1/2 son of the Bingen 2.06 1/2 dam Eutaxia by Expedition 2.15 1/2 son of Electioneer.

The farmers of this province are to have another opportunity this year of improving their sheep. The Department of Agriculture, co-operating with the Live Stock Branch, Ottawa, is bringing five Shropshire ram lambs, 6 Shropshire yearlings, 9 Oxford ram lambs, ten Leicester ram lambs and 3 Leicester ewe lambs from Ontario. These together with ten rams and ewes purchased at the Provincial Exhibition will be sold at Alberton, Charlottetown, Summerside and Georgetown toward the end of this month. The first sale is to be held at Alberton on Saturday, October 23rd at 10.30 a. m. No better lot of sheep was ever offered for sale in this Province and the farmers should show their appreciation by attending the sales.

William Clarke, New Annan, was among the inward passengers to this City yesterday afternoon, by the western train, to take care of his Clydesdale filly, which he purchased from Oliver Saunders, the well-known sheep breeder of Winslow. Mr Saunders realized a nice sum for this filly.
