BANKERS DISCUSS CURRENCY LEGISLATION.

ATLANTIC CITY, N. J., June 17.—Great interest is attached in banking and financial circles to the meeting of the currency commission of the American Bankers' Association, which began here today with Chairman A. Barton Hepburn presiding. Nominally the meeting was called to consider and complete business of a routine character, but it is believed to be the real purpose of the meeting to debate the currency and bank program of the Wilson administration. It is expected there will be a general exchange of views on the subject of currency legislation, the results of which will be submitted to the United States Senate.

Household Remedy

Taken in the Spring for Years.

Ralph Rust, Willis, Mich., writes: "Hood's Sarsaparilla has been a household remedy in our home as long as I can remember. I have taken it in the spring for several years. It has no equal for cleansing the blood and expelling the humors that accumulate during the winter. Being a farmer and exposed to bad weather, my system is often affected, and I often take Hood's Sarsaparilla with good results. Hood's Sarsaparilla is Peculiar to itself. There is no 'just as good.' Get it today. Sold by all druggists everywhere. 100 Doses \$1.

HORSE NOTES

Prince Marjor is one of the best bred stallions that has ever stepped on Canadian sod. He was bought at the Midwinter Sale in New York City on February 26, 1912, by Mr. Hammond Kelly, selected from the many consignments and brought home to his purchaser, Capt. D. A. McKinnon, Charlottetown, from whom the present owner bought him.

A SENSATION IN 1912.

He was the sensation of the Spring of 1912. Those who saw him step out to this day that never in their experience have they seen his equal. He could brush a 20 clip and was as well broken as a four year old. He was in getting acclimated, the change from the warm air of Kentucky and the difference in feed gave him acclimating fever, from which he only recovered some months ago. He is now rapidly taking on flesh and becoming strong, and will be given some light training this year for a record campaign on the turf in 1914.

HIS FORMER OWNER SAYS:

Capt. D. A. McKinnon, the former owner of Prince Marjor, makes the following statement regarding him: "I hope it may be my privilege to again buy the equal of Prince Marjor as a two year old. He was a speed marvel. The very first time we took him to the track he stepped a quarter in 41 seconds easily. Had he not become ill there is no doubt but that he would now have a record below 2.30. He is extremely well bred, having among his dams some of the world's greatest brood mares. His sire is the world's greatest futurity sire—a sire of early and extreme speed, so that Prince Marjor's breeding leaves nothing to be desired."

HIS BIRTHPLACE.

Prince Marjor (57168) was born and bred on the celebrated Walnut Hall Farm at Donerail, Ky. This farm is the home of the great Moko, Walnut Hall 2.08 1/2, and Manrico 2.07 1/2. It is the world's greatest breeding nursery—the birthplace of more futurity winners than any other similar farm in the world. Every year it gives a champion trotter to the turf, among them being the Harvester, 2.01, the world's champion; Tritting station (closely related to Prince Marjor) and Native Belle (3) 2.06 1/2, the world's famous two and three year old filly, a half-sister of Prince Marjor.

HIS SIRE.

Moko, the sire of Prince Marjor, has given the turf more great colts trotters than any stallion living or dead. Since 1899 he has been represented in the classical stakes for colts trotters by one or more youngsters. His blood is breeding on, his sons being proven sires of speed and his daughters producers of great trotters. He is the sire of six in 2.10 twelve in 2.15, and fifty in the list, and the sire of the following futurity winners:—

Perino (6) 2.05 1/2, winner of the double Kentucky Futurity. Native Belle (3) 2.06 1/2, world's champion two and three year old filly, winner of the Kentucky and Review Futurity. Mabel 2.10 1/2, winner of the Horse Review Futurity. Silko (3) 2.11 1/2, winner of Kentucky Futurity. Lettich (3) 2.12, winner of the Matron Stake and Horse Review Futurity. Brenda York (5) 2.04 1/2, winner of the Kentucky, Hartford, Horse Breeder and Stock Farm Futurity. Susie N. (3) 2.09 1/2, winner of the Stock Farm and Horse Review Futurity.

HIS DAM.

Princess Marjorie is out of Future Princess Ideal, own sister of Princess Royal (2) 2.20, (dam of Ess 1, Kay 2.00 1/2, (sire) Queen Royal 2.13, The Earl 2.14) (sire of Earl Jr. 2.02 1/2, etc. The next dam Estabell also produced Hair at Law 2.05 1/2, (sire of Minor ad. Hair 1.58 1/2; etc.) Prince Regent 2.16 (sire), Royal Regent 2.21, Princess Royal (2) 2.20, Granddam of 18, including Lady of the Manor 2.04 1/2, Princess Helen 2.05 1/2, etc.

THE WALNUT HALL FARM.

The original owners of Prince Marjor—the Walnut Hall Farm—have this to say about this splendid horse: "Prince Marjor is a standard and registered trotter, bred and consigned by us to the Midwinter Sale, Madison Square Gardens. He is a bay with black points, foaled in 1910, and is a good clean gaited, light going colt, and can trot very fast. He is well bred enough to be a good trotter and handsome enough to be a good stallion." Mr. T. H. G. Murphy, Charlottetown, purchased Prince Marjor from Mr. McKinnon early last spring, and under his training care he has improved in health to such an extent that one would hardly recognize him as being the same animal.

A SIRE OF SPEEDY TURF AND CARRIAGE STOCK.

Prince Marjor is the coming sire of speedy turf and carriage horses—promises to be the greatest sire of early and extreme speed that has ever stood in this Province. All owners of good brood mares should make it a special point to see this splendid horse. He comes from the greatest family of trotters and speed marvels known to trotting history, and although only a youngster has a great future ahead of him.

A LIGHT SEASON.

Prince Marjor will have but a light season in the stud, as his owner wishes to train him for the track. The season will be limited to fifteen

Dunlap Pony Contest
Every Child Has a Chance
The contest embraces one of the most liberal offers ever presented exclusively to the little folks of P. E. Island and will afford them an opportunity to develop their hustling propensities, and at the same time win a splendid reward. The Pony outfit is not to be given to the prettiest child, nor the ugliest

or best child either. It will be given to the little girl or boy who can hustle. Every child under the age of sixteen years has the same chance.
THE PLAN
The plan is as simple as the offer is liberal. Any child can understand it after a five minutes explanation. During the contest the business men who are participating in this trade booming carnival will give Pony Votes on all cash purchases and for

the payment of old accounts. With every five cent purchase a five vote coupon will be given. With every ten cent purchase a ten vote coupon will be given, with every twenty-five cent purchase a twenty five vote coupon will be given, with every dollar purchase a hundred vote coupon will be given, with every ten-dollar purchase a thousand vote coupon will be given to the amount of any purchase made at these business places during the

contest. The contest will last for thirteen weeks ending September 27th, 1913. The Pony Vehicle and Harness will be given to the child who gets the most votes during the contest. Should two children tie for first place \$300 in gold will be divided equally between them. A pretty liberal present, isn't it?
HOW TO ENTER
Any boy or girl can enter the contest by going to all of the above

named places and enrolling his or her name in the contest registry book. Or if preferable the contestant can have their parents or some friend do the enrolling for them. Each of the little contestants will be given some printed matter to assist them and the plan will be thoroughly explained to them.
HOW TO VOTE
On every vote coupon given out by the business who are in the

contest is a black line on which can be written the name of the child to be voted for. These names should be written plainly.
WHERE TO VOTE
There will be ballot boxes at each of the stores interested in the contest. They will not be opened until the contest is over. No contestant can thus find out how many votes another contestant has, and as a result the contestant is bound to be fair and above board throughout.
