St. George's Day Its Celebration

Sermon Delivered by Rev. James Simpson of St. Peter's Cathedral Before The Members of the Sons of England Society.

Concluded. You are proud of England's power, the wide extent of her dominion, the justice of her rule; proud that each of you can claim to be one of her sons, but you come to church this morning not in the spirit of that Pharisee who stood in the temple and prayed "Lord, I thank thee that I am not as other men are." No, you come to render thanks to Almighty God for all his benefits, to ask him to bless your king and country as he has hitherto, to bless your society and make you all worthy members of it; and then to receive from the preacher the message of encourage-

ment or warning which God puts into his mouth for you. And this being so I will speak of two special dangers, which are likely to threaten the well-being of your Society and impair its usefulness.

The first is a spirit of selfishness. When a society is small, struggling and unpopular, one may be pretty sure that its members are staunch and true; loyal to its cause and ready to make sacrifices for its welfare; but as it prospers in the world and its membership increases there is a danger of men joining it from unworthy motives.

We see this exemplified in the history of the Christian Church. In the beginning, when to profess Christianity meant certain persecution and possible death, few joined it who were not prepared to sacrifice their lives, if necessary for their faith, but when emperors and kings took the Church under their protection and the danger of persecution passed away, the zeal and sincerity of its members gradually lessened and the bonds of union became greatly relaxed.

Or take a band of pioneer settlers in some new country. Beget by common dangers, suffering the same hardships, fighting side by side for their very existence, they unite together for the safety of the community. But as years roll on and danger and hardships disappear, and prosperity smiles upon them, individual interests force themselves to the front, which may even be adverse to the well being of the rest.

So with your society; now that your position is assured, your membership increasing and you have a recognized place in the community, there is danger of men joining whose chief aim will be, not to help the brotherhood and the cause for which it stands, but help themselves. They will ask, how will this benefit me? Can I use it to improve my condition? Will it give me a "pull" where I need it? And then, because each one seeks his own and not his neighbor's good, the whole body will suffer loss, therefore always remember that you are a fraternal, a brotherly society, and it is not brotherly to make your own interest your first consideration.

Pains in the Back Over the Kidneys

TELL OF DISEASED KIDNEYS AND THE PROVEN CURE FOR THIS DREADFULLY PAINFUL AILMENT IS

DR. CHASE'S KIDNEY-LIVER PILLS.

When kidney disease does not arise from exposure to a draft or chilling of the body, it is usually developed gradually as a result of liver and bowel disorders.

It is because of the intimate and dependent relation of the liver, kidneys and bowels that Dr. Chase's Kidney Liver Pills cure diseases of the kidneys when mere kidney medicines fail.

By quickening the action of the liver and bowels this treatment immediately lessens the work of the kidneys, and at the same time restores their natural vigor. In this way the most serious and complicated diseases of the kidneys are thoroughly cured.

As Della McDermott, 373 Main street, Moncton, N. B., writes:—"For some time my mother could not walk across the floor or stop over because the pains in her back just over the kidneys were so severe. She had severe headaches, backache, spells of blindness and dizziness, and tried many medicines without obtaining relief. The doctor of our town said that the trouble was due to the turn of life.

"A lady friend advised mother to try Dr. Chase's Kidney-Liver Pills, and by the time she had used two boxes of this great medicine she was perfectly cured, and the trouble has never returned."

Mr. J. Edwards, of Colborne, Ont., and who is employed by the Kennedy & Davis Milling Co., Lindsay, Ont., states:—"I have been taking Dr. Chase's Kidney-Liver Pills for some time, and can positively say that they are the best medicine I ever used. I was troubled very much with my kidneys and had dreadful pains in my back, which were increased by leaning over.

"I can testify to the exceptional merits of Dr. Chase's Kidney-Liver Pills because they have cured me, and shall gladly recommend them to anyone inquiring about them."

Dr. Chase's Kidney-Liver Pills regulate the action of the liver, kidney and bowels, one pill a day, 25 cents a box at all dealers, or Edmanson, Bates & Co. Toronto.

BRITISH SEALER WAS CAPTURED

New York, June 4.—A despatch from Washington says:—It was reported last night that a British sailing vessel had been captured by the United States Revenue Cutter in the Bering Sea, while poaching.

WASHINGTON, June 4.—The secretary of the Treasury has received a telegram from Capt. Alsworth, of the revenue cutter Rush, stating that he had seized the British sealing schooner Charotta G. Cox, which was found illegally casting seals in Fairweather grounds. The Cox it is said was taking seals during the closed season within the area of the award in violation of articles of the tribunal of arbitration agreed to by the Governments of Great Britain and the United States. She had 77 fur seal skins on board.
