TUBERCULAR GERMS
 flourish in the most unexpected places and quickly attack a body weakened from colds or general debility, but if the lungs are fortified with **SCOTT'S EMULSION** their progress can be prevented and often overcome. **SCOTT'S EMULSION** is used in tuberculosis camps because its highly concentrated nourishment builds strength and resistive-power faster than disease destroys. It assimilates without taxing digestion, and contains no alcohol.
Absolutely nothing equals SCOTT'S EMULSION to strengthen the lungs and drive out colds and coughs.
